

INTENSE ITCHING BURNING OF SKIN

Trouble on Hands, Suffered Awfully. Could Not Put Hands in Water. Used Cuticura. In a Month Would Never Know Hands Were Sore.

71 Besom St., Lynn, Mass.—"My trouble broke out with little pimples on my hands. They would fill with a watery substance and would break. After a while the whole backs and palms of my hands were inflamed. I suffered awfully with the itching and burning. I would scratch until my hands were red, the itching and burning were so intense. Would keep awake half the night. I could not put my hands in water for just as soon as it touched them I would almost go crazy. For one year and a half I could not do my work. I tried everything anybody told me about. My hands were sore two years before I used the Cuticura Soap and Ointment. The first time I used them I felt relieved and the itching began to stop. In a month you would never know that my hands were ever sore." (Signed) Mrs. Fannie M. Edson, Oct. 1, 1914.

NORTH GROSVENORDALE COUSIN Accused by Hassan Demir of Portland, Me., of Taking His \$500, Savings for Six Years.

Wednesday's Eastern Argus of Portland, Me., said:

Hassan Demir, a teller in Biddeford mills, was robbed of \$500 which was taken from his belt as he lay sleeping in his room at 105 Elm street last night, and claims to the police that his cousin, Welmet Shuban, who roomed with him, and whom he had taken in when penniless, is the robber.

The money stolen was the pile Demir had accumulated in six years' saving, and he is left penniless. The police have been unable to find any trace of Shuban, who came to Biddeford two months ago from North Grosvenordale, Conn.

County Farmers Selling Milk in Boston for 24¢—All Trolley Cars Now Dispatched From Norwich—Principal Rebt. K. Bennett Leaving High School to Go to Stoughton, Mass.

There is to be an Old Home day observance at Foster Center this year, as usual. Henry C. Montague of New Bedford visited relatives in Danielson on Thursday.

Postmaster C. A. Potter has had letters from the Sells-Floto circus relative to showing in Danielson in July or August.

Letter carriers report constant additions to the number of households they are serving.

Chief George M. Pilling is slowly improving in health and his complete recovery is looked for.

Celebration of Holy Communion. Rev. James H. George, Jr., officiated at Ascension day services at St. Alban's church Thursday morning.

Peter Figalo has returned to Providence after a visit with relatives here. Thursday, Ascension day, was a holiday for the pupils of St. James school.

Fire Protection for Williamsville. Williamsville now has a well organized and efficient fire department for the protection of village property.

It is probable that the K. H. S. baseball team will play out the remainder of its schedule on the grounds of the Danielson Cotton company team.

Frederick Shumway, who has been in impaired health for some time past, has gone to a sanitarium to receive treatment.

Joseph Dupuis, whose hand was severely cut in an accident at a local planing mill, is slowly recovering from the hurt, but will not be able to work for some time.

P. J. Sheridan, who is to have the management of Wildwood park this season, is experienced in handling such resorts, having been in charge of one at South Coventry.

LEAVING DANIELSON. Principal Bennett of High School to Become Superintendent at Stoughton, Mass.

Principal Robert K. Bennett announced Thursday afternoon that he had been elected superintendent of schools at Stoughton, Mass., the town from which former Principal Hal R. Eaton, now of Attleboro, came to Danielson to take the principalship of Killingly high school.

Principal Bennett goes from Danielson to Stoughton, at the close of the present school year, at a substantial advance in salary over the \$1,600 he has been receiving here. It so happened that he was almost simultaneously elected to the Stoughton position and one in Windsor, this state, as principal of the high school, but decided to take the Stoughton place, not only because of the larger salary, but as well because of his desire to be a superintendent. Mr. Bennett holds a superintendent's certificate both in Massachusetts and Connecticut.

The advancement of Principal Bennett is a source of pleasure to his great many friends here. As a Killingly boy and a graduate of Killingly High school and of Brown university there is special interest in his career. He came to Danielson to take the local principalship four years ago, resigning as principal of the high school at Windsor Locks to do so.

During his administration the local high school has been maintained at a high standard, has shown vitality and progress. In January last it was inspected and approved for the state by Dr. Frederic Farrington. In January, 1914, the school was approved for a period of three years by the College Entrance Certificate board and it was also approved (independently) in 1914 for college entrance by the Worcester Polytechnic Institute.

This year's graduating class will number 47 members, by far the largest ever graduated from the school. On the average, elsewhere, less than 40 per cent. of the students who enter remain to graduate, but next month Killingly High school will graduate at least 60 per cent. of those who were freshmen four years ago, when Mr. Bennett came to the school.

Over one-half of the class of 1914 averaged above 85 per cent. in their studies throughout their course and the class of 1915 also ranks high. The latest lists of those who are doing honor work in their studies includes 23 per cent. of all the students in the school.

During Mr. Bennett's administration household chemistry, commercial arithmetic and general science have been added to the courses of study and have proved to her very valuable subjects.

