**NORWICH TO HAVE AUTO SHOW**  
Majestic Building Selected as Exhibition Hall—March 11 to 18 the Dates—Local Dealers Enthused.

Selected because it is the natural trading center for eastern Connecticut, Norwich will have the first automobile show ever held in this part of the state. The show is to be held at the Majestic building on Shetucket street and opening Saturday, March 11, at noon, will continue for one week, concluding on March 18. With the exception of the opening day, the hours will be from 10 a. m. until 10.30 p. m.  
Exhibits direct from the Boston and New York auto shows will grace the exhibition hall, which provides 10,000 square feet of available space.  
That Norwich is alive as an auto city is demonstrated by the fact that reservation has been asked for almost double the available floor space, inquiries coming from dealers and manufacturers from many points and points. Local dealers are particularly enthused, and practically all have promised their support and co-operation.

Automobile Trade Press, has been appointed director of the auto show. Space rentals are to be at the rate of \$15 per car, less 5 per cent. for each additional car. No exhibitor may enter more than five cars. A 50 per cent. to be made as follows: 5 per cent. at the time the contract is signed, and the balance on the opening day of the show.  
Each exhibitor will receive 25 complimentary tickets when the contract is accepted. In addition, the management during the show should his first allotment prove insufficient to cover his prospects. The management reserves the right to limit the number of tickets issued to any exhibitor.  
When rentals for car space exceed the total cost of conducting the show the management agrees to refund to the car exhibitors the full amount of the amount paid for space and not on the number of cars exhibited. The exhibition hall will be open for the admission of the public from 10 a. m. to 10.30 p. m. Cars coming in early will be allowed the use of the wash stand for washing only. Polishing must be done on the exhibition grounds. The show will be placed by noon Saturday, March 11th, 1916. The signs and decorations of the show space and booths must be uniform and follow the color scheme used in the hall decoration, green on a white background.

It is expected that the Norwich owners will identify the stolen articles in New London today.

**AT THE AUDITORIUM.**

Vaudeville and Moving Pictures.  
Nedra, the feature moving picture Thursday at the Auditorium is a favorite with the good sized houses both afternoon and evening. The movie, in five acts, is taken from George Barr McCutchen's famous novel and with When Cinderella Went Dry, a comedy, filled the photoplay bill.

In the vaudeville, a comedy singing and dancing act presented by Dick and Alice McAvoy, and Tabor and Claire, two classy girls in attractive gowns of New York's latest fashion, gave good exhibitions of singing and dancing. Lefroy and Barry wound up the vaudeville program with an act including juggling, dancing and acrobatic stunts.

**FOR RELIEF OF JEWISH WAR VICTIMS**

Local Committee Arranging Mass Meeting for March 12.  
A mass meeting is being arranged by the Federated Jewish Relief committee of Norwich, to be held at the Davis theatre on Sunday, March 12, when some of the most prominent men of New York, such as ex-Judge Leon Sanders, Grand master of the county, A., and president of the Hebrew Sheltering and Immigrant Aid society, and Rev. Maslinsky, the famous and most prominent Jewish cleric in the country, will address the meeting. An invitation has also been extended to Mayor Murphy to address the audience and has been accepted. The Rev. Plaut will act as chairman of the evening.

The horrors of the Jew in Europe that have leaked out through the suppressed censorship has caused the organization of the local committee, which represents the various leading Jewish organizations in the city. The purpose is to raise funds to help alleviate the sufferings of the Jews in Europe, and to starve out re-educationists that are now homeless and without any means of earning a livelihood.

The privations, sufferings, the horror of it all is indelible. Norwich ought to continue its hearty support to the movement to raise an American fund to help the unfortunate Jewish victims of the war. Every body of whatever race, religion, class or condition ought to help by giving their mite to the fund.

Two thousand organizations throughout the United States were represented by delegates at a recent national meeting of the Hebrew Sheltering and Immigrant Aid Society of America, held in New York.

Of 142 immigrants detained during the year by the immigration authorities, the Ellis Island Bureau of the Society secured the admission of all but 25. It also satisfied the Department of Labor that 70 per cent. of the immigrants who had, since the beginning of the war, been detained temporarily on bond, would not become public charges, with the result that these immigrants were permitted to remain permanently in this country.

While the economic depression that prevailed in the early part of last year seriously affected the membership of many societies and clubs, the number of members of the Hebrew Sheltering and Immigrant Aid Society of America increased from 45,767 in 1914 to 52,082 in 1915. Eighty members or an increase of 14 per cent. This is a remarkable demonstration of the firm hold which the society has over the affections of the Jews of America.

**SUCCESSFUL WHIST AND DANCE**

**AT THE DAVIS.**

Vaudeville and Moving Pictures.  
Three exceptionally good vaudeville acts marked the midweek change at the Davis theatre on Thursday. The headliner was The Vacuum Cleaners, a company of all around comedy actors who scored a decided hit with a good sized audience. The act was presented by Billie Burke and George B. Holland. The second act was a good sized comedy, presented by Silent Mora, who presented comedy juggling and magic specialty. The last vaudeville act was that presented by Louie E. Geary, a good comedian, who appeared in singing, dancing and character changes.

For the movie programme the feature film was The Altese Case, a five act Essanay production, with Bryant Washburn and a large cast of well known movie players. Perils of the Park was the title of the Triangle Keystone comedy, with Harry Garbins in the leading role.

**ENTERTAINMENT AND SOCIAL AT GERMAN CHURCH**

Young People Carried Out Program Before Large Audience.  
The Young People's Society of the German Lutheran church on Franklin street held a well attended social and entertainment at the church Thursday evening. The following program was carried out:  
Selected orchestra; selection, mixed chorus of 20 voices; German play, Today is No Day for Carpet Cleaning; pantomime, Tramp is Boss; duet, Mrs. Bruno Weiler, soprano; Rossini; English play, Quench the Tyranny.

The German play caused much laughter. It seems that it was a law of the church that the play will be cleaned only on Fridays. One who could not finish his cleaning on Friday tried to finish up on Saturday and he was brought before the court and tried. The cast follows: Miss Anna Schultz, Miss Bertha Schultz and Miss Clara Thiel, soprano; Erich Werth, landlord; F. Cerull, judge of the court, and W. Lavitsky, sheriff.

The pantomime was the story of a tramp who appeared in appearance in parks in various cities and demanded seats on the benches, crowding other people off. The cast: Miss Clara Zahn, Bruno Weiler, soprano; Rossini; English play, Quench the Tyranny. Those taking part were Minnie Recknagel, Mrs. George Gold, Mr. Chamberlain, Harry Thiel, the pipe, Miss Annie Pulkalis, Mrs. Chamberlain; Miss Clara Thiel, Miss Henrietta Brad4 and Mrs. Paul Wainert. Musical numbers were given by Zschi, Miss Elsie Sabrowski and Miss Mamie Gier were the remainder of the cast.
