

Why Women Suffer

Many Norwich Women Are Learning the Cause.

Women often suffer, not knowing the cause. Backache, headache, dizziness, nervousness, irregular urinary passages, weakness, languor—

Each a torture of itself. Together hint at weakened kidneys. Strike at the root—get to the cause. No other remedy more highly endorsed than Doan's Kidney Pills.

Recommended by thousands—Endorsed at home. Here's convincing testimony from a Norwich citizen.

"Mrs. J. F. Sundstrom, Norwich, says: 'For several years I suffered from backache and other symptoms of disordered kidneys. I had about despaired of ever getting relief when I was advised to try Doan's Kidney Pills. I procured a supply of the remedy at N. D. Sevin & Son's Drug Store, and through their use, my kidneys were strengthened and I felt better in every way.'

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sundstrom had. Foster-Milburn Co., Props., Buffalo, N. Y.

Colds Do Not Leave Willingly.

Because a cold is stubborn is no reason why you should be. Instead of "waiting" it out, get relief by taking Dr. King's New Discovery. Dangerous bronchial and lung ailments often follow a cold which has been neglected at its beginning. As your body faithfully battles those cold germs, no better aid can be given than the use of this remedy. Its merit has been tested by old and young. Get a bottle today. 50c and \$1.00.

PLAINFIELD

Grange Holds Interesting Meeting Devoted to Thanksgiving and Potatoes—Improvements at Station.

Plainfield grange, No. 140, P. of H. held its meeting Tuesday evening in Grange hall. Master John A. Gallup was in the chair. There were 33 members present. Myrtle Brown presented the following programme, the subject being Thanksgiving, but in honor of Potato day, which is Nov. 25, a portion of the programme was devoted to potatoes. A large number of samplings were shown. The programme follows: Reading, The Origin of the Potato, by Sister Edith M. Kennedy; A Parcel Post Turkey, by Sister Annie Exley; reading, The Quilting Bee and Thanksgiving Day of 1915, by Sister Lottie Dodge; The World's Greatest Industry and Estimate of Connecticut's Crops, Sister Myrtle B. Brown; Brother Beecher John told of neighbor crops of potatoes and other vegetables; Brother John Gallup spoke of his crop of potatoes and suggested methods of cooking them; Brother George Weston spoke on a potato menu, this proving the most interesting and instructive subject of the evening, being thoroughly enjoyed by all; Methods of Making Potato Pies, by Sister Lottie Dodge; song 90; New Ways of Serving Potatoes, Sister Esther M. Barber; Prayer for Potatoes, lecturer; discussion of the distribution of crops; Brother Nathan Exley: A Grange Teaching, which proved interesting, by Sister Bertha L. S. Gallup. After the programme, the grange was closed. Hot coffee and chocolate was served by Sister Exley and Brother Brown.

Brief Mention.

Mrs. Henry Dorrance is improving steadily. Workmen have started on the work of heralding the station building. Harold Burke is able to be around again after an illness of some weeks. Mrs. E. Amlot is ill at her home on Plainfield street. The St. Paul's Episcopal church is planning a harvest festival at the church Sunday.

DANDRUFF GOES! HAIR GETS THICK, WAVY, BEAUTIFUL

SAVE YOUR HAIR! DOUBLE ITS BEAUTY IN A FEW MOMENTS. TRY THIS!

HAIR STOPS COMING OUT AND EVERY PARTICLE OF DANDRUFF DISAPPEARS.

Try as you will, after an application of Danderine, you can not find a single trace of dandruff falling hair and your scalp will not itch, but what will please you most, will be after a few weeks use, when you see new hair, fine and downy at first—yes, but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—you hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any that it has been neglected or injured by careless treatment—that's all. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

DANIELSON AND PUTNAM NEWS

DANIELSON

Dr. and Mrs. Robinson Going South—Rev. William Zumbro to Speak at Congregational Church—Savio-Bernier Marriage—Forty Families Who Would Come to Borough Waiting for Homes.

Dr. Renshi Robinson, who has been ill, and Mrs. Robinson, leave Monday for Asheville, N. C.

