OFFERS FOR PHILADELPHIA CLUB

Jefferson Livingstone Willing to Pay Nearly a Million—Fogel Will Sell at His Own Terms—No Agreement Reached as Yet.

Philadelphia, Oct. 23.—Jefferson Livingstone of Cincinnati today held a conference here with Horace Fogel, president of the Philadelphia National League baseball club, at which the purchase of the club was discussed, but no agreement was reached.

Mr. Fogel declined to discuss the conference further than to remark that he did not figure on selling to Livingstone. He admits that he is willing to dispose of the club, provided he finds a purchaser who will agree to his terms.

During the past week Fogel has received a number of offers, some of which he says were satisfactory from a cash point of view, but not entirely so in other respects.

SNODGRASS PLAYING IN CALIFORNIA Says He's Sorry For Error in World's Series on Mathewson's Account.

Los Angeles, Cal., Oct. 23.—Fred Snodgrass, center fielder of the New York Nationals, who must play football in the tenth inning of the last game, aided the Boston Americans in winning the world's championship, arrived today to spend the winter. He was accompanied by Art Schaefer, utility infielder of the New York team. Snodgrass will play with the Oxnard team during the winter.

Snodgrass said that he was "frozen to the marrow" when his fatal misplay occurred. "I didn't seem to be able to hold the glove and that was all there was to it."

He said he was more sorry on Mathewson's account than his own. Charles Hall, Boston pitcher, is expected tomorrow. He will play with Ventura.

BRENNAN WILL FIGHT. St. Louis Americans Willing to Pay Deceased Manager \$10,000 a Year for Services.

St. Louis, Oct. 23.—"Fight? Am I going to fight? Well, I guess yes!" Roger Brennan, deceased manager of the St. Louis National league club, declared today. "I am ready to fight for my rights and will go into any court they want me to. I never quit on the ball field, and I won't quit now."

Rumors were in circulation today that President Robert L. Hedges of the St. Louis Americans was after Brennan to manage his club next season and was ready to pay the catcher the \$10,000 a year his contract with the St. Louis National league team calls for, but not the 10 per cent. of the profits. It is believed Brennan would be peculiarly valuable to the local American team because of his ability to steady young pitchers. The American league team has a number of promising youngsters.

Athletics Off to Cuba Saturday. The Athletics, headed by Secretary John Shibe, will depart Saturday for their tour of Cuba. They will be away for Key West, Fla., and on their way there they will play several games in southern cities, including Savannah, Jacksonville, and Greenville, N. C.

At the latter city, the home of Joe Jackson, the famed Cleveland outfielder, will play against them. The Athletics expect to reach Havana by November 10 and to return by Thanksgiving day. In 1910 they made their first trip to the gulf island.

PRINCETON STILL UNTRIED. Tigers Have Yet to Meet Eleven Strong Enough to Test Strength.

Princeton, N. J., Oct. 23.—The football situation at Princeton presents a peculiar problem this year. A superfluity of backfield material and a dearth of forwards confronts the coaches, and it is a problem which they have not solved entirely as yet, even though the season is just half over. The Dartmouth game comes next Saturday, and that is a contest about which many are rather doubtful. Every man at Princeton remembers very vividly the work of the Dartmouth team here last year, and the freak goal by means of which the Tigers won.

Reports have it that Dartmouth comes fully as well equipped this year as last, while the Tiger team is hardly as far advanced at this stage as it was a week before the Dartmouth game in 1911. Following at intervals of a week come the Harvard game at Cambridge, New York university at Princeton and the final championship game with Yale here.

The students have no real idea what the personnel of the team is likely to be in the big games, nor do they know what sort of tactics the team is likely to resort to in case they get hard pushed. This is due to the fact that Princeton has not been tested to the limit. Leigh came heralded as a team with wonderful strength. In the game it did not show up at all strong against the speed of the Tiger backs. The same was true of Virginia Polytechnic Institute a week ago. Syracuse was crushed and the team will go into the Dartmouth game without having had a real hard tryout the whole season.

Ask Injunction Against Governor. Chicago, Oct. 23.—Officers of the Mineral Springs Racing association today applied to Judge McMahon of the circuit court at Valparaiso, Ind., for an injunction against any further interference with the race meeting by Governor Marshall and the state militia.

The court continued the hearing until 9 o'clock tomorrow morning to give time to serve notice on the defendants that the injunction had been asked.

Papke Defeats Carpenter. Paris, Oct. 23.—Billy Papke, the middleweight fighter of Illinois, tonight defeated the French champion, Georges Carpenter. The Frenchman quit after the 17th round.

At 3 o'clock in the afternoon Papke exceeded the middleweight limit. Carpenter was underweight.

Athletes Visit Dan Murphy. "Stuffy" Molnes and Jack Barry, stellar players of the Philadelphia American league club, are to be in this city today on a visit to Capt. Dan Murphy.

COX HEADS WINNING LIST. Veteran Driver Secured Stakes of \$54,885 in This Year's Grand Circuit Events.

