FAIRFIELD WOMAN FOR ANTI-SUFFRAGE SECRETARY
Mrs. W. B. Glover Elected at Washington—'Suffragists Tormenting Congress.'

The National Association Opposed to Woman Suffrage in annual convention at Washington on Monday, re-elected the principal officers and adopted a resolution attacking the lack of patriotism was shown in the efforts of suffragists to 'torment congress during a session which is called upon to solve the greatest national and international problem that have confronted the United States since the Civil War.'

SENATOR COCKRELL'S DEATH OCCURS IN WASHINGTON
Followed Attack of Acute Indigestion from Which It Was Supposed He Was Recovering.

The death of former Senator Francis Marion Cockrell, father of Mrs. Edson P. Gallaudet of Huntington place, this city, occurred at the Buckingham hotel, Washington, D. C., on Monday morning. A week ago Senator Cockrell suffered an attack of acute indigestion, but was recovering and Mrs. Gallaudet received word that she need not go to Washington to see him as he expected to be able to be in Norfolk for Christmas. The announcement of his death came as a shock and Mr. and Mrs. Gallaudet immediately left for Washington. Burial is to be in Warrensburg, Mo.

Reviewing the defeat of suffrage in eastern states last month, Mrs. Arthur M. Dodge, president, in her opening address, said: 'The voters have asked two questions: First, is suffrage expedient and their common sense has led them to say "No." Second, do the majority of women stand behind the demand for the vote? And the negative reply has emphatically followed the investigation of fact.'

Dr. Johnson county, Mo., Oct. 1, 1834, the son of Joseph and Nancy (Ellis) Cockrell, he was graduated from Chapel Hill college, Lafayette county, Mo., in 1857. The same year he was united in marriage with Miss Slapp, whose death occurred in 1860. His second wife was Anne E. Mann, being married in 1867, and his third wife was Ann Ewing of St. Louis, whom he married in 1874.

'This association deprecates and condemns the lack of patriotism exhibited by the suffragists in annoying the president of the United States and the congress in making a sham fight which is a scandal and a reflection upon the intelligence of American womanhood.'

Senator Cockrell was a man of exceptionally strong character and his record is an honorable testimony to his long life. As a statesman his wise counsel and good judgment were ever welcome and highly appreciated. As a friend he was a most devoted associate, counsellor and adviser and not only did he have a very large circle of personal friends, but he had gained nation-wide fame.

MR. COLEMAN'S ETCHINGS.
On View at Store of George A. Davis—Local Subjects in the Collection.

A portfolio of etchings by Rev. F. C. Coleman, pastor of Trinity Methodist church, has been attracting attention at the store of George A. Davis. All are landscapes, a number being local scenes. The artist has lent enough idealism to these latter to quite glorify even such familiar subjects as the West Side Bridge and the Thames River—with a view of Steamer Chelsea and the coal pockets. Other subjects include Lake Wentworth, New Hampshire, Winter—excellent in its treatment of background and leafless trees—Spring Ploughing, The Quarry, New London, Turnpike, The Edge of the Woods—an idea daintily worked out—and a New Hampshire Hayfield.

CHILD WELFARE IN CONFERENCE AT NORWICH.
To Be Considered in State Charities Conference Next April.

Recent procedure of Chicago and New York surgeons in the treatment of babies considered by them to have been born hopelessly defective has attracted wide attention and much discussion throughout the civilized world. The incidents have but served to stimulate interest in organized efforts for the study and betterment of mental and physical defectives as well as everything that has to do with the general welfare of children. For this reason the 1916 sessions of the Connecticut state conference of charities and correction, to be held at Norwich April 30 to May 2, will have an added interest, as two of the important subjects down for discussion relate to mental and physical defectives and children. Eastern Connecticut is well represented on the committees having charge of the arrangements, Mrs. Frank A. Mitchell of this city being chairman of the committee of children. Others on the committee are Mrs. John C. Averill, Mrs. Oliver L. Johnson and Rev. John H. Broderick, Norwich; Mrs. Robert B. Chappell, New London; Mrs. F. M. Wright, Stamford; Rev. T. B. Powell, Meriden; Miss Elizabeth Holcomb, Hartford; Mrs. Michael H. Ford, Bridgeport, and Sup. Eugene Van Why of the Gilbert home, Winsted.

Try this easy way to clear your skin with Resinol Soap

Bathe your face for several minutes with Resinol Soap and warm water, working the creamy lather into the skin gently with the finger-tips. Then wash off with more Resinol Soap and warm water, finishing with a dash of clear cold water to close the pores. Do this once or twice a day, and you will be astonished how quickly the healing, antiseptic Resinol medication soothes and cleanses the pores, removes pimples and blackheads, and leaves the complexion clear, fresh and velvety.

If the skin is in bad condition through neglect or an unwise use of cosmetics, apply a little Resinol Ointment* and let it remain on ten minutes before the final washing with Resinol Soap. Resinol Soap is not artificially colored, its rich brown being entirely due to the Resinol balsam it contains. Sold by all druggists and dealers in toilet goods. For free sample cake and trial of Resinol Ointment, write Dept. 37, Resinol, Baltimore, Md. *Physicians have prescribed Resinol Ointment for over twenty years in the treatment of skin and scalp affections.
