Have You "The Ad-Reading Habit"? The dissemination of news in the news columns of the daily press is a tribute to the age in which we live. The day's happenings and current events are recorded with lightning rapidity and remarkable accuracy, considering the adverse circumstances under which the news gatherer is obliged to operate at times. But the advertising news of the day is not getting the attention it deserves. It is the prime purpose of this newspaper, as of other first-class papers, to serve its readers with all the news, we feel that you are not getting your money's worth if you neglect the many interesting, helpful, and practical suggestions in the advertising columns. If you have not formed the ad-reading habit begin today. You have been overlooking to your loss one of the most profitable features of THE BULLETIN.

FEDERAL TAXES DUE JULY 1. Warning Has Been Issued from Internal Revenue Office. Notice regarding the federal taxes due on July 1, 1913, has been issued from the internal revenue office. The notice is a warning to payers of special taxes, such as the dealers in liquors and in oleomargarine. In the district of Connecticut for the year ending Dec. 31, 1912, 6,285 corporations filed their annual return of net income. Of this number there were 26 who failed to file their return in the time required by law. A comparison of the returns for 1912 with those for 1911 shows a marked improvement. In the year 1910 there were 415 delinquents, in 1911, 42, in 1912, 52. Twenty-four of the delinquents for the year 1912 were corporations, and 18 were individuals. The amount of assessed taxes due from corporations on annual net income for the year 1912 is \$88,475.87, and all taxes are payable on or before June 30, 1913. Special taxes covering the business of retail and wholesale liquor dealers, retail and wholesale meat dealers, drug stores, brewers, rectifiers, dealers in oleomargarine, for the year beginning July 1, 1913, are due and payable on or before June 30. To conform to the law all special taxpayers must procure their stamps prior to July 1 to be posted in their place of business. INVITES NORWICH CITIZENS TO RAISE \$50,000

On Plan for Reorganization of Thames Loan and Trust Company—Board of Trade Committee Will Work. According to letters exchanged on Saturday between President Harold Lawton of the Thames Loan and Trust company and James C. Macpherson of the Norwich Board of Trade, the citizens of Norwich have until Friday of this week to raise the sum of \$50,000 to add to \$75,000 which Mr. Lawton can secure from outside parties to be used in a plan proposed by him for reorganizing the Thames Loan and Trust company. The letters are as follows: Plainfield, Conn., June 20, 1913. J. C. Macpherson, President Norwich Board of Trade. Dear Sir: Regarding the reorganization of the Thames Loan and Trust company, I beg to advise that if the people of Norwich can see their way to raise before Friday at 10 o'clock \$50,000, I am assured of \$75,000 from outside parties who are willing to come in and assist in the reorganization of the Thames Loan and Trust company. In order that the new interest and new money come in (this also includes the people of Norwich) this money must be conserved in manner and form about as follows: 1. We must have the assurance of the court and the bank commissioners of the state of Connecticut that the present charter must be saved to the new interests. 2. That in order to facilitate and hasten the ability to pay out funds as rapidly as possible to the creditors and safely conserve the new capital, the restraining order must be in manner and form as follows: (a) From time to time the money as it accumulates can be paid out by permission of the court and the bank commissioners endorsed on the back of certificates which will be given to the depositors and the surrendering of their books at the banking house. 3. It must be understood that the present stockholders will retain their stock as long as they wish, but the understanding that after the depositors have been satisfied and paid, any remaining balance of the stock to the old stockholders pro rata to their holdings, less the expense which would be a proper charge for the administering of the affairs of the old depositors and stockholders. This of course, subject to complying with the statutes pertaining to the winding up of savings institutions that come within the jurisdiction of the bank commissioners of the state of Connecticut. If this plan can be carried out, there is no question but what a large saving of money would accrue to the benefit of the present depositors and stockholders, over any plan of receivership. In my opinion, the saving would be the saving of not less than \$50,000. Trusting that you will be able to raise the amount mentioned, and that you will have individual subscription papers properly signed and witnessed before the court when it meets Friday next, I remain, Yours very truly, H. LAWTON.

GRADUATING CLASS AT VESPER SERVICE. Thirty-one Pupils of St. Patrick's School Received Their Diplomas. A class of 31 graduates of St. Patrick's parochial school received their diplomas at the service in St. Patrick's church at 7.30 Sunday evening. The exercises by the young people, which have previously made up the graduation day programme were omitted this year, and the evening was given over to a vesper service, a sermon by the Rev. E. M. Hayes of Jewett City. The members of the graduating class were: Misses: Margaret M. Madden, Elizabeth Cecilia McVeigh, Walter Henry Kilroy, Anna Teresa McCarthy, Ida Elizabeth Simcox, Elizabeth Coleman, Rose Hourigan, Helena Mary O'Neil, William Henry Disco, William Joseph Leahy, Elizabeth Holland, Jane Agnes O'Connell. Rev. Father Hayes declared there can be no education unless the Creator is left out of the reckoning, where there is no religion. Christ's role was that of the greatest teacher of the ages. He made the human mind a quest for knowledge in being brought close to our Lord and Saviour, Jesus Christ, and in the study of his life and more the gentle Saviour, for on the knowledge of Him, here and beyond, depends your value and your happiness. Upright and useful living is the fruit of attainment with a knowledge of Christ.
