A SIMPLE WAY TO BEAUTIFY YOUR HAIR

Easily Done at Home and at a Trifling Expense.

The hair is like a flower—it must have care and proper nourishment. Just as a plant without air and water withers and dies, so will the hair go if not given proper nourishment.

The scalp must be perfectly healthy and free from dandruff, as the scalp is to the hair what good soil is to plants and flowers.

If your hair is not pretty, if it is falling out, too dry, too brittle, falling out, or if the scalp itches, you can quickly overcome all these conditions by using Parian Soap, which supplies every hair need. It soaks right in to the hair roots, stimulating and refreshing the scalp, and the hair grows not only long and heavy, but soft, lustrous and gloriously beautiful.

You can get a bottle of this inexpensive yet delightful and helpful hair dressing at a trifling cost from any drug or toilet counter. Improvement begins with the very first application. It keeps the hair from falling out. It removes every bit of dandruff. The use of this unequalled hair tonic will surely give your hair new life and beauty.

Parian Soap is sold everywhere.
