GRAND CIRCUIT RACES. Six Heats Failed to Decide Merchants' and Miners' Stake.

Detroit, Mich., July 29.—Six heats, four of the desperately fought, failed to decide the Merchants' and Miners' stake on today's grand circuit program and the race went over to tomorrow, when three heat winners will go to finish. When darkness ended the struggle, two horses had won two heats each, and at the end, Linda Wrona led to the half in the third heat, when Peter Scott rushed in to a six lengths lead. McCloskey and King Clansman came strong in the stretch but could not quite reach.

Only heat winners were eligible to start the fifth mile, but through an oversight of the judges, McCloskey was permitted to go away with Peter Scott, Lassie McGregor and Linda Wrona. Lassie McGregor took this and rather than the evidence of the Donald drove McCloskey from the rear and captured the sixth heat, Cox objected. After a long discussion the protest was sustained and McCloskey's starters were placed as they finished behind McCloskey.

This gave Peter Scott the heat which Linda Wrona and Lassie McGregor third. The race was then postponed. The record for the stakes, which began on the 21st, was for a 2:24 class horse, was broken by Lindsey Wrona in the second heat, when he did the mile in 2:56 1/2. The previous mark, 2:56 1/2, was made by Sonoma Girl in 1907.

Toby K. won three of the four heats in the 2:12 pace, but in the fifth heat, Whipping Finches featured the 2:10 pace which Peter Stevens won in straight heats. "Pop" Gibson won his first race of the meet when he sent Barney Gibbs out in front all the way in each of the three heats in the 2:34 trot.

Pell and Behr Won Two Points. Boston, July 29.—Finals in the Longwood singles and the eastern doubles championship tournament today brought out the best of the week, Maurice E. McLoughlin of San Francisco and T. R. Pell and Karl Behr of New York figuring as the winners of the best of three, respectively. R. Lindsey Murray drove McLoughlin to the top of his game and although the national champion won in straight sets, 3-2, 3-2, 7-7, the young player was twice within a point of capturing the third set.

Pell and Behr also scored a three-set victory over the former national champions, H. H. Hackett and F. B. Alexander, due to Behr's brilliancy in the first set and Pell's steadiness in the other two, the scores being 6-2, 6-4, 7-5. McLoughlin Defeated Johnston. Boston, July 29.—The custody of the fifth Longwood best of three, tennis singles trophy, was regained today by Maurice E. McLoughlin of San Francisco after a brief and somewhat uninteresting match with the former William M. Johnston, also of San Francisco. McLoughlin needs another victory to obtain permanent possession of the cup. He won two legs two weeks ago, but defaulted last year to Johnston.

The championship game between the All Stars and the Sachems is booked for this Sunday at the Falls and one of the most interesting games ever seen in this vicinity is sure to be played as both teams are old rivals, though friendly. More interest is involved in this series, German, and the city realize and will be at its zenith Sunday when Luke Riley gives the official word to play ball.

It is rumored that several managers of teams in the eastern part of the state have cancelled their games on Sunday so that their players may have a good rest to baseball. Both teams will put on the field the best teams that they can scrape up and will do their utmost power to capture the title and the stakes.

Manager Hughes of the All Stars when seen last night said that he had decided to place his rep and stakes on Chas. Croker, the former N. F. A. pitcher; last season the mainstay in the box for the Catholic University of Washington with the following line-up: Murphy, catch; Croker, pitcher; Young, first base; Houlihan, second base; Stanley, third base; Murray, short stop; Frank, left field; Croker, center field; McManus, right field. Manager McBurney is more confident than ever before of winning the series and has not yet selected his champion for the box but he has several under consideration; but it was rumored Wednesday night that Gaudette who put the Indian sign on the Stars in the thirteen inning game recently has been engaged. Gaudette is on the roster in the Colonials league and assumes the outer guard when his teapole is not working.

Manager McBurney thinks that he probably will use the following line-up: Anderson, catch; (pitcher undecided) Ensminger, first base; Casey, second base; McBurney, third base; Kane, short stop; Austin, left field; Austin, center field; Taylor, right field. At the recent games the crowds have been large but the gate receipts were surprisingly small for such good games. The public wants baseball, but they won't come across with the stuff they want the game going. These two teams are striving hard to give the fans a Sunday recreation they need their support not only morally, but financially.

HALPIN TO MANAGE OLYMPIC TEAM Re-elected for Fifth Time—Accommodations for American Team are Already Being Secured. In preparation for the Olympic games in Berlin, Germany, in 1916, the executive committee of the American Olympic committee met Monday at the New York Athletic club and the first action taken was the re-election of Matthew P. Halpin, of the local club, as manager of the American athletic team for the fifth time. James E. Sullivan, one of the American representatives who attended the recent international meetings at Paris and Lyons, France, said the German committee suggested that the American team be secured in hotels and houses nearer the stadium. Fifteen hundred accommodations for the team are being secured in hotels and houses nearer the stadium. Major's Are Signing Up Their Stars With Iron-clad Contracts. The Federal league's raid on the stars of the minor leagues threatened several months ago by the union promoters is already under way and a general war will soon be in order. The major league stars are being signed in the early part of the season, the class A leagues are still suffering and the little fellows will soon be getting the wallop in staggering fashion. The majors showed how much they regard the Federals by signing up all their stars to iron-clad contracts without the ten day clause. In this way they protect themselves against losing their star players. In the minor leagues, where players are being signed, and traded almost every day in the battle for a winning team, and better receipts at the gate, there can be no such thing as an iron-clad contract without the ten day clause. It would spell bankruptcy in a very short time. The system could possibly be worked in regard to some players in Class AA leagues, but not in the leagues from Class B down. On the other hand, it would redress in the courts if a player leaves a minor league club, as all are working with a release clause in their contracts.

MARKET HELD STABLE. New York Refused to Be Drawn Into General Paralysis. New York, July 29.—The local stock market, which is the only market of importance at home, refused to preserve its stability today, though at times, especially in the initial trading, a constant purchase and sale of the semi-paralysis manifested by London and Berlin. Latest developments in the Serbia situation, caused by the withdrawal from all active operations, while other European exchanges, including Frankfurt and Hamburg, deemed it expedient to practically withdraw from all active operations, while other European exchanges, including Frankfurt and Hamburg, deemed it expedient to practically withdraw from all active operations.
