SHERIFF C. A. GATES HONORED.

Presented Gold Badge Following Complimentary Dinner at Windham Inn.

Friends to the number of fifty or so gathered at the Windham inn Tuesday night to do honor to Charles A. Gates, sheriff of Windham county and one of the most popular men in its territory. Mr. Gates was elected last fall and took office June 1st of this year. A social evening was spent at the inn and one of its famous dinners enjoyed by the gathering, which numbered men of all ranks and parties and included Frank E. Healey of Windsor Locks, ex-speaker of the house, and Congressman Richard F. Freeman of New London.

During the evening Sheriff Gates was presented a handsome badge of office, a 14-karat gold shield two and one-half inches high and two inches wide. At the top is a spread eagle, in his beak a scroll of blue enamel facing with the words "Charles A. Gates." In the center is the seal of the state of Connecticut, with a diamond on either side in a star. Above the seal on blue enamel is the word "Sheriff," while below the seal are the words "Windham County." Above all are two diamonds. On the reverse side is the inscription "Presented to Charles A. Gates, Sheriff, by Willimantic Friends, June 1, 1915."

ERROR ON BALLOT.

George Mahen's Name Spelled Mahen—Secretary of State's Office Notified.

The sample ballots, and the regular ballots for use in the coming election, have arrived at the office of the town clerk. In going over the ballots it was noticed by a prominent democratic politician that the name of George Mahen was wrongly spelled on the ballot and read "Mahen." Town Clerk Fenton's attention was called to the mistake, as he had had no time to examine the papers carefully, the mistake being noticed soon after they came to the office. Mr. Fenton called up the office of the secretary of state in Hartford and reported the matter. He was told that former attorney generals had ruled that if there was no such name on the voting list, and it was evidently a mistake, it was all right. It is probable, however, that Attorney General George E. Hinman of this city may be asked to pass upon the question. If his opinion was favorable, there seems to be no other course than to have the ballots reprinted.

NOT GOING TO NORWICH.

Elks Change Plans Because of Chief Gerrick's Death.

At a special meeting of the local order of Elks held Monday evening it was voted to cancel the arrangements made by the order to participate in the Norwich celebration, when the annex to the Elks home in that city is to be formally dedicated. This was done in honor of the memory of F. W. Gerrick, who died Monday and who was an active member of the organization. Arrangements were also made for a delegation to escort the body to the grave and to take part in the funeral exercises.

WEDDING.

Sypher—Chasse.

In St. Mary's church at 8 o'clock Tuesday morning Henry F. Sypher and Miss Dora E. Chasse were united in marriage by Rev. J. J. Papillon. The attendants were Arthur Chasse and Miss Florence Chasse. The bride wore a gown of white crepe de chine trimmed with chiffon and seed pearls. Her veil was caught with lilies of the valley and she carried a bouquet of bride roses. The bride's attendant wore a gown of pink crepe de chine with hat to match and carried Marchesa bride roses. A breakfast was served at the bride's home following the ceremony which about forty friends and relatives were bidden. After a short wedding trip Mr. and Mrs. Sypher will take up their residence in this city.

RATHBUN BOUND OVER.

Young Forger Does Not Seem to Realize Seriousness of Crime.

In the police court Tuesday morning William J. Rathbun was bound over to the superior court under bonds of \$700. Young Rathbun was charged with forging a check for \$100 which he tried to pass on J. B. Fullerton, a local dry goods merchant, by making a five-cent purchase and offering the check in payment. This is not the boy's first offense, as it has since transpired he paid for livery service Sunday, tendering a check for \$2.25 to Dan C. Martin, who cashed it, giving the boy 25 cents in change. This check was made out to Edward Caddy, signed by William Rathbun and endorsed by William Rathbun. When the elder Rathbun was confronted with the check he admitted that the signature was not his. The boy did not seem to realize the enormity of his offense.

LIFE SAVED AFTER OPERATION FAILED

Mrs. Clara Shaw of Providence Used Wonderful Remedy.

Mrs. Clara Shaw of 493 Dexter St., Providence, R. I., was a sufferer from stomach and liver troubles for many years. She was treated both in the United States and abroad. She underwent an operation. Still she suffered.

