INDICATIONS THAT HE WILL ACCEPT CALL.
Rev. P. C. Wright Back from Conference With Philadelphia Church.

Rev. P. C. Wright conducted the prayer meeting at the Central Baptist church on Thursday evening, having returned from Philadelphia, where he spent Wednesday in conference with the officers of Gettysburg Baptist church, which recently given him a call to its pastorate. Owing to the heavy rainstorm the prayer meeting did not have a large attendance, about 35 being present. The meeting took much the form of a conference over the call to Philadelphia, in which the

pastor spoke freely of his attitude towards the call, indicating in all that he said that he was giving it most favorable consideration and giving the general impression that his decision would be to accept it.

No acceptance of the call, however, has yet been given either here or in Philadelphia, in spite of the report that has appeared in a Philadelphia paper that he had already accepted the call. Rev. Mr. Wright had told the church here before he left for the conference that he should not give any decision there and he was emphatic in his assertion Thursday night that none had yet been given, notwithstanding any contrary report.

One member of the church at the prayer meeting on Thursday evening voiced what he said he believed was the attitude of the church membership toward the call that has come to the pastor. He said that while it was his heartfelt wish that the pastor might stay here, he believed that if it seemed to be the Lord's will that he should be called to a larger service, he is expected to accept it. Mr. Wright will formally announce his decision at the church service Sunday morning.

They were assisted by a number of young girls at the tables.

The meeting was conducted by Rev. Samuel H. Howe, D. D.

Church Membership of 372.
The first report given was that of the clerk of the church, James Dana Colt, who gave the present church membership as 372. Rev. Dr. Howe spoke of the fellowship in the world, body of Christians in these distant times which numbered thousands of them in America, half a million in England, South Africa, Australia and elsewhere, which in the spirit of Christian unity which is the basis of the world's peace, promises finally to merge all denominations in one common organization.

In the absence of Miss Cogswell, Miss Sarah H. Brown, of the interior committee and reports were read for the Hospital and Flower committees. Mrs. Frank W. Browning told of the church library.

Election of Officers.
Officers for the year were then elected. Dr. Anthony Peck and Frank W. Browning, whose term of office had expired were re-elected deacons. An suit is John Donovan of Norwich, and the defendant is Joseph D. Harris, also of Norwich.

The suit is for \$5,000. Donovan claims that Harris on Saturday last, in the presence and hearing of Joseph Monahan and Frank Brewster, said to Donovan: "I understand that you will have published in the Waterbury Herald a story concerning certain people in Norwich."

The papers in the suit then contain a copy of a story which appeared with the heading "Norwich Woman Subject of a Scandalous Charge."
