WILLIMANTIC

What is Going On Tonight.

Natchaug Lodge, No. 22, K. of P., in Jordan Block. Special Meeting of Board of Aldermen.

Willimantic Duckpin League Bowling. AUTOMOBILE RAN AWAY.

Car Owned by Harry Silverman Struck Alderman Caisse's Wagon—Driver Thrown Out When Horse Started.

An auto belonging to Harry Silverman, who conducts the Bazaar on Main street, exhibited some of the propensities of the animal which the machine has displaced Saturday noon, and as a result Alderman Alexis Caisse of Chestnut street will be confined to his home for several days, at least.

Under the rear wheels to keep it from starting down hill. When he was ready to leave he removed the stones, but the car wouldn't wait for him to get in, and started off on its own account, with Mr. Silverman after it.

Just at that time Mr. Caisse, who was driving to his home, turned off Chestnut street, ahead of the runaway machine, which he did not hear approaching, as it made little or no noise.

The car struck the rear of Mr. Caisse's wagon, starting his horse off at a rapid gait, and causing Mr. Caisse to lose his hold on the reins. At the bottom of the hill the horse made a quick turn into Spring street, and threw the alderman out of his wagon, rendering him unconscious for a few moments.

He was taken into the house of Charles A. Abbott and upon recovering consciousness was taken to his home by Messrs. Abbott and Charles H. Baker. Dr. Owen O'Neill was called and found a number of bruises and cuts on his patient, although it will be a day or so before it is known whether or not Mr. Caisse has sustained any internal injuries.

The auto swerved after the collision and ran into a tree across the street from Mr. Caisse's house, somewhat damaging the front of the car.

Home After Four Years.

Octave Callorette, well known on the vaudeville stage as a slack wire artist, spent Sunday at his home in Willimantic. This is the first time he has visited the city for four years, during which he has covered most of the circuits throughout the country.

Reports were received from the building committee and the committee on incorporation of the Moose home club, which will take title to the Tracy property, it is probable, by June 1st. Invitations to attend the installation of a lodge in Norwich Saturday, May 9,

and the big Hartford celebration of May 24 were accepted, and the following officers were installed by Past Dictator Frank P. Fenton: Dictator, James E. Twomey; vice dictator, Dr. W. P. S. Keating; prelate, Michael Driscoll; secretary, A. N. Gilman; treasurer, Joseph Cardinal; inner guard, Joseph Bishop; outer guard, M. Gilman; trustees, Pierre Lamoureux, William R. Frialie, W. N. Bourneux.

ARRESTED IN NORWICH. John Novick, in the Habit of Appropriating Things, Has Carried Off Lead, Brass and Copper.

About 10 o'clock at night on the 21st of this month, as Officer Enander was going to his beat, he saw a man on Bridge street with a bag over his shoulder and called to him. The man dropped the bag and ran, disappearing from view.

The bag contained lead pipe which upon subsequent inquiry was found to have been taken from the new high school building. The train of inquiry started by this event ended Sunday in a journey by Chief E. H. Richmond to Norwich and his return to this city with a prisoner named John Novick.

The police worked up the slender clue to evidence and claim to have discovered that Novick, who was employed on the building, had committed a series of thefts ranging from Feb. 7 to April 21, when he left work, and was seen no more in these parts.

His plunder was disposed of to the local representative of the Max Gordon & Son corporation under the name of John Ostrowsky, a fellow workman, and consisted of about 600 pounds of lead, 400 pounds of brass, 100 pounds of copper, aggregating \$40 or \$50 in value.

Some of it belonged to Moriarty & Rafferty and some to the Willimantic school. Chief Galloway, who is in charge of the boys, said he thought the boys were using a great deal of lead on the high school job, and had told them so.

Novick is about 45 years of age and has been under arrest several times in Norwich, said Chief Richmond, on various charges. His trial will come before the court this morning.

Working Site for New Building. Preparing has begun on the Moulton tract, recently purchased by the Willimantic Development company, upon which to erect a building for the use of the S. C. S. Box and Printing company. The new building should be completed in about two months, it is figured. The location, adjacent to the Great Haven railroad tracks, will prove a new convenience in shipping.

Every-Member-Canvass a Success. About fifty of the men of the Congregational church visited the home of Mrs. Elizabeth Swain, Tuesday evening, going about in pairs to a systematic every-member-canvass to raise the amount of \$5,500, the estimated sum for the year just begun. One of the men reported in the evening and it was found that over \$5,400 had been raised with many returns yet to be made, while members are urged to home all undecided to amount. This is a fine showing and seems to indicate the new canvass is being carried on the church's finances, as he has done in practically every place that has been tried.

Heard About Town. There was no session of the police court Saturday morning.

Frank Lathrop of Norwich Town was the guest of Clark W. Burnham over Sunday.

H. H. Davenport of the state highway department was a Willimantic visitor Saturday.

OBITUARY.

Michael Aylward. After only a few days' illness, Michael Aylward died at his home on Maple street Sunday morning at 9.10. Hope for his recovery had been practically abandoned since Saturday, when his condition grew extremely grave. While he had been confined to his home only since directly after Easter Sunday, he had been in poor health for several months and passed through a severe illness during the past winter. His ultimate recovery was anticipated by some, but the sudden death came as a great shock to his many relatives and friends.

Mrs. Aylward was born in Putnam 45 years ago, the son of Selectman John and the late Mrs. (Johanna) Aylward. All his life had been spent in towns in this section of the county, the greater part of it in Elmville, from which place he came to Danielson about seven years ago.

In his death an unusually large circle of friends feel they have sustained a personal loss. Mr. Aylward was a man of tender heart, cheerful in disposition, loving and kind. In him the sorrowful found a comforter, the needy friend, and the lonely was always directed to the bright views of life and drawing therefrom the solace to soothe their broken hearts. His happy last days were a blessing to all who directed to the bright views of life and drawing therefrom the solace to soothe their broken hearts.
