ACADEMY TRIMS ALL-COLLEGIANS. McCormick's Eleven Unable to Score While N. F. A. Piles Up 21 Points—Ricketts Runs 50 Yards For Touchdown—Forward Pass Successful.

On a muddy field which made handling of the ball difficult and before a small crowd the Norwich Free Academy eleven won the final game of the season Saturday afternoon, defeating the All Collegians, captained by John McCormick, by the score of 21 to 0. The home team had little trouble in proving their superiority. In the final period the Academy boys carried the ball the length of the field for forward passes along and Swan shot the ball across the line to Robinson for a touchdown. Swan played the same brilliant game which has been his throughout the season.

First Quarter. There was no scoring in the first quarter, most of the time being spent in punting, with the hope of a very

but was tackled, giving the Academy two points. Score at the end of second quarter, Norwich Free Academy, 2; All Collegians, 0. Third Quarter. On a poor kickoff, Gallivan fell on the ball well up the field. Here some fine forward passes were worked until Ricketts made an unexpected appearance, grabbed the ball and made a clean get-away, running over half the length of the field for a touchdown. This kicked the goal. Score, Academy, 9; All Collegians, 0. Gallivan on the kickoff evidently remembered his days with the Academy team and tried to bring them along, for he dropped a clean catch, Coyl recovering the ball and carrying it to the All Collegians' 9 yard line. Swan on two tackle plays made the second touchdown. No goal kicked. Score, Academy, 15; All Collegians, 0. Time called.

Fourth Period. The All Collegians had possession of the ball on their 40 yard line. McIntyre was forced to kick. The kick went outside, giving the ball to Norwich about midfield. Here the Academy worked the best series of forward passes played on the campus this year. By passes alone they carried the ball to the All Collegians' 15 yard line when on a fake drop kick formation Swan shot a beautiful pass to Robinson for a goal. No goal kicked. Score, Academy, 21; All Collegians, 0. The game closed with the All Collegians in possession of the ball about midfield.

Line-up. Right End, Murray; Right Tackle, Chase; Right Guard, Chase; Left Guard, Chase; Center, Elias; Left Tackle, Silversweig; Left Guard, Silversweig; Left Tackle, Lathrop; Left End, Elliott; J. McNamara, Coyl; Quarterback, Robinson; Right Halfback, Robinson; Left Halfback, McCormick; Fullback, McCormick; E. Loudon, Ricketts; Hanley, Swan.

NAVY, 6; ARMY, 0. "Babe" Brown Scores Two Goals from Field—Sensational Punting by Leonard.

Philadelphia, Pa., Dec. 1.—Rallying their forces together with a superb fighting spirit the Navy football team improved steadily as the moments waned Saturday afternoon on Franklin field, and in the final period of a gallant gridiron tussle against the ancient rivals of the Army the midshipmen triumphed for the third year in succession. In the two preceding contests it was by the margin of a single goal from field that victory was born to the navy and gold and silver banners of the "service." This time there were two, each of them kicked in the final minutes of the game when the Navy won in 1910 and 1911. So instead of the meagre little 3 to 0 score of those two occasions the naval brigade is pointing with pride to just double that.

It was "Babe" Brown, the right guard of the midshipmen, who boomed the chief honors of the struggle for it was his accurate toe which whipped the leather between the uprights when it looked as if there would be no other chance for the navy. "Babe" they call him down at Annapolis, but at West Point they will probably have another name for him henceforth. When they carried him off the field amid the tumult which kept ever driving the army battalion back toward its own battlements, and the chief honor of the day was the result of one of these punts taking so crazy a swirl that it touched an Army back and then rolled past him, to be recovered by a "middle." Many a timid giggle the game little sailor boot the leather 60 yards, and where the soldiers had expected to have a big advantage in the kicking of Hobbs and Kayes they were badly beaten on the exchanges. Had it not been for Leonard's wonderful punting the midshipmen might well have been beaten, and by no very close score either.

PITTSBURGH HEADS LEAGUE IN FIELDING HONORS. Giants Down in Seventh Place—Wagner Leads all Shortstops.

New York, Dec. 1.—Pittsburgh which finished second in the National league race last season, led the league in fielding by the considerable margin of nine points, while the pennant-winning Giants were seventh. FINANCIAL AND COMMERCIAL. A DULL MARKET. Sales Were Small but News of Saturday Was Encouraging.

New York, Dec. 1.—A dull market, totalling 108,100 shares, marked the closing of the week in yesterday's dealings on the New York stock exchange. There was a firmness in the market's tone which was encouraging to the traders who have been ambitious for higher prices, but over-hanging commitments was the high call money rate established on Friday. The chief element of strength yesterday was found in the railroad shares, which recorded good gains for the day. Some of the specials were exceptionally strong, particularly the Tobacco stocks, one of which, Lorillard, made a gain of seven points on transactions involving 200 shares.

Foreign trading offered some encouragement, as the London market, while dull, was more cheerful, and the money situation was reported to be easy. The general news of the day at home was decidedly encouraging. The Pennsylvania and the Reading railroad reports were exceptionally good, Reading's returns exceeding the expectations of Wall street. The bank statements, can hardly be accepted as indicative of trend so long as copper is so dear and the demand for money is so incessant as for the actual state of developing trade and industry. The discussion yesterday among the commission houses and the brokers reflected that the market was in a solid condition and that the industrial interests would endeavor to sustain prices until the atmosphere shall be cleared and money shall assume a considerably easier tone.

Cottolene for Digestible Muffins

Muffins can never be their best if made from lard and soaked with grease. Cottolene muffins are light, dry and crisp, because Cottolene heats to a higher temperature than butter or lard, without burning, and in cooking forms a crust which shuts out the fat.

Cottolene cooked food is always digestible. Cottolene is much more economical than butter or lard.

TRY THIS RECIPE FOR MUFFINS. 1 1/2 tablespoons melted Cottolene, 1 1/2 cups milk, 1 tablespoon sugar, 3 cups sifted flour, 1 scant teaspoon salt, 1 egg, 3 teaspoons baking powder. Sift baking powder and flour together, add the Cottolene, sugar, egg and milk (use more or less milk according to flour).
