ANNOUNCEMENTS

BREED THEATER.

Monte Cristo, in Three Reels of Marvellous Motion Pictures.

The popular old Breed held one of the largest audiences in its history last night, and the popular opinion was that the production of Monte Cristo was also the largest thing ever attempted in the motion picture world. It is presented in three big reels, and was produced by the great company that produced the Coming of Columbus, which it was the pleasure of the management of the Breed to present to its patrons some time ago.
It is the message of a great romance visualized, and tells of the strange, tragic and fascinating adventures of a fictional creation (Edmund Dantes), who is entrusted with the delivery of a message to the great Napoleon, who is exiled on the island of Elba. It is the big vital story that has engaged and absorbed the attention of readers and for many years has held triumphantly in the realistic world of the theater. Strangely enough, it had escaped the searching eyes of the picture producers until the Selig company saw the possibilities of it, and decided to make a great moving picture of it, through the cunning of the pictorial art preservative.
Love, hate, intrigue and deep revenge are interwoven in this great story, and this, coupled with the fact that this production cost over \$20,000, give it a precedence that is to be envied. A faultless cast presents it in its entirety, and the magnificence of the settings and costumes is only equalled by the gorgeousness of the scenic backgrounds especially in the declamatory scenes of The World is Mine. This picture will remain for today and this evening only, being shown at 2:30, 7 and 9:15 p. m.

AUDITORIUM OFFERS ANOTHER STRONG BILL.

The management of the Auditorium have taken special pains with the show for the last half of this week, because the show for Monday was especially good, and it is necessary for the show today to be of the same high quality. The headline act is one presented by Tom Higgins & Co., who have a playlet that is one long, long laugh. Mr. Higgins is an Irish comedian of the better class, and in his laughable act, Casey's New Job, he does not have to depend on red whiskers or a hideous face make-up to get his laughs, but earns them in a way that denotes the finished artist. There are four people in the act, all of them accomplished farceurs, and selected for their ability in comedy parts.
The Gaumont Weekly today, No. 38, shows among many other interesting views the only moving pictures in existence of Schepps, the informer, who was a prominent figure in the notorious Rosenthal murder case. Thanousser and Reliance films complete the bill, which is universally good.
AT THE DAVIS.
A great show is promised for today, tomorrow and Saturday, headed by Rosine the Mysterious, the man who is almost sure to have all Norwich guessing. The other acts are four people more than likely to be a welcome feature on the bill. First class singing, with just a bit of comedy, always does go with the Davis crowds. The single act which completes the usual three acts of vaudeville is the Joe Daniels, comedian and mimic. The feature picture will be On The Piping Line, a full 1,000 feet of scenes in the Italian-Turkish war.

If Tortured and Crippled With Rheumatism TRY URIC-O FREE

If you think you can go around forever with rheumatism, or a neuralgic pain there, cheating Fate, you're wrong. Rheumatic-acid poison gradually steals into the system, first weakening one organ, then another, it weakens the kidneys and prevents them from properly performing their duty. It paralyzes the nerves affecting the brain, and usually stands ready to grip tightly the muscles that control the heart, which course would mean sure and sudden death.
There is but one safe way to cure rheumatism and that is by the use of Uric-O, the remedy that is made and designed to cure rheumatism only. If you're in trouble is Sclerotic or subacute Rheumatism, Uric-O will cure you. Even if it's Neuritis, or the most desperate form of uric-acid poisoning, Uric-O, if used, will bring about almost instant relief, and the best of all it is perfectly harmless. Its action is upon the blood, bladder and kidneys cannot possibly fail.
The original recipe from which Uric-O is made, became famous in New England years ago, having been used and prescribed by a noted physician who made a study of Rheumatism, its cause and cure, and who always made claim that no form of Rheumatism could be cured unless this remedy was used.
Let us urge you to try Uric-O, and free yourself from one of the most insidious twisting pains. The 12 bottles of Uric-O are sold by all druggists or sent direct, express prepaid. Liberal sample sent free. Almost enough to last a week, will be given free or will apply 10 cents in stamps or coin sent to cover mailing expenses. Write your name plainly and address the Uric-O Company, Dept. B-3, Water St., Binghamton, N. Y.

Have Lo-o-r in Your Cheeks —Be Better Looking— Try Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—metals poor—a bad taste in your mouth—a lazy, no-go feeling—you should take Olive Tablets.
Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with the bowels.
These Olive Tablets all the bowels—yet have no oily taste. They are a reliable compound mixed with olive oil.
If you want a clear pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause. Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually. The name is "Olive." "Every little Olive" Tablet has a movement all its own. Take one or two nightly and note the pleasing results.

POETRY

WITHERED ROSE LEAVES.
Far down the vista of long years
There glows a golden day,
A day of dreams unknown to tears,
A day when hopes outweighed the fears,
For it is his young Love's day.

'Twas on that day Love gave a rose,
A rose perfect true,
Whose velvet leaves began to close,
And now all withered, only those
Remain to me, say you?

O withered leaves of subtle power,
What mem'ries cling to these!
Still breathe the fragrance of that
flower,
Still lives the charm of young Love's
To all Eternity,
—Alice Adelle Toiger, in the Boston Transcript.

THE NUN.

A nun, I walk the cloistered way,
With look demure and eyes bent low,
I told my hands—my dreams thy far—
God pardon me that this is so.

Yet once within my father's court,
Gay courtiers praised me, many a one
They kissed my hand, they named me
fair—
Yet then I wished I were a nun,
—Dorothy Lawrence Mann, in the Boston Transcript.

ZEUS GOES A-HIDING.

Ho, Hermes! Catch my winged steed
And bring him on the green,
Vulcan! Adjust his steering gear,
Pluto! Get gear! Or else something to eat,
Please see his wings, Minerva, deem,
Are in alignment straight;
For now I use my monoplane,
Pegasus up to date.
—Judge's Library.
