DISRESPECTFUL TO WOMAN. Court Told George Neroz He Was Getting Off Easy With \$5 Fine.

George Neroz was before Judge William A. Arnold in the police court on Tuesday morning to answer to the charge of breach of the peace. He raised a disturbance in the State Row and called a woman vile names. It is alleged. The complainant stated that not only did the defendant call her foul names, but intimidated that he might also ravish her. She ordered him out of the house, but he did not go until his wife came and took him out. The story was substantiated by two other witnesses. Neroz, in his own behalf, said that he had gone into the house where the complainant boarded to see the boarding house keeper to see about 20 cents that he had loaned him. The latter was not at home, and the complainant had ordered him out of the house. He told her to go to sleep and he would not harm her. He then went out of the house with his wife. He absolutely denied calling any foul names. The court found Neroz guilty and informed him if he ever came before the court again and told such a cock and bull story as the one he had just told he might be charged with something much more serious than breach of the peace and might be sent to jail or state's prison. A fine of \$5 and costs was imposed, which Neroz paid.

More Money Needed for Streets. A special meeting has been called to be held in the town hall Monday afternoon, Oct. 14, to see if the city will vote to appropriate \$2,000 for the use of the city street department and to see if the sum of \$100 will be appropriated to lay more paving on Main street for a distance of 115 feet westward to a point near Bridge street.

It is said that the appropriation of \$12,000 for streets this year will be completely exhausted within the next two weeks, as there is but about \$500 of it remaining. Some weeks the payroll for the street department foots considerably more than \$300, and it is not thought that it will fall within the next two weeks.

Big Alarm—Trivial Fire. An alarm was rung in from box No. 73 at the corner of Ash and Main streets at 4:37 o'clock Monday evening for a trivial fire that called out three companies of the Willimantic fire department—Alert Hose Co., No. 1; Excelsior Hook and Ladder Co., No. 1, and Montgomery Hose Co., No. 2. The last named being the first to arrive. Fireman Lawrence J. Haggerty of Montgomery Hose Co. was the hero of the fire, for it was he who entered the house at the corner of Brook and Main streets, and ascending to the second floor, entered a bedroom and picked up the entire fire in the palm of one hand and walked out of the house with it. The only damage sustained was a small hole burned in a comforter upon a bed in the room, that was caused by the smoldering of a nickel box of matches in a parlor variety, that Fireman Haggerty carried from the house.

On the way to the fire more fire was seen, that caused by the application of the brakes to the steel tires of the Montgomery Hose Co.'s wagon, that caused a shower of sparks to fly in the wake of the swiftly moving hose wagon as it was driven down Main street.

BY-GONE TAXES. Must Be Paid by New Military Men Exempt This Year.

Captain Elmer E. Carpenter of Co. L, First Infantry, C. N. G., in accordance with section 6, personal tax act, that stipulates that a list of all men not liable for the payment of the personal tax, affiliated with the militia, must be filed on or before Oct. 20th of each year, has filed such a list of the enlisted men in his command with Robert O. Snow, special collector of the personal tax. The list shows that at present there are fifty enlisted men, including officers, who are not liable for the payment of the personal tax on the list for 1912, collectible on the 1st of March next, as those who are at present active members of Co. L. Among the list, however, are a number who are liable for the tax for 1911 and 1910, as they were not at that time affiliated with a military organization in the service of the state and country. The fact that these men are at present members of the company does not lessen their liability for the payment of the personal tax for the two years mentioned, and the same will be collected in accordance with the law. Evading of payment of the personal tax is punishable by statute provision.

Jewett City Unexpected Death of Capt. Ira Lewis Removes a Prominent Leader in Town Affairs—Able, Generous, Charitable—Jodoin-Davan Wedding.

Capt. Ira Lewis died Tuesday morning at 11 o'clock after an illness since Friday with pneumonia. His death came as a sudden shock to the family, as it was realized that he was seriously ill until Monday night.

Mr. Lewis was descended from one of the old and prominent colonial families, his ancestor, John Lewis, being one of the original purchasers and settlers of the town in 1661. He was the son of Patience Johnson and Caleb Lewis and was born in Plainfield May 20, 1845. He spent his boyhood in Sterling and Jewett City, coming here in 1853. When he was twenty-one he opened a fruit and confectionery store and was in that business for two years. In 1858 he purchased a moderate sized building, which stood on the site of the present Jewett City hotel, and was engaged in it for forty-three years.

