**CONFIRMATION BY THE BISHOP**

**Class of Twelve at Christ Episcopal Church on Sunday Evening—Bishop Brewster Preaches Upon the Significance of Confirmation—Five at Trinity Church and Twenty-one at St. Andrews.**

The congregations of Christ church, Trinity church, St. Andrew's church, Grace church of Yantic and St. James' church at Popatanuck united in the service Sunday evening at Christ Episcopal church. Bishop Brewster, of Connecticut, administered the rite of confirmation upon a class of 12.  
 After the confirmation, the large congregation heard with pleasure a strong and inspiring sermon by Bishop Brewster, who spoke with special reference to the significance of confirmation, preaching from the text, Philippians 4:13: "I can do all things in Him that strengtheneth me."  
 In a brief preface to his sermon, Bishop Brewster referred to the special pleasure he always felt in making his visits to Norwich, particularly because of the association had with the church which is customarily held. This time also there was a satisfaction in observing that the majority of those in the classes that had been confirmed had been men and boys and that had been his experience in a number of other churches. It was to him a privilege to see the life of purity is natural to us and that it is the life of impurity that is unnatural. Yet there must be the earnestness of the heart, the man must hold the reins and drive. The vital question is, who is the master? Here we see the necessity of keeping up the fight to retain the man-

ner. Sometimes, also, it is a losing fight and such becomes the pitiable condition of thousands because the struggle is a bondage worse than death because the man is not ruler of his house, master of himself. There must be the mastery of the higher, not the nature. One meaning of your confirmation is that this is the beginning of the fight. The question is where do you put the emphasis and power of your being. It is an almost hopeless struggle to contend against the lower nature in a merely negative way, but if we are fortified as Paul was by loyalty to Jesus Christ this will prove a power in our lives against the allurements of the world.  
 This positive power of the spirit is one of the meanings of confirmation. It does not assure us freedom from temptation but it gives us the positive power of God to be laid hold of by His children in the hour of need. It can be laid hold of by prayer and you may never be without a word of aid or aid as long as you can lay hold of this power by prayer. This power pledge in confirmation can also be laid hold of by holy communion, ever and again for the ever recurring need.  
 The rector of the church, Rev. R. R. Gram, advised the confirmation class of Trinity church, Rev. L. C. Sherburne of St. James church and Rev. M. C. Lean Goldie of Grace church assisted in the conduct of the service. At Trinity church, Bishop Brewster administered confirmation to five and at the afternoon service at St. Andrew's church to twenty-one.
