GREENEVILLE
Tridium to Be Held at St. Mary's Church—Strutvants Won from the Kickers.

A tridium will be conducted at St. Mary's church starting this morning. This month, which the church dedicates to the Sacred Heart of Jesus, will have many extra devotions.

Kickers Lost.
The Kickers' local baseball team in the City league lost a game to the Strutvants by forfeit Memorial day in not showing up.

Notes.
A. B. Malne's residence on Hickory street is being painted.
Carpenters are still engaged in repairing the tower of the Greenville Congregational church.

H. J. Hosman, a frequent visitor here was seen about the streets Thursday. Mr. Hosman's home is in Newark, N. J.

Several local young men have been in swimming at Mohegan park several times this season. They report the water warmer than expected.

Mrs. Henry Semay has returned to her home in New York city after spending a month with her mother, Mrs. B. McCarthy, of North Main street.

TAFTVILLE
Funeral of Miss Violet H. Kenyon—Local Auxiliary Members to Attend Mystic Reception.

Thursday morning the funeral of Miss Violet H. Kenyon, daughter of Mr. and Mrs. Howard Kenyon, took place from her home on Merchants avenue. Services were conducted at the Sacred Heart church, and five friends acted as bearers. Burial was in Sacred Heart cemetery. Undertaker George G. Grant had charge of the funeral arrangements.

Danielson Here Saturday.
The fans will be treated to a real baseball game Saturday when the local team plays the strong Danielson nine on the Providence street grounds. The Danielson team consists of several of the old Eastern Connecticut league players, including Labell, Robertson, and Page, and have an all around good lineup. The betrage at the games is increasing and with the fans' help Manager Benoit will have nothing but the fastest teams here. Normander and Murphy will be the battery for the locals.

To Attend Mystic Reception.
Quite a number of ladies, members of the Ladies' auxiliary, A. O. U. of the local division, are planning on going to Mystic Sunday to attend the reception tendered by the Mystic order to the grand officers of the state. Delegates from orders in this section are expecting to be present, including Norwich, Jewett City, New London and Westerly.

Want Organized Department.
It is reported that a local resident on the hill (Merchants avenue) is circulating a paper among the property holders for the purpose of organizing a fire department. The paper calls for a meeting to be held in Parish hall in the near future.

Providence Street Dusty.
Providence street and other streets about the village are in a very dusty condition and pedestrians are forced to quit navigation when an auto passes as the dust is almost unbearable.

Visited Providence.
Richard and Robert Pilling were in Providence Wednesday making the trip by motorcycle.

Personals.
Mr. Morris of Providence was a business called here Thursday.

Many new fences are being constructed in and around the village.

Miss Susan Holmes of Montville was the guest of friends here on Thursday afternoon.

Employees of the Southern New England Telephone company are engaged repairing the lines put out of order by the recent fire.

Edward Kirby, student at Georgetown university, Washington, was in town Wednesday reviewing the ruins of the recent fire.

Coal ashes, soda and copal varnish have been combined by a German inventor into an artificial stone resembling marble.

\$15,000 FOR LOSS OF A LEG
Asked in Suit on Trial in Superior Court—Loretta Roma Plaintiff Against Thames River Specialties Co.—Leg Was Crushed in Elevator Accident and Later Amputated.

Before Judge Gardiner Greens and a jury in the superior court the trial of the suit of Loretta Roma against the Thames River Specialties Co. of Montville, was started here on Thursday morning. Roma is seeking \$15,000 damages for the loss of a leg in an elevator accident about three weeks ago.

The accident, which resulted in the loss of Roma's leg, happened in a building occupied by the Climax Co., a subsidiary of the Thames River Specialties Co. Roma, who was employed as a helper about the place, started to get on the elevator and was caught between the elevator and the shaft. His leg was crushed so badly that amputation was necessary.

Suit was brought against the Climax Co. for \$15,000 and a jury in the superior court rendered a verdict in favor of the defendant on the ground that the defendant company had shown no negligence in that the accident was the fault of the plaintiff. This decision was appealed to the supreme court of errors and it was sustained, no error being found.

Now Roma brings suit against the Thames River Specialties Co., as the owner of the building which the accident happened and the same amount is mentioned for damages. The suit is represented by Attorney Charles W. Congstock and Waller, Waller, Avery & Gallup, and Geary, Davis and Keefe appear for the defendant company.

Dr. Morton E. Fox of Montville was the first witness Thursday and testified to attending Roma, who was injured in the accident. He described the injuries.

Dr. Harry M. Lee of New London was the next witness and he gave expert testimony on the character of the injury.

Dr. E. A. Henkle of New London and Dr. F. W. Hewes of Groton also gave medical testimony.

Civil Engineer, Shepard E. Palmer explained plans he had made of the place in the mill where the accident happened.

John Greene has a business engagement in Boston, court was adjourned at 1 o'clock and will come in again on Tuesday.

There will be no short calendar session today.

