### Frank J. Galligan Elected President—Entertaining Stereopticon Lecture Upon Picturesque Holland by Rev. F. D. Sargent of Putnam—Promoting Social Work.

There was an attendance of nearly fifty at the second meeting of the Get Together club held at 8 o'clock Tuesday evening at the Y. M. C. A. There was a short business session at which F. R. Starkey gave a report of the proceedings of the previous meeting. When the club was organized, the plan was to hold monthly meetings and to plan to make each one a social time. The idea of the club is to take the social features of the Y. M. C. A., letting the members plan their own entertainment. The report of the nomination committee was read and accepted and the following officers declared elected: President, Frank J. Galligan; vice president, Noah Lucas; treasurer, Dr. R. B. Kinkaid; secretary, Robert O. Fletcher; chairman dormitory committee, H. T. Sargent; chairman gym committee, Alexander Finlayson; chairman factory committee, Otto Mush.

The party then adjourned to the auditorium, where a most interesting lecture on Picturesque Holland was given by Rev. F. D. Sargent, father of H. T. Sargent of the dormitory committee. The talk was an account of Mr. Sargent's experiences in Holland and was illustrated with excellent stereopticon views made from photographs taken by himself. On the conclusion of the lecture a pleasant social hour was enjoyed in the dormitory. Vocal and instrumental selections were given and games were played. Refreshments of frankfurters, cake, coffee and ice cream were served by Mrs. F. R. Starkey, Mrs. A. C. Fense, Miss Grace and Jean Jackson. The committee which planned for the pleasant occasion was composed of H. T. Sargent, Thomas Maher and Fred D. Wood. It is expected that next winter the club will prove an important factor in the work of the association.

## IN SUPERIOR COURT.

### One Case Heard and Argued at Tuesday's Session.

The superior court, with Judge Holcomb on the bench, came in here at 10 o'clock Tuesday morning, the first case being that of Ella M. Davis vs. H. Willis Manwaring, adm., appeal from probate. Mrs. Davis, whose husband is a pilot and who moved with her husband from Brooklyn, N. Y., two weeks ago, is looking in New London, was the only witness on her side. Selectman Larnie, of Waterford and other witnesses testified for the defendant, and after the arguments by Attorneys Morgan, Avery and DeLong the court took the papers and went out for the day. Lawyer McGuire told the court that the New London divorce case of Barbara Finnegan vs. Annie Finnegan that was down for trial had been withdrawn. When court opens this morning it is expected to take up the divorce case of Imen I. Lianowsky vs. Rebecca Corran Elkonsky.

## ORGANIZING FOR BASEBALL.

### St. Mary's T. A. B. Votes to Put a Team in the Field.

There was a well attended meeting of St. Mary's T. A. B. and B. society on Tuesday evening in their rooms in T. A. B. hall, with President W. H. McGinness in the chair. One new member was initiated, and it was announced that plans for the coming what and dance had been completed. It was voted to organize a baseball, and Michael McCarthy, Maurice McKay and P. J. Donahue were instructed to arrange for the season. Suits will be ordered at once and will be of gray material. Candidates for the team will be given a tryout early next week. The society has considerable promising material to draw from and should be represented by a good fast team.

## Dancing Class Social.

In place of the usual Tuesday evening dancing class, James J. Holland executed a social in T. A. B. hall last evening, with an attendance of about 200. Music for the sixteen numbers on the programme was furnished by Lark's orchestra. A delightful evening was passed by all those present.

## MAN BREAKS DOWN

A Siraabus, "Pa. man, Martin B. Barkhill, has just had a remarkable experience. Some months ago he noticed his health failing and in spite of all he could do, soon found himself in that condition which everyone dreads—"general breakdown."

In a letter, he says: "It seemed as if my health was ruined and I never would be strong again. Various other medicines did me no good, but I began to take Vinol and it has done me a wonderful amount of good. I feel now as well as I ever was, have gained twelve pounds, my appetite is good, I sleep soundly, and feel like a new man. All credit is due to Vinol." He is only one of many thousands who have been built up to health by our delicious cod liver and iron preparation without oil. All who are broken in health, run down, weak and nervous, should profit by his experience and regain their health by the use of Vinol. We guarantee that it will build you up and make you strong—your money is given back if it does not.

## WASHINGTON BANS THE TURKEY TROT.

Society Hostesses Stirred by Publicity Given to Patterson Bail.

Washington, April 15.—There is a feeling of resentment in social circles here over the publicity given to some of the extreme dances executed at the ball given by Mrs. Robert W. Patterson on Wednesday night, but it is generally conceded that the "turkey trot" must either go or undergo material modifications.

Washington hostesses have refrained as much as possible from putting the ban on the new dances, but are now determined that such exhibitions as were seen on Wednesday night shall not greet the sight of their young daughters.