Then she took Mayr's Wonderful Remedy and found swift relief. In a letter telling of her case she said:

"I received your simple treatment the day before Christmas and it saved my life, for I was almost gone. I had an inflammation that got right up in my throat and seemed to choke me. My neighbors say it is a miracle, as they know how I suffered. I am better now than I have been for 20 years."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfied money will be returned.

New Method Makes Straight Hair Wavy

(Popular Hygiene.)

It has been found that a simple and harmless fluid, well known to the drug trade, has produced the desired action when applied to straight, lank, unruly hair. It dries in exquisite waves and curls which have all the appearance of true naturalness. It has also proved a delightful and beneficial dressing for the hair.

This product is nothing more than ordinary liquid almirone, which of course anyone can afford to use. A few ounces of it will last a long time. One will enjoy the effect not only because there is nothing sticky, greasy or unpleasant about it, but because it is so easy to apply. It is necessary to moisten a clean tooth brush with the fluid and run this through the hair from crown to tip. If this is done at bedtime the hair will be beautifully wavy and curly in the morning and will not have that dull, scorched look which comes from the use of a hot iron.

JEWETT CITY

Wild Duck Hunting Not What It Was—Hunters' Licenses Issued—Low Temperature Tuesday Morning—Apples Blown from Trees.

For the first time since black ducks were protected by law, the season for shooting is not open on them until Oct. 1. The date has always been Sept. 1st. On other game the law is off Oct. 8th and goes on again Nov. 24th, thus taking two weeks from the hunting season, as it used to be Oct. 1 to Nov. 30.

Time was when duck shooting in the Tadpole pond worked like a charm of sport. Everything that would throw shot was called into commission on Sept. 1st. Sometimes there would be as many as a dozen hunters in one evening on this feeding grounds, where they came from the Quinebaug to stay for the night. It was no unusual sight in those times to see eight or ten flocks come in from different directions just before sundown. There would often be several hundred ducks.

At that time some elaborately constructed blinds were situated at different parts of the pond. These times it is a fortunate hunter who gets a shot; the ducks are few and exceedingly hard to come at.

The new restrictions passed by the general assembly, session of 1915, say that no duck shall be taken except with a gun fired at arm's length without a rest. They shall not be fired at from a boat propelled otherwise than by hand, or from any floating device used to conceal the hunter, if more than 50 feet from shore or natural growth of grass or flags, and they shall not be taken except between sunrise and sunset.

Wood duck, which are nearly extinct in this section, are protected until Aug. 31, 1916.

Town Clerk John Welsh has issued new hunters' licenses to the following persons: John J. Herbert, Harold Herbert, Ernest Eccleston, William M. Moonssees, John Moonssees, Charles H. Bromley, William Marshall, Robert Willis, H. G. Willis, W. S. Rood, Theodore Tetraulny, Max Burkeroroda, Charles H. Sheldon, J. Byron Sheldon, William Grenier, Joseph Grofmaliski, H. George Wilcox, Lewis Hewitt, Herbert G. Gaudette, Clifford Eccleston, Daniel H. Kenyon, Joseph Fournier, Lloyd Herbert, Stanislaw Bakonowsky, Asher B. Poppie, Theodore Robinson, Albert G. Green, John F. Sullivan, Arthur Gaudette.

Down to 36 Degrees.

Monday night was the nearest approach to freezing that this section has known in many days. The temperature fell to 36 degrees, the mercury had dropped to 28 degrees.

Apple raisers in this section report that nearly two-thirds of their apple crop is on the ground, as a result of Sunday's "sou'-wester."

Flock of Wild Geese Taken.

In connection with duck hunting in Tadpole pond, a story is told by an old-time hunter, the truth of which is vouched for by many local sportsmen. Many times, even recently, wild geese in their migratory flights in the early spring have stopped a while in Tadpole to rest. One night, after two or three days of severe northeast storm weather, a flock of geese, being stormbound and tired, dropped into Tadpole about sundown. During the night the weather cleared and came on much colder. In the morning the half-inch ice that covered the pond prevented the geese from getting away.

The railroad section men, of whom the late Addison Learned was foremost, sent word to the town, and men and boys with long poles and guns hurried to the scene. Birds were secured and the whole flock, over 40, were taken.
