Funeral of Mrs. Chauncey C. Geer—Death of Miss Kathryn L. Sliney.

Relatives and friends attended the funeral of Gen. Charles E. Geer, New York, wife of Chauncey C. Geer, held from her late home, 122 Prospect street, Wednesday afternoon, with Rev. C. H. Richards, of the Greenville Congregational church officiating.

There were many beautiful floral tributes. The bearers were three sons, Louis, George and Everett Geer, and a brother-in-law, Anson C. Geer, of Boston.

Funeral of Miss Kathryn L. Sliney. Surrounded by the members of her family, from whom she received every possible care and attention, and fortified by the sacraments of the church which she loved so well in life, Miss Kathryn L. Sliney passed peacefully away Tuesday afternoon at 1:50 o'clock at her residence, No. 418 North Main street.

The deceased had been ill for four months with a complication of diseases, and died at her 31st year of life. She was born in Windsor Locks, the daughter of Mary L. Connor and the late Wm. H. Sliney.

She was a member of the Young Women's Society of the parish, St. Cecilia's, A. S. society and the Ladies' auxiliary, city, No. 18, A. S. H., where she occupied the chair of recording secretary for five years, and for four years she had also been the county recording secretary of the auxiliary.

Her gentleness of manner and sweetness of disposition made for many friends whose friendship once gained proved to be a lasting nature. Her life gave much promise to the members of her home and its sudden ending at such an early period has left a sad bereavement in which the community extend their deepest sympathy to those left to mourn the loss of such a loving daughter.

She is survived by her mother, Mrs. Mary L. Sliney, and two sisters, the Misses Anna E. and Margaret B., both of whom reside at home.

Special Meeting of Ladies' Auxiliary. A special meeting of Div. No. 18, A. O. H., was held at the home of Sister Henley, North Main street, Wednesday evening, at which resolutions were adopted on the death of their late member, Kathryn L. Sliney, who had given valuable services to the society's interests, such as recording secretary for five years, and took much interest in her work.

Following the meeting, the members proceeded to the home of the deceased to receive and bury the body and to extend their sympathy to the afflicted home.

Notes. A pair of horses and a dump cart belonging to a local man backed over a dump Wednesday. No serious damage was done to animals or cart.

St. Mary's baseball team were defeated in an 11 inning contest by St. Patrick's Monday afternoon at the Cranberry.

Will End Teddy's Neutrality. Now we are told that the German military attaché in Belgium searched Pinchock. We fear it will not be possible to keep T. R. out of the war after this.—Housten Post.

Such a Fresh Clean Sensation

In the mouth after you take a Dya-pep-let. Just try one. Crush it between your teeth and swallow it slowly. You can almost immediately feel its beneficial effect. Your stomach seems to say "That's just the help I needed for my big task of digestion."

Dya-pep-lets sweeten and strengthen the stomach, prevent sourness and gas inflation and promote the natural functions. In no other way can you ensure so much comfort as by buying and using a ten cent box of Dya-pep-lets.

NINE SUITS FOR SUPERIOR COURT

Damages of \$25,000 Sought From Towboat Co. for Death of Two Employees—Appeal From Assessment of Two Boats by City of New London—Two Suits for Alleged Breach of Contract.

Papers in nine new suits for the superior court were filed with Clerk George E. Parsons.

The largest amount of damages claimed are in suits brought against the Towboat Company of New London for \$25,000 in the case of Sophie Kenson, administratrix of the estate of her son, Wallace Hodges, formerly of New London, and Mercie S. Marsdal, administratrix of the estate of her son, George Marsdale, formerly of New London.

Both of these men were drowned from the tug Arles, off South Amboy, N. J., on April 15, 1914, jumping overboard when the tug was ashore in heavy seas. The company has been directed to pay compensation under the workmen's compensation act of this state.

An appeal on this case was argued before the supreme court of errors on Wednesday.

The Central Vermont Transportation Co., a Maine corporation owning the steamers New York and New London, brings an appeal from the board of relief of the city of New London upon the assessment of these boats for \$150,000 in the tax list of New London on the levy of 1914.

The company claims the steamers are not located in the town of New London nor have not been for seven months in any one year but are engaged in interstate trade and are continually plying between the ports of New London in Connecticut and New York in New York.

The company asks the court to remove and vacate the assessment and grant such other relief as the court may find the company is entitled to.

Berth Fell on Him. Pinks Pumerans of Norwich, brings suit against the New England Steamship company, for \$3,000 damages for injuries which happened to him on November 28, 1914, while as a passenger he was occupying a berth on board the steamer Maine, which was coming from New York to New London.

The plaintiff's complaint states that he went to bed in the lower berth at about 2 o'clock the next morning at about 11 o'clock the next morning the upper berth, which had another passenger in it, suddenly collapsed and fell upon Pumerans, whose right eye was injured, head hurt and right shoulder bruised and strained and he suffered general bruises and strains and internal injuries.

He claims that he has since been unable to work at his occupation of presser in a coat making factory, and that he was able to earn \$15 per week.

Sues on Note Endorsed. To collect a promissory note for \$500 endorsed by the late Thomas Hamilton of Groton, Solomon E. Aaron of Groton, and Martin Kanter of Providence to the order of the plaintiff, was payable one year after date and was endorsed by the late Thomas Hamilton of Groton, and was not paid and the executor of the Hamilton estate has disallowed the claim which this plaintiff presented against the estate on account of the note.

Breach of Contract Alleged. Harry Lewis of this city sues the Ideal Paints Co., for alleged breach of contract. He claims damages of \$800, claiming that he was hired for \$18 per month and discharged before his contract was up.

Injunction Matter. Papers have been filed in the injunction matter of Thomas Grazan and others vs. the city of New London for the collection of a debt of \$100,000, claiming that he was hired for \$18 per month and discharged before his contract was up.

IMPORTANT CHANGES IN PARKER-DAVENPORT CO.

Their Norwich and New London Hotels Now Under Independent Management.

After business associations with each other covering a period of nearly a quarter of a century, a division of the Parker-Davenport company, interests has taken place and will go into effect on May 1.

F. E. Parker has taken into himself the Crocker house, of New London and will hereafter conduct that hotel independent of the Wauregan house in Norwich.

The future affairs of the Parker-Davenport company in this city will be managed by H. B. Davenport, who has associated with himself in the ownership of the property, Joseph C. Bland, who has been connected with the Wauregan hotel for the past twenty years.

These changes will not affect the business policy of the two hotels as they will continue to be conducted on the same basis as formerly.

The hotels named have been known and considered as two of the best conducted hotels in this state for many years past, assisting in the promotion of the city and its continuance of their popularity and prosperity for many years to come.

We fully sense, with grief, the great loss we not only the Norwich Board of Trade, but the community at large, has sustained in the untimely death of our distinguished fellow citizen, Charles F. Thayer.

His many years of public life disclosed his sterling character and steadfast sincerity of purpose. Being an aggressive worker and tenacious of his ideals, he created strong friends who never mourn his loss, for he was a most companionable co-worker.

A man of strong convictions, and conscientious in all his business relations, he was a valued member of our organization, as a man of action. In all matters of public trust and interest we shall miss his counsel and services.

We do hereby direct that a copy of these sentiments be sent to the family of our late fellow citizen, Charles F. Thayer, and that they be entered upon our minutes.

NELSON J. AYLING, CHARLES S. HOLBROOK, Committee.
