Blue Jersey Men were the Zenith Rowers in First Day of National Regatta on Connecticut-New Yorkers Made Good Showing-Hoover Outclassed Six Competitors.

FINANCIAL AND COMMERCIAL

MARKET UNSETTLED AT CLOSE. Heavy Selling Marked the Trading of the Final Hour.

New York, Aug. 13.-The overnight decision of the Interstate Commerce Commission directing sweeping reductions in rates now charged by the Atlantic railroads was the event of primary importance to the day's stock market. Shares of the companies most concerned registered initial losses of 2 to 6 points, the balance of the market recording gains moderately. This decision was temporarily neutralized by a later ruling of the commerce commission which in essence favored the soft coal roads, but transportation stocks were under constant pressure and closed with a heavy decline.

In the meantime, especially those of the more-mercantile character, were again taken in hand by pools and syndicates with resultant advances of 3 to 5 points. Motor shares were also prominent, the movement in this group being wider than in other equipments or industries. New high records for primary speculative importance to the day's stock market.
