MI-O-NA A SPECIFIC FOR STOMACH ILLS

Many people treat their house, dogs and other things in which they are interested with more thoughtfulness than their stomachs.

We take precautions against fire and other damage to property, but what care or thought do we give our bodies? Almost none! Somehow we have an idea that our mortal frame will stand any abuse heaped upon it, so we go on fermenting it until it becomes defiant and rebels.

A little fire bell in the system always rings to sound the warning. We have an ache, pain, a bad taste in the mouth, or something out of the ordinary. What is the cause? Just this—been eating too much, too fast, or something that the overloaded and tired digestive organs refuse to handle in the natural way.

Be prepared for these warnings. MI-o-na Tablets are a specific for stomach ills. Get a box today—always keep them in the house—carry them when traveling—take them at the first warning of stomach distress.

Remember—if not benefited MI-o-na costs nothing—always sold on money back plan at The Lee & Osgood Co. and drugists everywhere. 50c a large box.

MISS EMERSON SINGS JOHN BROWN'S BODY.

Released Suffragette Tells of Her Eccentricities in Jail.

London, April 7.—Mrs. Alice Clark, a suffragette who has just been released from Holloway jail, has informed Miss Scott-Troy of San Francisco that Miss Zelle Emerson appears to be in a dazed condition and sings "John Brown's Body" all day.

Mrs. Clark also says that Miss Emerson insulted a visiting magistrate. He had asked her to sing "John Brown's Body" and Miss Emerson replied: "You are dirtier."

As she was being dragged away to another part of the prison, where her cries could not be heard, Miss Emerson shouted: "You dare not torture me. My government won't let you!"

Miss Emerson is to be released from Holloway jail on April 9. Her mother, Mrs. H. H. Emerson, of Jackson, Mich., has ceased the agitation which she, Miss Scott-Troy and others have been carrying on in behalf of the imprisonment of women. Miss Scott-Troy, however, is continuing her efforts as a matter of principle.