In 1878 this old structure burned down and was rebuilt on the same site. He was again engaged in it from 1894, and Mr. Lewis built again the present building being up to date in all its appointments. He was an enthusiastic supporter of the military organization of this place in years gone by and served as captain of Company H, Third regiment, for three years. He was a democrat in politics, and acted as registrar of voters in 1879 and 1881. He represented the town in 1897 in the state legislature, and acted on the committee of military affairs. While there he gave the design for the emblem on the state flag, which is now in the capitol at Hartford.

Besides attending to the hotel business, he was from time to time engaged in contract building. The new \$20,000 Jewett City schoolhouse is a lasting evidence of his ability in that line. Mr. Lewis was elected warden of the borough in 1898-1899-1904-1905-1906-1909-1910 and 1911.

He married Lydia Sweet, May 13 1869. She survives him. A son died in infancy. He leaves a daughter, Mrs. Victor L'Heureux, Jr., of Jewett City.

Mr. Lewis was keenly interested in the growth and development of public utility affairs, and was especially interested in affairs pertaining to the welfare of the town. He was of a generous disposition, never failing, when called upon, to do some charitable deed.

He was one of a family of nine children, five of whom are living, Mrs. Emma Olin of Jewett City, Mrs. Alfred Barrett of Norwich, Rhodes Lewis of Preston, James Lewis of Worcester, Mass., and Charles Lewis of Yuma, Arizona.

In connection with his wardenship, Mr. Lewis was instrumental in having the first public sewer laid in the borough. He was vice-consignor of Undaunted lodge, K. of P., No. 31. He leaves two grandchildren, Lea and Rena L'Heureux.

I Am Willing To Prove I Can Cure You To That End I Am Giving Away \$10,000 Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars worth of this medicine, and anyone suffering from these diseases can get a box of it absolutely free. All that is necessary is to send me your address. I don't mean that you are to use a part of it or all of it and pay me if cured. I mean that I will send you a box of this medicine absolutely free of charge, a gift from me to the Uric Acid sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I accept it now or later if you sent it. It is free in the real meaning of the word. For twenty-five years—a quarter of a century I have been trying to convince the public that I have something genuine, something better than others have for the cure of stubborn, chronic rheumatism, for torturing kidney backache, for annoying calls to urinate. But it is hard to convince people—they try a few things unsuccessfully and give up all hope and refuse to listen to anyone who would tell them that they are now to demonstrate to sufferers at my own expense that I have a medicine that cures these diseases. I don't ask them to spend any money to find out; I don't ask them to believe me; nor even to take the word of reliable people, but all I ask is that you use it yourself so that you may be personally convinced. Owing to the large number of requests, I have had ten thousand more copies of my medical book printed. This book is new and up to date and contains complete descriptions, symptoms, causes, effects and cures of kidney, bladder and rheumatic diseases. All who write for the free medicine will be sent a copy of this grand illustrated medical book—the largest ever written on these diseases for free and general distribution. If you need medicine such as I have, if you are anxious to be cured and don't want to spend any money LOOKING for cures, write me. Read the symptoms over and let me hear from you today.

DR. T. FRANK LYNNOTT who is giving away \$10,000 worth of medicine. will do that; I am promising to send any sufferer who writes me a box of this medicine and full directions free of charge, and I will do that. I can say further that this medicine has been analyzed for accuracy to law as completely in every detail with all requirements. It will stop rheumatism, it will stop pain and backache, it will stop too frequent desire to urinate; it will heal, soothe and strengthen. You will be better in every way for having taken it. There is not an ingredient that can injure; not one but will benefit. All that I ask is that you use it yourself so that you may be personally convinced. To this end I have set aside ten thousand dollars which will be used to compound my medicine. Much of it is ready now to be sent out, all of it fresh and standard. There will be enough for all sufferers, though there be thousands of them. And anyone who needs it can get some of it free. But in order that I shall know that you have a disease for which this medicine is intended, I ask you to send me some of your leading symptoms, if you have any of the symptoms in the list printed here you need my medicine and if you will write me I will gladly send you a box of it free with full directions for your use. Look the symptoms over, see which symptoms you have, and send me a check as follows: "Dear Dr. I notice symptoms number"—here put down the numbers, give your age, address, and send it to me. My address is Dr. T. Frank Lynnott, 916 Deagan Bldg., Chicago, Ill. The ten thousand dollars I am spending for the compounding of my medicine I send you will be fully repaid at my own expense. From any standpoint you view it, YOU incur no expense or obligation. Just tell others who you know are suffering who sent you the medicine that cured you. I am promising to give away ten thousand dollars' worth of medicine, and I