ASKS TO HAVE VERDICT SET ASIDE.
Motion Made in Gager, Administrator, vs. Jacob Gordon.

On Tuesday morning, through Attorneys H. A. Hull and C. V. James, counsel for the defendant, a motion to set aside the verdict and for a new trial was filed in the suit of C. A. Gager, Jr., administrator, against Jacob Gordon.

Mr. Gager, who is administrator of the estate of the late Arthur Desmarais, was given a verdict for \$10,000 damages Wednesday in the superior court for the death of Mr. Desmarais after an automobile accident.

It is claimed in the motion that the verdict is against the law and the evidence and is excessive.

LAUNCH JOHN HARVARD AWAITING CRIMSON OARSMEN
Has Been Sent on Ahead to the Thames.

The launch John Harvard, with a smaller mahogany launch, arrived in New London Thursday morning to be ready for the Harvard crews when they come next Monday to Red Top in the Thames to begin preparation for the races with Yale on the 25th inst. The launches came by rail and were put into the water early Thursday morning.

Engineer Mosier found the weather cold and high winds prevailing, so that the crew loses nothing by delaying the date of their arrival. Engineer Mosier has been in the Harvard employ many years.

AT THE AUDITORIUM.
Vaudeville and Motion Pictures.

For the midweek change the Musical Revue company at the Auditorium on Thursday staged The Theatrical Troupe in Hugbill, which was a success, and the production drew good sized houses at both afternoon and evening performances.

Hickey was right there with his camera and the human shadow, who, it was announced, "once posed in a gas-pipe factory" caused a roar when she appeared. The stage setting, which in the general store of a country hotel and the musical numbers were pretty.

In the City of Terrible Nights, the two reel movie, was again seen, as was also the comedy film.

Baseball for Playgrounds.
Once more the great baseball game of last year in this city, Baseball Men's Professional Men will be staged this season as a result of a committee appointed by the Playgrounds association.

Chairman F. McNamara presided at a meeting held at the Board of Trade rooms Thursday afternoon, when the following committees were announced: Advertising, R. P. Smith; Printing, A. L. Peale; Professional Men's manager, Dr. P. J. Cassidy; Business Men's manager, James L. Case.

The game will be played June 12 on the Academy campus at 3.30 for the benefit of the Playgrounds association. It will be remembered that the Professional Men lost the game last year after they had the game cinched. A strong rally by Crawford's wrecking crew headed by himself put two of the opposing pitchers to the woods and won the game for the Business Men.

Loss of Appetite
Most Successfully Treated by Taking Hood's Sarsaparilla
Loss of appetite is accompanied by loss of vitality, which is serious. It is common in the spring because at this time the blood is impure and impoverished and fails to give the digestive organs what is absolutely necessary for the proper performance of their functions.

Hood's Sarsaparilla, the old reliable all-the-year-round medicine, is especially commended in the spring because it purifies the blood and gives vitality, vigor and tone, it is wonderfully successful in the treatment of loss of appetite and the other ailments prevalent at this time. It is not simply a spring medicine—it is the best spring medicine.

Hood's Sarsaparilla makes the rich red blood the digestive organs need.

EXAMINATIONS FOR PUBLIC UTILITIES ENGINEER
Civil Service Commission Will Secure List of Eligibles.

The statement that the civil service commission had refused to exempt the engineer of the public utilities commission from the operation of the civil service law was contradicted on Thursday by Charles G. Morris, president of the civil service commission.

Mr. Morris, in New Haven, dictated the following statement: "After a conference at which the members of the public utilities commission were informed that the position of engineer to the commission was one which might be exempted from the operation of the law, the public utilities commission determined to utilize the facilities which the civil service commission had for determining the relative desirability of candidates."

At a conference between the two commissions at the capitol, Wednesday, the understanding was given that the civil service commission would hold an examination of candidates for appointment to the position of engineer.

The civil service commission will furnish the public utilities commission a list of eligible persons for the position from the list of candidates who may take the examination if any come up to the required standard. But it will not follow that the public utilities commission will make an appointment from the list of the civil service commission.

At a conference between the two commissions at the capitol, Wednesday, the understanding was given that the civil service commission would hold an examination of candidates for appointment to the position of engineer.

The civil service commission tabled the matter of exempting the engineer from the law. Chairman Morris stated that he had been informed that the board of directors of the prison had not taken action on the matter.

AT DAVIS THEATRE.
Vaudeville and Photoplays.

At the Davis theatre on Thursday a musical absurdity called Hotel Ala Carte was presented in capital form for the change of bill by the Walter Garden Revue company, which appeared in a sprightly offering of new songs and pretty costuming adopted to the local color.

Local comedians, who were the production by the parts given to those cast as guests at the hotel as follows:

Miss Norwich, Wilda Nelson; Miss New Haven, Lulu Hagan; Miss New London, Anna Smith, Miss Hartford, Anna Allen; Miss Bridgeport, Loretta.
