

ECHOES FROM THE LODGE ROOM

Shetucket Lodge Will Have Large Number to go to Westerly Dr. Brophy Will Speak to A. O. H. Auxiliary—New England Elks to Go Together to Los Angeles Grand Lodge Meeting.

ODD FELLOWS. Ureas lodge, No. 11, held their regular business meeting in Odd Fellows' hall on Monday evening with a good sized attendance and with the regular officers conducting the business. Routine matters were transacted and arrangements were made for a visit to be held on Friday evening March 19. The visit is being held for the benefit of the Triple Link association. Unusual interest was manifested at the business meeting of Shetucket lodge No. 27. Cat. Oden Fellows' hall on Tuesday evening. The first degree was conferred in full form on a class of candidates. The committee in charge of the arrangements for the trip to the Westerly lodge of Odd Fellows this Saturday evening reported and it was decided to send a special car to carry the members down and back. The additional car has been made necessary owing to the large number of brothers who have signified their intention of making the trip. The special cars will leave Franklin square at 8:45 o'clock and returning will leave Westerly at 11:45 o'clock.

ELKS. Although it is yet too early to tell how many Elks are expected to attend the grand lodge to be held in Los Angeles in July it is expected that enough will go to make up a special car on the special train which will carry the New England Elks to the session. The trip will begin Tuesday, June 29, at Boston and will include points of interest across the continent. There will be a stop in San Francisco of five days on the return trip, which will be just prior to the start as far as Chicago. Itineraries arranged include a visit to the expositions at San Diego and San Francisco.

MOOSE. In the current number of the Mooseheart magazine is the announcement that the 27th annual convention of the Loyal Order of Moose, is to be held at San Diego, Cal., on August 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19. This will be a legislative convention and the laws and rulings enacted therein will be the governing authority for the next two years.

There are now many matters of great moment and there will be many interesting subjects to be brought before the convention for discussion and official decisions. It is hoped that each of the 1612 lodges will send a delegate. A little over a month ago the fire was lighted in Mooseheart's mammoth power plant, appropriate ceremonies marking the occasion. This fire will never go out. Burning fagots from Boiler No. 1 will later be passed to the other boilers as they are put into service and these fagots will be the "round. The automatic stokers for coal and ash handling are of the very latest model. The engine and dynamos are now being installed and after the present month the building will be operating in almost normal manner. The Williams building is making preparations for another big carnival. Last summer the Moose held the largest carnival ever carried out in Westchester, on the grounds of the old joining on Pleasant street. While the date is not announced, it is planned to hold the carnival in the old home and old school week celebration. With the big Moose carnival, followed by a week or more of other same and other events, which former President William H. Taft will be present, there promises to be something doing from early June to July.

LADIES' AUXILIARY, A. O. H. At the regular meeting of the Ladies' auxiliary, Division 54, held on Thursday evening, March 11th, there was a good sized attendance of members. The president, Mrs. Julia Brock occupied the chair. Two new members were initiated into the order. It was voted to have the society attend in a body the services in St. Patrick's church, Wednesday evening, March 17th, on the occasion of the Rev. Father Broderick. It was also

GREAT GRANDMA WISHES LONG LIFE TO THE CORNER. To the Dear Social Corner: I find I have a live interest in the Social Corner and I must have a voice with others in its pages. Taking a retrospective view of the past year and it has yielded a wealth of affection, hope and sympathy, with prayer from the writers, and is enjoyed by the old and the young. Each letter seems to be written with a purpose to benefit in the way of making happier and pleasanter homes and cultivating a friendly interest in the home work. Long may the Corner continue in its glorious work.

Lovingly, GREAT GRANDMA. HOPES TO HEAR FROM OLD WRITERS. Dear Editor and Social Corner Friends:—March 13th being Social Corner Day, can we not have a word from those who have so long been the life of the Corner? I am sure that Sanquar, Nat, Jane Ann, Crusoe and some others.

A NORWICH INQUIRY Answered by the Statement of a Norwich Resident. When first the long series of reports of Norwich people who have been relieved by Doan's Kidney Pills were published in the local press, great enthusiasm and interest were aroused. But Norwich is now inquiring "How are these people keeping today? How has the benefit they received withstood the test of time?" For that, after all, is the essential test of a cure. On this point doubt can no longer exist, for after many years those who have been cured, emphatically declare their cures to be lasting. D. J. Brown, 4 Summer St., Norwich, says: "The results that followed the use of Doan's Kidney Pills in my case were satisfactory. I got this remedy at N. D. Sevin & Son's Drug Store and it proved effective in strengthening my kidneys and relieving other symptoms of kidney trouble." A LASTING EFFECT. At a later interview, Mr. Brown said: "I still hold a high opinion of Doan's Kidney Pills and confirm the public statement I gave in their praise some years ago. Kidney trouble and I have been strangers for a long time." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brown had.