Miss Adah Davis of Minneapolis is visiting here with Dr. and Mrs. S. Warren. Miss Davis' father, Hon. Edwin Davis, was the donor of Davis park.

Mr. and Mrs. Phillip S. Maynard and family motored to Baltic for a visit with relatives.

Candidate for Patrolman.

George Baribeault is a candidate for appointment as a patrolman in Danielson.

Ralph C. Young attended the Shriners' meeting in Hartford Wednesday evening.

First Moving in 58 Years. Mrs. Thomas James left Wednesday to make her home in Providence with her daughter, Mrs. Charles Jencich. She has been a resident in the same house on the West Side for 58 years.

William B. Wheatley and Gaston A. Madison returned to Worcester on business trip.

Clifford B. Fattori of New Britain was a visitor with friends in Danielson Wednesday.

Will Entertain at Cairo. Mr. and Mrs. Hugh Carragher will entertain a party of friends at what at their home on Academy street this evening.

Samuel Dean, formerly superintendent here for the Danielson Cotton company, has gone south to take a position.

Charles E. Franklin Recovering. Charles E. Franklin continues to make satisfactory progress toward recovery after a recent operation for appendicitis in Providence, Rhode Island, and will be able to leave the institution within a few days.

Slaughter at Champagne. Edouard Sargent received on Wednesday a letter from a relative in France stating that 150,000 dead and seriously wounded Germans were left on the field after the frightful battle of Champagne, undoubtedly the most terrible in history.

FUNERAL.

Mrs. Minerva Adams. At her home in Dayville Wednesday afternoon, Rev. J. W. Wright conducted funeral services for Mrs. Minerva Adams. Burial was in Westfield cemetery.

Louis E. Kennedy was the funeral director.

Towns Must Pay for Inebriates' Keep. The fact that this town, or any other town or city from which a person is committed, must pay the cost of maintenance of persons sent to the state farm for inebriates isn't going to make the practice a favorite one, however beneficial the results to education, send them to jail and that's where most of the inebriates will continue to go.

The comptroller of the state has ruled that towns or cities must pay the cost of keeping inebriates at the state farm and the cost per person for six months, the shortest period of commitment, is not much less than \$100.

Patrolmen—But Not Yet. After a conference the board of burgesses decided not to carry out the borough's vote to place patrolmen on the street until they have secured the signed agreement of business men who heretofore have stated that they would pay to the borough a stipulated sum each week for special supervision over their places of business.

This probably would be a weekly sum as business men have been paying for night watchman service. It also has seemed desirable to the officers to put the patrolmen on duty until a set of rules and regulations to govern their duties and conditions have been drawn up and adopted.

Meanwhile the burgesses leave the matter of appointments of patrolmen until the other details are arranged.

Chicken Pie Supper. Wednesday evening in the vestry of the Congregational church the ladies of the Congregational church at South Killingly served a chicken pie supper, the proceeds from which are to be applied to the needs of the sister church, which was established in the eighteenth century and has ever since been a place of worship dear to the hearts of many of Killingly's oldest families. The supper was excellent and temptingly served.

Rev. William Zumbro to Speak. This evening at the Westfield Congregational church, at 7.30 the annual thank offering meeting of the Ladies' Missionary auxiliary will be held. The speaker is to be Rev. William M. Zumbro, a missionary home for a period from his station at Madura, India, and at present staying in Norwich.

WEDDING.

Savio-Bernier. At St. James' church Miss Louise Bernier, daughter of Mr. and Mrs. Frank X. Bernier, of this place and Adelard Savio of Moosup were united in marriage by Rev. M. J. Ginet, M. S.

The unusually high bride price paid at the mill is the attraction and the help that is coming here is high class and a welcome addition to any town that is fortunate in having them. Every day applicants for work at the mill, where there is plenty of work, go away because there are no homes for them in Danielson.

On the lines that are now being woven at the mill a weaver operates very few looms, some of them only one, some of them over four, so many more workers are required and will be required permanently than was the case under the old regime when weavers ran "half the shop," as the saying used to be.

Chance for Hustling Investors. From the viewpoint of those who are anxious for Danielson's industrial development, the crying need of the town today is, new homes and plenty of them. The borough and other sections are suffering for the need of them. Fifty houses would not be too many. Danielson has started to grow and grow fast, but realization of the fact seems not to have come to pass.

