HEAD STUFFED FROM CATARRH OR A COLD Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffing, blowing, headache, dizziness. No straggling, breathless night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

Rev. Dr. Howe presented a thoughtful sermon upon the relations of war and civilization. His text was taken from Ecclesiastes 2:11 and he said: "What profit hath a man of all his labor which he taketh under the sun? Then I looked on all the works my hands had wrought, and on the labor that I had labored to do; and there was no profit under the sun."

Herbert Willey Makes Improvements on the West Side.

The property on Asylum street between the number 42 and 52 which was recently conveyed to Herbert Willey and Mrs. E. J. Ayres of Franklin has taken on a new aspect of late. Mr. Willey has stripped the property of all unsightly buildings and has taken the land to be graded and correspond with the adjoining property.

On the Asylum street front there has been erected a substantial wall of modern character. The roadway formerly known as Melrose terrace has been graded, widened and otherwise improved. The old Melrose terrace has been removed and in its stead a new wide highway of full brass letters has been inserted in one of the ornamental caps which adorn the wall.

The residents in that vicinity are greatly pleased with the change which Mr. Willey has effected. The opening of the new street will give access to a number of buildings which heretofore has not been available. In the future this property will be known as Willey Place.

The construction work was in charge of Contractor Frank G. Rice.