New York, Oct. 23.—The 39th Grand Circuit, which opened at Grand Rapids, Mich., July 9, and closed in Lexington, Ky., last week, was in every way the greatest and best of the kind ever held in the history of harness horse meetings. There have been other big years, but never before one where there was not somewhere along the line something that left a scar deep and indelible in the hearts of the spectators. This year that scar did not occur one thing to mar the record of a high-class, scandal-free circuit.

From the first bell tap at Grand Rapids until the blankets were put on for the last time at Lexington it has been a history of great racing and record breaking. No horse in any class had a sinecure in first money, as did R. T. C. and even in the big battles, like the Baden-Esther W. races, the result was in doubt to almost the last foot in the deciding heat.

In 1911 every member of the Grand Circuit encountered rainy weather, but this year, out of a total of 69 racing days, only one day's programme (at Salem) was annulled. Several of the meetings were better, but every one of the 69 days was a profitable one for the Grand Circuit for 1912, for where several members went to the New York meeting for dates last January with trepidation, they will attend January 3 next with the utmost confidence.

The Grand Circuit, this year gave 69 days of racing, there were 256 races, and the total amount of money distributed was \$53,894. The money was so well split up this year among the different stables that no driver approached the world's record for big season winnings which Thomas W. Murphy of Poughkeepsie established last year, when his horses earned \$33,000. Murphy won this year more than \$44,000 with his own horses, and in addition he got about \$8,000 when he drove Dave Hall, besides big sums with Anna, Ax Me, Director Jay and other horses, upon which he accepted mounts.

Technically Walter Cox of Dover, N. H., heads this year's winning drivers, as horses entirely confined to his stables earned \$4,885. The stables that earned more than \$10,000 each are as follows:

Table listing drivers and their earnings: W. R. Cox \$54,885, E. F. Geers \$44,338, A. McDonald \$37,220, S. Roden \$35,000, McKenzie Stable \$26,601, W. L. Snow \$25,273, W. G. Durfee \$22,890, B. D. Shank \$20,219, J. W. G. \$19,000, W. J. Andrews \$16,555, C. P. Fleming \$13,705, C. A. Valentine \$11,878, N. Ray \$10,895, R. L. Parker \$10,616.

UHLAN'S GREAT RECORD. Famous Black Gliding a Wonderful Trotter—Mile in 1:58.

Frank S. Cooke in the Detroit Free Press says: "For the first time in its history this famous race track at Lexington holds the world's record for a mile in the open. Lexington has played a leading part in harness racing since the long ago, but somehow or other attempts to step faster than other horses have failed, although the track itself is suited to extreme speed at the time of the year when the Lexington trots are supreme in the world."

The importance of the feat which occurred on the first day of the world's series of ball games, but it is safe to say that the greatest of the world, Austria and Germany that day there was no happening in America that caused so much comment in these lands where the trotter now has such a foothold.

SOUTHPAWS' POOR SEASON. With But Few Exceptions Left-handers Have Been of No Use.

Although Rubie Marquard leads the National league pitchers, Eddie Plank heads the left-handers of the American league, and Harry Krause is the best American association pitcher, the majority of the left-handers are not having what could be called a very successful season. The three mentioned stand out as exceptions, and possibly there are a few others. Nap Rucker and Veau Gregg, for instance, who are going well. But winning southpaws are few and far between this year.

Even Gregg has been going none too well having lost more games already than he did during the entire season of 1911. But two other American league left-handers, in addition to Plank and Gregg, have succeeded in winning half of their games. They are Ray Collins of Boston and Penneck of the Athletics.

Mogridge of the White Sox and Hamilton of the Browns have lost more than they have won. Vaughn has won but a small percentage of his games, while Willie Mitchell of the Naps has done no better. Lefty Clark, a former left-hander, with several defeats and credited with no victories. The season has proved such a tough one on the left-handers that more than a few were sent to the minors. Conner Mack, former left-hander, Knauer, Russell, Danforth, Salmon and Pike of St. Louis and Detroit each released. Bill Bailey, while the Tigers also canned Bill Becker and Pernell. Washington sent Becker to Morgan and St. Louis cut Frill off the payroll.

FAMOUS THREE FOR 13 YEARS. Wagner, Clarke and Leach Hard Combination to Beat.

When Pittsburgh traded Tommy Leach and Lefty Leifeld to the Chicago Cubs for Art Hoffman and King Cole, one of the greatest of trios of baseball players known in the history of the game was forever broken. This trio was composed of Honus Wagner, Fred Clarke and Tommy Leach, the Big Three. It was formed 13 years ago, when in the season of 1899 Tommy Leach, a fast boy, was sent to play third base for the Louisville Colonels, which team was then on the National league circuit. For 13 years these great players hung together electrifying the baseball world, winning four pennants and one world's championship.