In the past two years approximately 200 new homes have been built here, all are occupied, yet the demand for houses is greater than the supply. Interviews with prominent business men indicate that individuals here would find profitable investment for their money in housing. The town is rented by persons earning a moderate wage. It has also been suggested that outside capital might be invited to investigate the local situation with a view to building houses and there has been mention of a local Building and Loan association. Whatever the method to get the houses, Danielson and Killingly needs them as it needs no other immediate aid to industrial development and it seems to be up to somebody to get busy. Then probably many will be willing to help work the proposition out.

POMFRET BARN BURNED. \$500 Loss, Said to Be Caused by Children Playing With Matches.

Fire destroyed the barn on the Henry Hickey place in Pomfret Wednesday shortly after the noon hour, causing damage estimated at about \$500. It is said that the fire was caused by children playing in the barn with matches. The auto chemical was engaged in road work in the neighborhood. The firemen saved from destruction the house, which was several times ablaze.

Joseph Burke, who does business here, was caught serving out the liquor, which is owned by H. H. Davenport of Pomfret.

OBITUARY.

Miss Mary E. Tatem. Miss Mary Edie Tatem, daughter of Mr. and Mrs. James B. Tatem, died at her home Tuesday evening. Miss Tatem had been in poor health for a number of years, but until within a very few days has been able to be about and last week motored to Worcester.

Miss Tatem was born in Woodstock. She came to Putnam with her parents in early childhood. Her education here consisted of taking the courses in the graded and high schools here, and completing a member of the Putnam High School class of 1893.

Miss Tatem later entered the Emerson school of Oratory, at Boston, where her course was so successfully completed that she afterwards was invited to become a member of the faculty and did so, remaining until the condition of her health made it seem desirable to relinquish her duties there.

Miss Tatem specialized in literature and drama, spending a year in Paris to attain the perfection she desired. Miss Tatem was one of the most accomplished women of the city.

Miss Tatem leaves her father and mother, a brother, James B. Tatem, Jr., of this city, and several brothers.

Instead of the lines that have heretofore been woven there, The market for the new lines has proved unusually favorable and the result has been a constantly growing need for more and more operatives. With the plant now yet operating to near the full capacity the company is greatly handicapped for homes in which to house more operatives. Every one of the 67 tenements owned by the company is occupied and other families of employees are housed on the West Side in dwellings of another mill corporation. In addition the company's boarding house is crowded to its limit with mill workers.

Agent F. E. Cunniff says that forty families are waiting to come here, but are being kept away by lack of homes. The unusually high bride price paid at the mill is the attraction and the help that is coming here is high class and a welcome addition to any town that is fortunate in having them. For washing dishes use a teaspoonful of Gold Dust to a full dishpan of hot water.

Follow the simple directions on every package of Gold Dust.

For washing dishes

This is one of the uses in which Gold Dust is supreme.

But remember that its use is not to be limited to washing dishes.

Gold Dust cleans, brightens and beautifies everything in the house.

It is safe, quick, and sure.

Millions of women have learned that it is the one washing and cleaning powder for all cleansing and purifying purposes.

It cleans floors, linoleum, kitchen utensils, bathtubs and bathroom fixtures, windows, fine woodwork, silver, plated, copper and nicked and enameled ware—

And it does not scratch or mar.

In the truest sense Gold Dust really works for you.

It penetrates corners that can not be reached with fingers or wash cloths and takes out dirt and grease. In addition to its activity as a cleaning powder, Gold Dust acts as a disinfectant.

It makes everything clean and pure. Gold Dust is the only cleaner you need. Its popularity is universal.

It is inexpensive and indispensable.

RAIDED SHANTY. Officers Find Beer and Whiskey in Workmen's Shack—Two Men Arrested—Pay Fines.

Captain of police, John Murray, with Special Officer B. F. Chaffee and E. K. Smith, and his automobile, raided the shanty between the Little River bridge and the Day Kimball hospital, occupied by the laborers of the Pierson Engineering and Construction company engaged in road work in the city, Tuesday night. They seized a keg of beer, 32 bottles of beer and a half pint of whiskey. John Brunl, who was caught serving out the liquor, was taken into custody.

