She first went to New Haven and from there to Groton, but no word of her whereabouts has been received since she left Groton.

There are perhaps 50 machinists formerly employed at the Cottrell plant who are now working at the big Winchester corporation in New Haven, and 25 of those who are employed in the night shift arrived here Saturday morning in a special car attached to a regular train at New Haven, the balance coming home on an evening train. Other machinists employed in Bridgeport at the plant of the New London Ship and Engine company, and all engaged in the manufacture of munitions of war, also arrived during Saturday.

The members of the Grand Army of the Republic, residing in Westery, Pawcatuck attended special Memorial services in the Congregational church in North Stonington Sunday morning, when Rev. Frederick MacDonald of the Pawcatuck church preached a patriotic sermon. In the evening the war veterans of the town gathered at the First Baptist church in Westery, the pastor, Rev. F. Stewart Kinley, deploring an inspiring sermon. The arrangements are completed for the Memorial day observance which, as usual, will consist of a parade in the afternoon, with visitation of the graves of soldiers and sailors in River Bend and St. Michael's cemeteries, and special exercises in the town hall in the evening.

It will be a regular league game, but of no value, as the championship of the southern division of the interscholastic league. But this game, if won by Stonington, will decide the permanent ownership of the big silver trophy cup offered by the senior classes of both schools in 1912.

Winning—In Sport or Business is seldom a matter of luck, but the result of well directed effort. Here's where food plays a big part. Not necessarily a large amount of food, but well-balanced, easily digested food in proper quantity.

GRAPE-NUTS is that kind of food. Made of wheat and barley, it retains in correct proportion all the nutriment of these grains, and is particularly rich in the mineral elements—essential builders of brain, nerve and muscle.

Sunday Afternoon Memorial Service at Baptist Church—Surprise Party for Harold Spicer—Many Guests Enjoying Borough Hospitality.

A memorial service was held at the Baptist church Sunday afternoon at 3 o'clock. Only seven of the veterans were able to be present. Rev. J. W. Payne conducted the service, a hymn being the opening number. He read the third-third psalm, which was followed by an address by Mrs. G. H. Prior, Mrs. B. R. Gardner, Mrs. Alice A. Brown, B. R. Gardner and G. H. Prior, with Miss Katherine Babcock at the organ. Rev. Samuel Thatcher offered prayer, which was followed by a duet by Mrs. Prior and Mrs. Gardner, with a chorus and obligation.

Rev. J. A. Spidle delivered the address his subject being A Godly Nation. The text was chosen from the Nation Whose God is the Lord and the People Whom He Has Chosen for His Inheritance. The time has gone by when there should be any hard words between the north and the south, the preacher said. Men should stand together to do a godly thing. He chooses us. Do we choose Him? Are we as a nation and individuals in the nation choosing God? We boast of our decorations. What is the good also from a territorial standpoint. We glory in our resources, our leaders and our decorations. What is the good of all these things if Almighty God be not in them.

A Godly nation has God in its government and the programs of the people should be made and chosen of God. Don't leave God out of politics. God is in the national government. God is in the home of the schools of the social order of politics and commerce. God is in its national religious life.

An anthem by the choir and a hymn and the benediction by Rev. J. W. Payne closed the service. The decorations were of potted plants, palms, carnations, lilies of the valley, iris, swamp azalea with wreaths and flags, carried by Mrs. Elizabeth Moore, Meeting of Missionary Society.

The Women's Missionary society of the Congregational church met at Mrs. G. W. Robinson's. The subject was Mexico and the programme was arranged by Mrs. George Soule and Mrs. R. H. Howard. Articles were read by Mrs. G. W. Robinson, Mrs. George Soule, Mrs. H. N. Woodcock, Mrs. G. H. Jennings, Mrs. E. E. Robinson and Mrs. John Whalley. The subject was Mexico. The program was The Capital, Tarral, W. B. M. I. Chihuahua, Fitting for a Useful Life, Happy, A Versatile Lady, holding a letter from Mrs. Freda, Mrs. M.