Special activities of the school have included the presentation of two operettas, furnishing musical training for upwards of sixty students. In conjunction with the regular monthly debates by the Marietta Kies Debating society of the school a Freshman Debating society was organized. Each year at least one public or interschool debate has been held. Boys' and girls' choruses have been trained and

Moose Going to Hartford. At their next meeting members of Putnam lodge of Moose expect to complete plans for the trip to the local lodge to Hartford, where the state parade and convention is to be held. A big delegation has planned to go from this city.

Settling Peter St. George's Estate. Mrs. Louise Champeau, a daughter of the late Peter St. George of this city, and her daughter, Miss Louise, of Hartford, were in Putnam Thursday on business pertaining to the settlement of the St. George estate.

Clean-up Week. With the coming of the end of the clean-up period in Putnam it is difficult to gauge just how much has been done along that line this year. The committee of the Business Men's association issued circulars printed in different languages that set forth the desire for a general clean-up of the city, but the doing of the work was left to the initiative of the individual.

No statistics are available as to how many engaged in the work. The expectation is, however, that not so much has been accomplished as last year, when a regular clean-up campaign was conducted, Saturday being a half-holiday for a great many of the workers of the city and the opportunity will be a grand one for making a fitting effort to brighten up the city.

CHARGES THOUGHT EXCESSIVE. New Trustee of Aaron White Estate to Defend Claims.

In the superior court at Willimantic today it is expected that William Howard White's (Brooklyn, Mass.) appeal from probate in the town of Thompson will be taken up. The appeal is under the will of Aaron White, who died years ago, and who was the founder of what has now grown to be the library of the Windham County Bar.

A trustee of the estate who has handled funds since some months ago and a successor has been appointed. For his services the trustee received certain compensation each year and it is understood that the appeal to be heard is brought because of a belief that the charges made for the services rendered by the trustee on behalf of his estate for a period of a

have appeared publicly each year. Prize essay contests have been conducted, one winner also winning the state prize. Special exercises of a patriotic nature have been arranged from time to time and interest in athletics kept very much alive.

A considerable amount of new equipment has been added to the school under Mr. Bennett's administration and he will leave it in first class condition.

For the 1914-15 year Mr. Bennett was president of the Eastern Connecticut Teachers' association.

TEACHERS REELECTED. In High and Grade Schools—Principal Bennett's Resignation Accepted With Regret.

All High and Graded school teachers were reelected at a meeting of the town school committee Thursday afternoon. In accepting the resignation of Principal Bennett a resolution of appreciation of his services here was passed. An important action was taken by the board was not to have a supervisor of music during the coming school year.

The town usually appropriates \$500 for music in the school. The year's committee consisting of Robert W. Boys and Hector McConnell was made to see if arrangements can be made for buying the cost for the two schools at wholesale prices. Special committees were named to investigate relative transportation of pupils, janitors and insurance.

OBITUARY. Mrs. George Lyon.

Alma Frances Chadwick Lyon, wife of George Lyon, died at her home on the West Side early Thursday evening. Mrs. Lyon had been a resident here for more than forty years during the greater part of which time her husband was the overseer of the weaving department of the Quinebaug mills. Mrs. Lyon was born in Southgate, R. I., 73 years ago last month. She leaves her husband and two sons, George and Danielson, and George of New London.

few months before his death are expected. His charges for services during the whole term of trusteeship may be reviewed during the hearing of the appeal.

Dr. Perry Watching School Situation. Dr. Edward H. Perry, who has been making daily visitations to the Israel Putnam school, has taken cultures from the nose and throat of every pupil studying there, exception being made only in the kindergarten. The cultures taken number about 90, the attendance being greatly reduced through fear of diphtheria, and a report on them is expected from the state laboratory today.

Dr. Perry said Thursday afternoon that if no cultures taken prove negative, he will consider the Israel Putnam school the safest place in the city for a child, in relation to the likelihood of contracting diphtheria. Two cases of child illness reported to be diphtheria, as most juvenile troubles are now diagnosed, whatever they may be if showing any suspicious symptoms, proved to be of a minor nature. The very closest watch is being kept over the children and there seems to be no danger of any considerable number of new cases developing, so well is the situation under control.

MILK SHIPMENTS

To Be Given Attention by Committee of Business Men's Association.

Feeling that anything that affects the farmer and his industry is of direct interest and concern to the business men who want his trade, study of the shipment of milk to Boon as to cost, privileges, etc., is to be taken up by the executive committee of the Putnam Business Men's association.

Year by year the farmer is practically tied down to the proposition of sending his milk into Boston on the leased car that picks up shipments at many points in the section. The price for the milk that is regarded by the producers as too low.

A man, of course, can make an independent shipment to Boston by express, if he has a customer there, but this is not practical either from the standpoint of expense or convenience for the average farmer.

The problem of getting greater freedom as to shipments is the one that must be solved, though careful consideration of it for several years past has not produced the desired results. The problem is organized in the local league, and the various parties have shown a disposition to be very fair and helpful in a matter that is of vital concern to many of the farmers in this section.

