Baby's Happiness Depends On Health

Cross, fretful babies usually need a laxative to make them comfortable, and comfort brings happiness. Constipation is the cause of much discomfort. Mothers should watch closely the condition of their children's bowels and see that they are regular.

A mild, pleasant tasting laxative such as Dr. Caldwell's Syrup Pepsin is ideal for children because of its natural composition and gentle action, and because it contains no opium, stramonium or other harmful habit-forming drug. Dr. Caldwell's Syrup Pepsin is sold by druggists everywhere. A teaspoonful at every meal will bring easy, certain relief.

A free trial bottle can be obtained by writing to Dr. W. E. Caldwell, Washington, St., Monticello, Ills.