Probably no trio trio ever played together as did the mighty Wagner, Leach and Clarke, and the fast, brainy Leifeld. They played together in Louisville one year the National league circuit was cut down to eight clubs and Louisville was consolidated with Pittsburg and Cincinnati. Leach was made manager. In 1901, 1902 and 1903 Pittsburgh won the National league pennant. In 1908 Pittsburgh lost in the world's championship series to the Boston Americans, but Leach, winning three of the first four games. Clarke, at the head of the peerless trio, kept on, and in 1909 again won the pennant for Pittsburgh. Leach always world's championship. Leach always

Breaks a Cold, Needs No Help

Pape's Cold Compound Cures Cold and Grippe in a Few Hours.

It is a positive fact that a dose of Pape's Cold Compound, taken every two hours until three consecutive doses are taken, will end the Grippe and break up the most severe cold, either in the head, chest, back, stomach, limbs or any part of the body.

It promptly relieves the most miserable headache, dizziness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, mucous or catarrhal discharge, soreness stiffness and rheumatic twinges. Take this wonderful Compound as directed, with the knowledge that there is nothing else in the world, which will cure your cold or end Grippe misery as promptly and effectively as any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist can supply, except no substitute—contains no quinine. Beware of cheap imitations. Tastes nice—acts gently.

batted before Clarke and Clarke before Wagner, and many a pitcher went out of the game broken hearted through the hitting and base running of these three. Some idea of the heart-breaking pace led by these men can be had from the fact that 5,965 times they hit pitched balls, and that no more than 19,043 times. Of these 5,965 hits the total bases were 8,800, and 940 were two baggers, 486 three baggers and 155 times their clouts were good for home runs. How they ran bases can be told no better than the record of 1,159 steals shows.

Working for 30,000. The Federation of American Motorcyclists is gaining members by the day, and is hoping to have a membership of 30,000 next year.

The growth of the federation has been phenomenal, showing conclusively a great advance in public favor made recently by the motorcycle.

Today the F. A. M. has approximately 18,500 members. In 1910, it had 1,000 members. It has gained almost 14,000 members in two years. C. A. Valentine, its president, says that with almost 19,000 members now on its records, the F. A. M. is making a strong effort to increase the number to 30,000 by next July.

MOTORCYCLE NOTES. The Philippine Islands are said to have about 350 good motorcycling days in a year.

Motorcyclists of Inman, Kan., are organizing a club. They desire to affiliate with the F. A. M.

Brazil, Ind., is to have a motorcycle club of 25 charter members.

An economy race was recently run at Fairbury, Ill., in which one motorcyclist rode 40 miles on a quart of gasoline.

In order to save time in his tour of inspection of schools, School Commissioner Frank Robinson of Coldwater, Mich., has purchased a motorcycle.

Supplies—\$15. This, according to J. J. Reid of San Diego, Cal., is all it costs to ride a motorcycle for a day on which he traveled 3,500 miles.

Harold N. Hannold of Alfred, Me., recently made a tour to Ohio, a distance of 1,200 miles. He made the trip in five days and used only 17 gallons of gasoline.

One thousand miles in four days is the record made by A. J. Eddy, F. J. Parsh and G. E. Petrick, motorcyclists of Aberdeen, S. D., on a recent trip from their home to Minneapolis.

Dr. B. J. Patterson, president of the F. A. M., reports that in the recent Shortgrass Motorcycle club's run the riders averaged about 75 miles per gallon of gasoline for single machines, and 80 miles for twins.

H. P. Arrowood and L. J. Saunders are on their way from San Diego to New York on a tandem motorcycle. Saunders rode from New York to San Diego last spring on the same machine with which he is making the present trip.

Hugh A. Fargo and Harrison H. Crawford of Atlantic City, N. J., are on their way to San Francisco, traveling by motorcycle. It is not the desire of the young men to make any money for speed, they are simply traveling for pleasure.

R. L. Baker and F. Hartman of Pittsburg have just completed a 3,500 mile tandem trip on which they visited Erie, Buffalo, Toronto, Montreal and New York city. They say they made the entire trip without having any mechanical troubles with their machines.

Saved by His Wife. She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. Flint. "For a dreadful cough when I was so weak my friends all thought I had only a short time to live, and it completely cured me."

A quick cure for coughs and colds, it's the most reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50 cts. and \$1.00. Guaranteed by Lee & Osgood Co.

A Leg on the Track of the fast express means serious trouble ahead if not removed; so do not lose of appetite. It means lack of vitality, loss of strength and nerve weakness. If appetite fails, take Electric Bitters quickly to overcome the cause by toning up the stomach and curing the indigestion. Michael Hesseheimer of Lincoln, Neb., had been sick three years, but six bottles of Electric Bitters put him right on his feet again. They have helped thousands of others give pure blood, strong nerves, good digestion. Only 50 cents at Lee & Osgood Co.

A. MARSHAK 123 West Main St. Commencing this week I will have a new lot of all my new and second-hand goods for men and boys. Give us a call and get our prices. febl12u7h5
