

WESTERLY MAN WEDS IN PROVIDENCE

Marriage of John A. Lenihan and Miss Helen McGair—Business in Probate Court—Rev. William F. Krause Transferred to New Britain—President William B. Walker of Norwich Thermos Plant Goes to Private Hospital.

John A. Lenihan, manager of the Direct Importing company in Westerly, and Miss Helen McGair, daughter of Mrs. Mary McGair, 134 Bridgman street, Providence were married Tuesday morning at a nuptial mass in St. Mary's church, Broadway, Providence, by Rev. Thomas O'Brien, son of Michael O'Brien of Westerly. The ceremony was witnessed by many friends in Providence and from Westerly, Blackstone, Woonsocket, Boston and Hartford. The bride wore white duchess satin and bridal veil with a chaplet of orange blossoms. She carried a bouquet of white roses.

The bridesmaid, Miss Margaret McCovern of Providence wore pink over-willow tulle with lace over white picture hat with pink feather. She carried pink sweet peas. William J. Lenihan of Westerly, brother of the bridegroom was the best man. The bride's gift to the bridesmaid was a ring with diamond setting. The groom's gift to the best man was a watch fob.

A breakfast was served at the home of the bride's mother. Mr. and Mrs. Lenihan left on the 2:08 train for their wedding trip. They will reside at 51 Summer street, Westerly.

Congressman Gerry has evidently felt the pulse of the people of Westerly and is acting in accordance therewith, judging from the special Washington correspondence. "The Westerly postmaster's case sleeps. It has not awakened," said First Assistant Postmaster General Roper, who has charge of postmaster's appointments, when asked about it. What the reason is for the delay is not learned. If the department is waiting to receive a recommendation from Mr. Gerry for filling the office, it would seem that Mr. Gerry is not anxious to have Charles J. Butler, the present incumbent, displaced. That was the report last fall. Nearly a year of delay would seem to confirm it.

Former Lieutenant Governor Roswell B. Burchard will deliver the address at the dedication of the statue to General Nathaniel Greene, Rhode Island's Revolutionary war hero, at Guilford battle ground, Greensboro, North Carolina, July 3. The lieutenant governor of Georgia is to speak on Nathaniel Greene, A Citizen of Georgia. Mr. Burchard is the official representative of Rhode Island. The Vermont Comptroller and Kentish Guards of East Greenwich will be represented by delegates.

Judge Edward M. Burke presided in Westerly probate court Tuesday afternoon. Attorney John J. Dunn represented Charles D. Wilcox, administrator of the estate of his brother, Albert R. Wilcox, in support of a petition for an allowance of \$400 from the estate of \$950 for the erection of a monument to the memory of Albert R. Wilcox. Mr. Dunn explained that the administrator was full brother of the de-

cey of the accident, accompanied by Dr. Scanlon. State Agent Smith of the Rhode Island society for the Prevention of Cruelty to Animals came to Westerly on Tuesday and investigated a case that was called to his attention and after a while he declared: "I've got the ball and I'm now going fishing." He went direct to Pleasant and Pierce streets, in the Italian colony, and inquired into an alleged case of cruelty to a horse that was inflicted, so it is alleged, by a fellow who is not an Italian. Agent Smith received information that when a horse balked the owner poured gasoline on the animal and set fire to it, as a means of making the horse move. The animal was so severely burned that death resulted. This is the story that Agent Smith heard and is now investigating. Should the story prove true, there will be immediate prosecution.

The roadway in Pleasant street, from Canal to Pierce streets, is being macadamized, curbing having been laid in that section of the street. Tuesday morning while the ten-ton road roller was being operated in that street by Martin McCreath the capstone of a drain passing under the street broke under the weight of the roller and the big machine dropped a couple of feet and the work of macadamizing the street got forward to completion.
