BRONCHIAL GOLD. Yields to Delicious Vinol.

Philadelphia, Pa.—"Last Fall I was troubled with a very severe bronchial cold, headaches, backache, and sick to my stomach. I was so bad I became alarmed and tried several medicines.

A CLERGYMAN'S STORY. REV. G. W. ROBERTS. Hartsell, Ala., R. R. 2, Box 27

A BRIEF STATEMENT OF FACTS: May, 1902. "I suffered three years with bronchial affection. I had got so weak I had lost my voice. My friends gave me up. I was persuaded to try Peruna."

April 2, 1904. "After taking Peruna I feel well, eat hearty, sleep soundly, weigh as much as I ever did. Do work on my farm."

Sept. 22, 1906. "I am a great friend of Peruna. I am here today with my family because of Peruna."

Nov. 22, 1909. "Peruna gave me back my life ten years ago. I am certainly thankful."

Jan. 13, 1910. "I shall ever be ready to speak in praise of Peruna. My cure was almost miraculous."

Sept. 5, 1911. "I feel that Peruna has been the means of prolonging my life for more than ten years."

Jan. 2, 1913. "I trust that Peruna may prove a blessing to many, as it has to me."

The above are but the briefest extracts from long and enthusiastic letters, which we have received from this distinguished clergyman.

In his first letter he said: "I had tried the treatment of several doctors, also home remedies, but they failed and all hope had gone. My friends, like myself, thought I was in the last stages of bronchial disease. My daughter brought me a bottle of Peruna and plead with me to try it. I had got so weak that I had lost my voice. I thought it was of no use."

Who can doubt but that Peruna saved his life? Every home should be provided with the last edition of "The Ills of Life." Furnished by

The Peruna Co., Columbus, Ohio.
