

STOP SCALP ITCH AND FALLING HAIR

How Dull, Lifeless Hair May Be Brightened and Invigorated

People whose hair looks dull and lifeless and who find it growing dry, brittle, splitting at ends and coming out fast at every combing, need a genuine scalp invigorator and should get one without a day's delay. A little Parisian Sage rubbed briskly into the scalp with the finger tips twice daily will work wonders for hair of this kind. Just a few days' use and the hair becomes glossy and healthy looking, dandruff vanishes, scalp stops itching and hair stops falling out. Parisian Sage is more than a hair tonic. It is a scalp treatment and its use means strong, beautiful hair and a healthy scalp. Lee & Osgood and leading druggists everywhere sell Parisian Sage. It is not expensive.

FRENCH-AMERICAN FUR COMPANY
THAYER BUILDING, Franklin Square

E. C. JEWETT GOING TO BROCKTON

Elected Secretary of Chamber of Commerce—Is to Begin New Duties There On First of January—Has Been Prominent in Civic Circles Here—Will Resign Position With American Thermos Bottle Company.

E. C. JEWETT

In announcing the selection of Elmer C. Jewett of this city as secretary of the Brockton Chamber of Commerce, the Brockton Daily Enterprise of Wednesday said:

Elmer C. Jewett of Norwich, Conn., newly elected executive secretary of the Brockton Chamber of Commerce to succeed William Littler is to tender his resignation as assistant superintendent of the American Thermos Bottle Co., in Norwich, and will begin his duties in Brockton, Jan. 1. The directors of the local chamber believe that in Mr. Jewett they have a man admirably equipped to give efficient service here, as he has an enviable record in civic work.

His most notable achievement in recent years along the lines of industrial welfare was when the people of Norwich decided to raise the sum of \$25,000 as an inducement for the American Thermos Bottle Co. to come to Norwich. Elected as captain of one of the teams to raise funds he showed the way by raising the largest amount of money and from then on was very much in the limelight. He was given the position of assistant superintendent and has filled it very capably.

The new executive secretary has had a broad experience in the railroad business, which is regarded as an asset in Chamber of Commerce work. He was for a time freight agent at Norwich for the New York, New Haven & Hartford railroad. At that time he was elected president of the Association of Freight Agents of Connecticut.

Mr. Jewett has been very active in the Norwich Chamber of Commerce, of which he is a director, and is a member of the Norwich Board of Trade. In both organizations he held important committee memberships. He was recently elected secretary of the Boy Scout Council of Norwich, an important position because of the strength of the organization in that state, and was active in the establishment of the council.

Murray D. Lincoln, agricultural agent for the Plymouth County Trust Co., and Mr. Jewett are intimate friends, their acquaintance dating back to the organization of a county league in Norwich similar to the Plymouth County Farm Bureau here. Mr. Jewett was appointed as one of a committee of three to look into the proposition of such a league and the outcome was the establishment of the league of the strong county league of the country. Mr. Jewett was the prime mover of the project and was elected secretary, which position he still holds. It was the first county league in the state and within seven months every other county in Connecticut had followed suit.

As master of the Norwich grange Mr. Jewett was instrumental in nearly doubling its membership. He has taken several special courses at the Connecticut Agricultural college.

Mr. Jewett was born at Clark's Corner, Conn., is married and has two children. He has a pleasing personality and is distinguished by a striking Van Dyke beard. He is affiliated with several fraternal orders.

Mr. Jewett came here from Putnam in November, 1909, to succeed Lemuel M. Gilchrist as freight agent for the N. Y. N. H. & H. railroad. He was station agent in Putnam for three years and previous to locating in Putnam he was station agent at Norwood Central and Franklin, Mass. Mr. Jewett was master agent of Consolidated division, No. 3, of railroad station agents, which includes the Midland, Boston, Providence and Old Colony divisions of the New Haven system.