Committees of Equal Franchise League. At a meeting of the executive board of the Putnam Equal Franchise league Thursday afternoon the following committees were appointed for the year: Propaganda, Mrs. O'Halloran and Mrs. J. B. Tatem, Jr.; Mrs. George L. Padgett; entertainment, Mrs. Walter Rich, Mrs. E. H. Whitney, Mrs. William Wheaton, Mrs. S. Nicholoff, Miss Breat; membership, Mrs. E. C. Morse, chairman, with power to appoint members of committee; window cards, Miss Katherine Byrne, Miss Gertrude Jones.

Announcement was made after the meeting that a county meeting with a view to organizing the various leagues in the county is to be held at the home of Miss Rosamond Danielson on June 12. It was also announced that Mrs. George Day and Annie G. Porritt of Hartford are to be here on Tuesday or Friday evening of next week to address the local league on the subject of the Congressional Union.

Class Day Parts Announced. Class day parts, senior class of Putnam High school, were announced on Thursday. Address of welcome, Dana Johnson, president of the class; prophecy, Miss Katherine Seward with Miss Gladys Ash and Miss Gladys Baine as assistants; oration, Mrs. Phebe Beard; class history Miss Mae Phoebe; class play Guy Baker; souvenirs, Jessie Maynard.

STONINGTON. Jolly Seven Give Dance—Report of Free Library—Funeral of Henry Sylvia.

Thursday evening the Jolly Seven entertained their friends to a dance in Golden Cross hall. A buffet lunch was served.

Library Report. The annual report of the Stonington free library shows that during the year 83 books have been added to the library, of which 24 have been purchased and 59 given. Mrs. Blair gave 3, Miss Lizzie Trumbull 1, H. R. Palmer 3, and Eugene Edwards 22. There have been 3,375 books taken out during the year, of which 416 were non-fiction and 2,959 fiction. The treasurer's report was read and accepted.

A new clock has been presented the library and has its place on the shelf. A. B. S. Visits Mystic. Bayside lodge, A. B. S., journeyed to Mystic Thursday evening, where a reception was held.

May Basket Social. A May basket social was held in the First Baptist church parlors Thursday evening. The young ladies brought May baskets, each filled with lunch enough for two, and the young men purchased them. A fine program was arranged and the affair proved a decided success.

FUNERAL. Henry Sylvia. The funeral services of Henry Sylvia were held in St. Mary's church with a requiem high mass at 10 o'clock Thursday. Rev. Fr. O'Brien officiated. Burial was in St. Joseph's cemetery at Taunton, Mass.

About the Borough. Judge Elias Hinckley attended the Connecticut probate assembly held at Hartford Thursday.

A light thunder storm visited the borough Thursday afternoon and lasted a little over an hour. The rain was welcomed, as many gardens have been planted. The trolley due here at 1.50 from Mystic was a half hour late, reaching here at 2.30. All traffic on the trolley line here was suspended, as the cars were stalled.

Capt. John Ostman brought in a good catch of mackerel Thursday, about 75 in all.

STAFFORD SPRINGS. Funeral of Frank Carpenter, Who Died in Norwich—Hospital Patients Improve.

EDUCATION NOTES.

A veteran teachers' association, composed of teachers with 25 or more years' experience, is organized in Berks county, Pa. The association has 60 members, 25 of whom have taught 30 years or more. Two have

taught more than 40 years, and one has seen 52 years of service as a teacher.

Two out of every thousand public high school boys receive military instruction in school, as compared with five in every thousand 15 years ago. While the total number of boys in public high schools has increased since 1900 from 216,207 to 541,486, the number of boys taking military drill has decreased from 10,455 to 9,532.

Boise, Idaho, is exemplifying the get-together spirit in promoting evening meetings in the schools. The board furnishes light (putting in extra fixtures in several buildings), pianos and janitor service free for any evening's entertainment. At fur schoolhouses in different sections of the city an entertainment a week is given, these being furnished once a fortnight by a joint committee from the three large women's clubs of Boise and in the alternating weeks by the mothers' circles. Representatives from the mothers' circles are present at each meeting to care for the smaller children.

Mayor BLANKENBURG ESCORTING President WILSON IN PHILADELPHIA.

In the accompanying illustration President Wilson is shown accompanied by Mayor Blankenburg on the occasion of the recent momentous visit of the President to Philadelphia, where, to a gathering of 4,000 naturalized Americans, the president was expected to give the first intimation of the course which the government will pursue in the situation resulting from the loss of more than a hundred American lives on the British liner Lusitania. Because of the present status of international affairs extraordinary precautions have been taken to guard the president during his stay in Philadelphia. Seven hundred and fifty policemen had been detailed for

this duty. Seven detectives acted as a personal bodyguard for Mr. Wilson and rode directly behind through the streets. In addition, hundreds of policemen led the procession and brought up in the rear. The City troop acted as a guard of honor. On his return trip from the hall the president rode for three miles along the streets almost solidly lined with cheering people. Frequently he raised his hat and bowed. Automobile horns sounded a steady chorus. In the Broad street station of the Pennsylvania railroad several thousand people cheered as the president stepped aboard his private car. He smiled and waved his hat to them.
