**SPIRITUALIST SOCIETY**  
New Owner of the Scenic Temple—Plans for Sunday's Services.

Hereafter the meetings of the First Spiritualist society will be held in the Scenic Temple, which has been repaired and decorated recently, and in which new opera chairs have been installed. The building is owned by the society, and leased to the Scenic Temple.  
The first service under the new arrangement will be held Sunday, October 11, at 11 a. m. Evening service will be held at 7:30 o'clock.  
At the morning service Miss Annie H. Tingley will give a short account of the organization of the society, and in the evening Trustee D. A. Lyman will present a resume of the work of the past seven years. The principal speaker at the services will be Mary S. Vanderbilt, well known and a frequent visitor to this city. C. Howard Miller will render solos at each service.

**Three Runaways Taken Back.**  
The three young lads from Monson, Mass., who gave themselves up to the police Tuesday night, as told in yesterday's Bulletin, after running away from that city and for twenty-four hours subsisting chiefly on apples, were taken back by C. A. Merrill, agent of trustees of the Massachusetts Training school of Westboro, who came to town for them Wednesday afternoon.  
He said the boys had been committed to the school, and later let out to good families in Monson on probation. Two of the boys did not like it because they were not let out of school on one of their holidays, they being Hebrews, so ran away, inducing the third to accompany them.

**175 Authorized to Hunt.**  
Today the woods will be full, if the weather is reasonable, for the hunting season opens, and if possible all the local sportsmen will try their luck. About one hundred and seventy-five have taken out hunting licenses so far this fall, and the number will undoubtedly increase materially within the next few weeks.  
Precautions are necessary on the part of all who are in the woods at this season, as the country is as dry as it has been for a number of years. The slightest spark is bound to start a fire which may prove very hard to control.

**Frank Phillips' Car Burned.**  
First Selectman Frank Phillips of Hampton lost his touring car Tuesday afternoon by fire. Mr. Phillips had been directing a force of men at work on one of his woodlots and when he went to crank his machine it backfired and caught fire in some way. The five men who were in the neighborhood did their best to save the car, which was ablaze in a minute. There was no water nearby and their efforts to check the fire came to naught. The automobile was a total loss, but was covered by insurance.

**Probate Convention Called.**  
The republican convention to nominate the party's candidate for judge of probate in this district, which includes Windham and Scotland, has been called to meet at the Windham Inn Monday night, October 12. No Julia, became the bride of Malcolm Sidney Brainerd. Only near relatives and intimate friends were present at the ceremony, performed by Rev. George Christie, the double ring service being used.

**Foliage Too Dense for Coon Hunting.**  
H. H. Spaulding, Arthur T. Kelley and Jack Nichols of this city tried their luck Tuesday night at coon hunting in Ashford, but met with no success. They tried one coon during the lengthy hunt, but owing to the dense foliage howling aides could get no opportunity for an effective shot at the animal.

**WANTS A RECOUNT.**  
Alcott D. Sayles Not Satisfied with Election Day Count.  
Alcott D. Sayles, democratic candidate, who fell just two votes short of A. P. Burns, declared elected as a progressive, in Monday's voting for places on the board of selectmen in the Killingly, will ask for a recount, he made known Wednesday. First steps in the securing of the recount, which the mayor has agreed to take, will be taken today. In the official returns Mr. Burns is credited with 332 votes, Mr. Sayles with 330. There was so much splitting of tickets in Monday's balloting that more than eight hours were required to count the votes and arrive at the final result. Taking this into consideration and the checking in of the vote, Mr. Sayles, who was a member of the board of selectmen for 14 years, has decided to ask that the privilege of a recount be given him.

**FUNERAL.**

Hoyle repair shop in Center street, where it was damaged and side of the building and tearing a fender off the car.  
Lewis A. Bradford, son of the owner of the building, and proprietor of a store in it, jumped into the automobile and took the key away. **WRITES FROM FRANCE.**  
Rev. Victor Faure, Who Has Joined the Colors, Tells of Amazing Reserve Forces.  
A letter received here from Rev. Victor Faure, who left a few weeks ago for France, tells of his having joined his regiment, which, at the time the letter was written a few days ago, had not been ordered to the front. Father Faure relates that France has thousands upon thousands of soldiers who have not as yet seen any active service and the number of reservists is increasing by brigades in an amazing way. It is evident from what Father Faure writes that the great European republic has not yet put anywhere near its full fighting strength in the field and that reinforcements for the armies now in the field will continue to flow toward the front in great numbers.

**TO SAVE EYES**  
Is the Object of This Free Prescription—Try it if Your Eyes Give You Trouble  
Thousands of people suffer from eye troubles because they do not know what to do. They know some good home remedy for every other minor ailment, but none for their eye troubles. They neglect their eyes, because the trouble is not sufficient to drive them to an eye specialist, who would, anyway, charge them a heavy fee. As a last resort they buy some optical eye to the five and ten-cent store, and oftentimes get glasses that they do not need. It is good for the eyes two or three months, do their eyes more injury than good. Here is a simple prescription that everyone should use:  
5 grains Opton (1 tablet).  
2 ounces Water.  
Use three or four times a day to bathe the eyes. This prescription and the simple Opton system keeps the eyes clean, sharpens the vision and quickly overcomes inflammation and irritation. It is a simple, safe, and effective remedy for all eye troubles and other similar troubles are greatly benefited and oftentimes cured by its use. Many reports show that wearers of glasses have discarded them after a few weeks' use. It is good for the eyes and contains no ingredient which would harm the most sensitive eyes of an infant or the aged. Lee & Osgood or any druggist can fill this prescription promptly. Try it and know for once what real eye comfort is.

GIVE "CANDY CATHARTIC" FOR A BAD COLD, SOUR STOMACH, CONSTIPATION.  
Get a 10-cent box now.  
Most of the ills of childhood are caused by a sour, congested stomach, sluggish liver and constipated bowels. They catch cold easily, become cross, listless, irritable, feverish, restless, tongue coated, don't eat, sleep well and need a gentle cleansing of the bowels—but don't try to force a nauseating dose of oil into the little one's already sick stomach. It is cruel, needless and old-fashioned.  
Any child will gladly take Cascarets Candy Cathartic which act gently—never gripe or produce the slightest uneasiness—though cleanse the little one's system, sweeten the stomach and put the liver and bowels in a pure, healthy condition.  
Full directions for children and grown-ups in each package.  
Mothers can rest easy after giving their gentle, throat laxative, which costs only 10 cents a box at any drug store.
