EVELYN W. SMASHES SPEED RECORDS

Covers Second Mile in Free for All Pace in 2.00 1-2, Fastest Heat Ever Paced by a Mare—Eel Forces Leader All the Way—First Heat in 2.03 1-2.

Syracuse, N. Y., Sept. 13.—Three world records were broken today by Evelyn W. in winning the free for all pace at the grand circuit meeting held in connection with the New York state fair.

Her time for the mile, 2.00 1-2, in the second heat was the fastest ever paced by a mare, the fastest second heat by pacers of either sex, and the race constituted the two fastest heats ever paced by a mare.

It was The Eel that forced the mare to extend herself, the two appearing side by side around the mile circle. Evelyn W. was the first to the wire in each heat by a narrow margin.

The free for all pace was the feature event of the closing day's programme of eight events. Twenty thousand persons were at the track.

Summary of the free for all pace, purse \$1,000:
Evelyn W. by m. by The Spy (Shank) 1 1
The Eel, g. & (McEwen) 2 2
Independence Boy, c. g. (Valentine) 3 3
Time: 2.03 1-2; 2.00 1-2.

EIGHTY CANDIDATES
OUT FOR YALE ELEVEN.
Largest Squad for Early Practice in Some Years.

New Haven, Sept. 13.—Eighty candidates for the Yale football team reported this afternoon for practice at Yale field under the direction of Head Coach Arthur Howe.

McDevitt and Scully of last year's team will arrive tomorrow to take charge of the line coaching. Walter Camp, Jr., Holliday, Philbin and Dunn, last year's veterans, are expected out for practice tomorrow.

MOTOR BOAT ACCIDENTS.
Reliance IV and Question Go Down in Niagara River—Crew Injured.

Buffalo, N. Y., Sept. 13.—The second day of the power boat races on the Niagara river today was marked by two accidents in which two of the hydroplanes went to the bottom and the crew was seriously injured.

Wheelman George Lautenslager of Pittsburgh, Pa., was internally injured, and Engineer Philip Ham of Buffalo suffered a broken nose.

The race was won by the Baby Reliance II, owned by J. Stuart Blackton of Brooklyn, winner of yesterday's event.

Tomorrow the race for the Interlake championship of the Greater Lakes will be contested. This event will close the regatta.

Friday, the 13th, proved unlucky for the Reliance IV, owned by C. E. Crawford of Lakewood, N. Y., and the Rochester, owned by H. L. F. Trebert of Rochester. When the nine speeders started across the lake at the opening of the Reliance IV, it was swamped and her crew were thrown into the river.

While the men were being rescued the Question struck a submerged rock and went to the bottom. Her crew was rescued.

HARVARD VS. PRINCETON.
Davidson and Stearns Meet Today for Individual Golf Championship.

Manchester, Vt., Sept. 13.—F. D. Davidson of Harvard and B. M. Stearns of Princeton will meet tomorrow in the 36-hole match for the intercollegiate golf championship on the links of the Elkanok Country club.

Yesterday's Trading Excitingly Light, but Money Not So Strong Factor.

New York, Sept. 13.—The only appreciable difference between yesterday's stock market and the early sessions of the week lay in the greater idleness. Trading in the first three hours ran under 100,000 shares, and the total output was the smallest in over a fortnight.

The money situation was less obstructive as a factor, call loans touching their highest figure at 5 per cent, and the rate on 100-day notes at 7 1/2 per cent yesterday and the day before.

As a matter of fact, the bulk of today's loans were made under 5 per cent. There was some further calling of loans, however, a result of the week's steady cash outflow, estimated at between \$7,000,000 and \$8,000,000.

There were many rumors of impending gold imports, based largely on private cables from London and the workings of foreign exchange, but so far as ascertainable negotiations are still in the tentative stage.

For the greater part of the day the movement of stocks was in keeping with the unusual dullness. In the last hour, however, the list moved upward to a level well above yesterday's final quotations. Among the few features of the day's movement were Louisville and Nashville and Southern Railway preferred. The rise in the latter stock came shortly before the announcement that the directors had restored the dividend to the 5 per cent rate, which prevailed for the five years preceding the panic of 1907.

Other issues that rose 2 points or more included Seaboard, Line, St. Louis Southern, Consolidated Gas, General Electric and some of the tobacco group.

London was a purchaser here of about 15,000 shares, chiefly Steel and Amalgamated Copper. Greater firmness was reported from Paris and Berlin.

Bonds were irregular, but tending lower. Total sales, par value, aggregated \$1,925,000.
