Plow Right Ahead

Don't stop until you've got to the package of LIBERTY. Then you can turn out a good day's work as slick as slippery elm. Keep LIBERTY in your hip pocket, ready for a sweet, juicy chew, or a cool, rich smoke.

Use it from sun-up till supper's settled; you'll appreciate what a wonderful, old honest tobacco LIBERTY is—just the pure Kentucky leaf, aged from three to five years so as to bring out all its natural richness, sweetness and mellowness.

LIBERTY Long Cut Tobacco

is the ideal tobacco for vigorous men, because especially designed to please the robust, sturdy fellows who want a natural tobacco with "body" enough to it to satisfy real tobacco-hunger.

LIBERTY is a man's size tobacco—not a "flat," insipid mixture. It has plenty of snap and taste, and is as satisfying as a square meal.

Give LIBERTY a week's trial as general, all-round helper. The longer you smoke and chew LIBERTY the better you'll like it. You'll end up by keeping LIBERTY on the job all year 'round.
