\$4,000 Suit Over Trap Rock Contract—More Trouble For Imlanski Family—Accident to Workman—Thomas S. Wightman Dead—Fox Killing to Prove Less Profitable.

Deputy Sheriff William H. Casey has been notified by Henry P. Walton, owner of the property of Pawtucket trap rock, that he has brought suit for \$4,000 in a suit brought by the Merchants' National bank of Pawtucket to recover from the Eldredge company for trap rock.

The writ was also served upon Ernest Smith of Pawtucket, alleged to be a debtor of Walton, and that he has appeared in his possession goods and effects and the estate of Henry Walton.

Paul Imlanski, two and a half years old, fell from a chair Saturday, and had his right collarbone broken, another fracture in the family series. The father was in the Kingston jail for a long time for assault with a dangerous weapon and was released on probation at the recent session.

Michael Marazzella, a laborer employed on the work in connection with the railroad improvements, was painfully injured. He was at work on the gravel train that carries material from the Dixon embankment for filling in alongside the present railroad tracks on the Connecticut side of the Pawtucket river when he got caught between two cars.

Thomas S. Wightman died Saturday after several months' illness at his home in Wickford in his 73th year. He worked at the jewelry trade in Providence for many years and then went to his old home in Wickford. He was father of Deputy Sheriff James H. F. Wightman, Christopher F. Wightman and W. Wightman, the surviving members of the family.

John R. Ryan of Stonington was in Westery Sunday. Ira B. Grandall and Alexander C. Thompson have gone to St. Louis on a business trip. Mr. and Mrs. Edward Winton of

SAGE TEA DARKENS HAIR. Restores Faded and Gray Hair to Natural Color.

There is nothing new about the idea of using Sage for restoring the color of the hair. Our grandmothers kept their hair dark, glossy and abundant by the use of a simple "Sage Tea". Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of Sage leaves, and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to the old-time method of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing Sage in the proper strength, with the addition of Sulphur, another old-time scalp remedy.

This preparation gives youthful color and beauty to the hair, and is one of the best remedies you can use for dandruff, dry, itching scalp, and falling hair. Get a fifty cent bottle from your druggist today, and you will be surprised at the quick results. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Agent Lee & Osgood.

"Wanting is—what? Summer redundant Blueness abundant, Where is the blot?"

Robert Browning.

A kitchen without a gas range can blot the blue of summer skies with its heat and drudgery. Estate ranges bake with fresh air, their scientifically constructed ventilated ovens insure perfect heat regulations, the key to faultless baking. A short cabinet of superior design including large hot-closet is an efficiency stove in every particular, a "kitchenette" compact yet complete, and those sturdy 3 burner cookers are in our show-room ready for inspection. It's a wise plan to install a gas range before the scorching weather comes, avoiding disappointment and possible suffering, as Franklin put it "BE ON TIME."
