MEET AT NIAGARA FALLS

To Receive Representatives of Parties to Controversy May 18 on Canadian Soil

FEDERAL FORCES ARE BETWEEN TWO FIRES

Are Watching Movements of American Troops at Vera Cruz and are Harassed by Rebel Force Operating in Northwestern Section of Mexico—Envoys in Note to Carranza Give Him Another Chance to Enter Negotiations.

Washington, May 5.—Developments in the Mexican situation today were divided between the diplomatic and the military status. The South American mediators continued their sessions throughout the day and for the first time it became authoritatively known from them that they considered the whole range of Mexican affairs as properly embracing in their work.

At the war department it became clear that the status quo at Vera Cruz would be maintained, with no advance of the American forces unless to repel attacks. But it was known that a definite course of action had been outlined in the event of a resumption of hostilities at Vera Cruz and the extension of the campaign toward Mexico City.

Views of Foreign Diplomats. Outside of the mediators some of the foreign diplomats took the view that the elimination of Carranza and the limitations of negotiations to amend for advances to American soldiers and marines at Tampico and Vera Cruz would be a step in advance. They pointed out that President Wilson and Secretary Bryan had insisted that Carranza should not be allowed to return to Mexico City.

Text of Note to Carranza. Their note to Carranza follows: "We have received your telegram in which you are considering the fact that you deem it inconvenient for the constitutional cause to suspend hostilities against Carranza."

On Board Steamer Franconia, via Sable Island, May 5.—Thirteen survivors of the British steamer Columbia, bound from Antwerp for New York, which caught fire at sea Sunday night, were picked up today by the Cunard liner Franconia, bound from Liverpool for Boston.

General Villa refused absolutely to ally himself or his men with the federal forces of the United States.

General Maas' letter to Villa announced that in addition to occupying Vera Cruz, the port of Salinas Cruz had been seized by the United States forces on April 23.

"In answer to your letter of April 23, in which, in accordance with your wish, you invite me to march with you against the foreign invaders of our country, I would say that I understand your actions fully and also the present diabolical machinations of the United States."

"I know to posterity an explanation of my conduct and the reasons therefor."

"The various processes, have up to this time sought to bring about North American intervention in Mexico. It is known to all that the United States and the Americans was desired and provoked by you."
