EXPRESSIONS ON DEATH OF EX-MAYOR THAYER

Man of Much Ability. Charles F. Thayer, who died suddenly in Norwich...

Believed in the People. The death of former Mayor Thayer of Norwich means the passing of a man who played no small part in the politics of Connecticut during the past twenty years.

Former Mayor Thayer gave Norwich an admirable record of government and was four times its chief executive.

One of City's Notable Men. Charles F. Thayer came of strong stock and it is no wonder he was one of Norwich's notable men.

Mr. Thayer had served in the legislature and had been his party's candidate for governor.

STARTING GRANGE HOME

Norwich Grange Members Subscribe for Shares at \$25 Each—Committee That Proposed Plan is Continued as Building Committee—Several Membership Applications Received—Norwich Grangers are Out After Big Membership Increase.

At its meeting Wednesday evening in Fythian hall Norwich grange, No. 172, Patrons of Husbandry, with worthy Master E. C. Jewett presiding, heard a report from the special committee appointed over a month ago to consider the plans for acquiring a grange home.

This is to be done by taking subscriptions to shares of stock at \$25 each. The stock will bear interest at 4 per cent, and as soon as the subscriptions have reached a total of \$1,000 a corporation will be formed.

The committee which reported on the plan was thanked and was continued as a building-committee to receive subscriptions. Its members are H. R. Branch, Frank T. Staples, W. D. Rogers, E. C. Jewett, Charles H. Brown, Mrs. Cora Barnes, Mrs. Charles A. Hagberg and Mrs. Nettie B. Fanning.

A number of applications were received and others were voted upon, making a good start in the grange programme for a big increase in membership in the present year.

In the social part of the evening, greetings were extended to Brother Charles S. Peckham, who was present at the meeting, the first that he has attended since disabled by a very serious accident over a year ago, and good wishes were also voted for Miss Helen B. Moore, a member who is soon to leave on a trip to the Panama-Pacific exposition.

Among the visitors were members from Bozrah, Preston City and Lyme granges.

Refreshments were served by the hostesses and the afternoon was a most enjoyable one for the good number present.

There were about 15 tables at the whist held Wednesday evening in Foresters' hall by Thames council, No. 1851, Royal Arcanum and the prizes were awarded as follows: Gentlemen, first, John McClafferty, (41) box of cigars; second, Mr. Bedard, (33) pipe; consolation Alfred White (21) box of dominoes.
