Also on Whole Body and Back of Ears. Suffered Dreadfully, Fretful and Restless. Used Cuticura Soap and Ointment. Now Healed.

35 Wilson St., New Haven, Conn.—"When my baby was about three months old he started to cry and fret. He had red spots on his face which I was told was eczema. He broke out like poison, started on his face and went down his whole body and back of his ears. He suffered dreadfully with it. I did not get any rest for several weeks. He scratched his face so it was a running eruption. He was fretful and restless. I applied a good deal of salve, but it got some Cuticura Soap and Ointment at the drugist's and tried them. My baby improved so I kept on. Now he is healed and I can see no sign of the disease." (Signed) Mrs. Agnes L. May, Apr. 2, 1914.