Complaints had been made that the place was one where there were frequent disturbances and women had been insulted in the neighborhood. The police visited the place and warned the occupants against a repetition of such action. Tuesday several men complained to the prosecuting attorney that they were unable to get their pay and that they were served drinks from the shanty. Upon complaint of the prosecutor, a search warrant was issued and was executed by the police.

In court Wednesday morning both Brunl and Zuccardy pleaded guilty to illegal sales. It was stated that the selling was only to the men employed on the job and the court was assured that the workmen looked up at something would be done to straighten out the matter of the pay. The dissatisfied men stated that they had no fault to find with the construction company, their grievance being with the commissary. Each defendant was fined \$15 and costs of \$8.09, which was paid.

During the raid one man was found drunk and taken and discharged by the court and another who was afraid of bodily harm looked up at the police station at his own request. Most of the laborers who have grievances are Poles.

FARMER'S INSTITUTE. Arranged by County Agent For North Ashford—Under Auspices of County Farmers' Association.

On Friday, November 26, 1915, a Farmers' Institute will be held at the Baptist church in North Ashford, in cooperation with the Windham County Farmers' association. This is the first of a series of such meetings to be held in cooperation with the County Agent. It is hoped that, as a result of this meeting, a local branch of the Windham County Farmers' association will be organized.

will be formed. An attempt will be made shortly to organize such a branch in each town in the county. There will be no further dues or obligations, but the members of the Windham County Farmers' association will be urged to meet regularly, and to have a special programme prepared for their meetings. This plan has proved very successful in other localities. At such meetings timely topics will be discussed and practical men will be present to aid in the discussion.

At the meeting in North Ashford, November 26, the following programme will be given: At 10.45 Professor J. A. McLean, formerly head of the Department of Animal Husbandry of the Massachusetts Agricultural college, will speak on "Improving the Dairy Herd." Opportunity will be given for questions and discussion. There will be a

basket lunch at 12 o'clock. The ladies of the church will furnish coffee. At 1.15 County Agent Kennedy will speak on "The County Agent and His Work." At 2.30 Miss M. Estella Sprague, assistant state leader of Boys' and Girls' clubs, Connecticut Agricultural college, will speak on Boys' and Girls' club work. The boys and girls are being particularly urged to be present in the afternoon to listen to Miss Sprague. It is hoped that a profitable and successful boys' and girls' club may be started in that vicinity.

Collect Nuts for Oils and Fats. The minister of education of Prussia has issued a decree, according to which the various school authorities are directed to give the pupils a vacation that they may systematically collect the beech nuts and acorns which now are falling, for the sake of the oil and fats they contain. The minister of agriculture has estimated that 400,000 tons of the former, and 100,000 tons of the latter will go to waste unless some definite steps are taken to gather them. From the components of the nuts, it has been found, a very acceptable table oil can be prepared which it is believed will go a long way to relieve the present shortage in that commodity.

A New Model Typewriter!

BUY IT NOW! Yes, the crowning typewriter triumph is here! It is just out—and comes years before experts expected it. For makers have striven a life-time to attain this ideal machine. And Oliver has won again, as we scoffed when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver "9." Think of touch so light that the tread of a kitten will run the keys!

CAUTION! The new-day advances that come alone on this machine are all controlled by Oliver. Even our own previous models—famous in their day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the little fingers of the right and left hands. And it lets you write them all with only 25 keys, the least to operate of any standard typewriter made.

Thus writers of all other machines can immediately run the Oliver Number "9" with more speed and greater ease.

17 CENTS A DAY! Remember this brand new Oliver "9" is the greatest value ever given in a typewriter. It has all our previous special inventions—visible writing, automatic space, 6 1/2-ounce touch—plus the Optional Duplex Shift, Selective Color Attachment and all these other new-day features.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous KRINTYPE, that writes like print, included FREE if desired.

TODAY—Write For Full Details and be among the first to know about this marvel of writing machines. See why typists, employers, and individuals everywhere are flocking to the Oliver. Just mail a postal at once. No obligation. It's a pleasure for us to tell you about it.
