Use less Butter—More Cottolene

No wonder butter is so high. Particular women who are loath to use lard or cooking butter in their cakes and fine pastry, use table butter. With butter at the price you have to pay for it, that's downright extravagant. Cottolene is just as good as butter for pastry, for frying, it is better. And Cottolene costs no more than lard. Moreover, Cottolene is richer, and two-thirds of a pound of it will go as far as a pound of butter or lard.

HAVE BEAUTIFUL HAIR

A Simple Remedy Cures Dandruff and Stops Falling Hair

What a pity it is to see so many people with thin, wispy hair, or streaked with gray, and realize that most of these people might have soft, glossy abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair and and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur. From your druggist, and notice the improvement in the appearance of your hair after a few days' treatment. Agent The Lee & Osgood Co.
