Very Inflamed and Red Looking, Itched and Burned Badly, Did Not Sleep Well. Used Cuticura Soap and Ointment. Face Cleared.

33 Windsor Ave., East Lynn, Mass.—My little girl's face broke out first as a pimply and she scratched it causing it to spread all over her face as a fine rash.

"I tried all kinds of creams and salves but they didn't help. I thought of Cuticura Soap and Ointment and decided to try them. After using them a few times I was well pleased so I used them continually for about two weeks. Her face cleared and now you would never know she had had any skin trouble." (Signed) Mrs. R. Steeves, August 5, 1914.

Sample Each Free by Mail. Although Cuticura Soap (25c) and Cuticura Ointment (50c) are sold everywhere you may try them before you buy them. Free sample each with 23-p. Skin Book on request. Address post-card, "Cuticura, Dept. T, Boston."

HOW TO REDUCE VARICOSE VEINS

Many people have become dependent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches. If you will get a two-ounce original bottle of Moore's Genuin (Full strength) at any first class drug store and apply it night and morning as directed you will quickly notice an improvement which will continue until the veins and bunches are reduced to normal. Emoroid Oil is extensively used in hospitals and in factories as first aid to the injured. It is harmless, yet most powerful germicide and two ounce bottle a very long time. Indeed, so powerful is Emoroid Oil that soft venous, pitted, swollen glands, varicocele and wens are reduced. It is one of the wonderful discoveries of recent years and anyone who is disappointed with the use of any other remedy should get a sample on receipt of 10 cents from Moore's Chemical Co., Rochester, N. Y.
