THE HUMAN SOUL
IS GOD'S MASTERPIECE

His Creation the Crowning Glory of
 God's Work, Said Passionist Father
 at St. Patrick's Church.

The human soul is God's master-
 piece, its creation was the crowning
 glory of all His works, said Rev. Ar-
 thur Campbell, Passionist Father from
 Boston, Sunday evening, at St. Pat-
 rick's church before a very large au-
 dience in the first of the series of Sun-
 day evening Lenten sermons. The
 Wiegand vesper service was beauti-
 fully sung by the choir.

He said in part: "The soul in part
 is made of matter, but it is more than
 the material body and the spiritual soul.
 The body of man belongs to the ani-
 mal kingdom and his soul to the spir-
 itual kingdom. But the body of man
 is more than a mere animal and the
 soul is more than the anima. We are
 made of less value it is a mere house
 of clay and will fall in ruin, what
 as the soul is a treasure more valu-
 able than all the gold and silver in
 the world. The soul is infinitely
 more valuable than the body and what
 are you doing to promote the welfare
 of your soul?"

Let us pass a glance at our passing
 lives. It is years gone by with so
 barren of good work done and full of
 sorrow and grief. Let us strive to ap-
 preciate the value of our souls. Con-
 sider that Christ came for the redemption
 of our souls.

Human hands color on canvas land-
 scapes, flowers and various other
 scenes but insignificant in the
 work of God cannot be imitated by
 man. Then what is his masterpiece,
 the soul? Yes the human soul, God's
 masterpiece. His creation was the
 crowning glory of His works. In look-
 ing over His other work of marvelous
 beauty and grace, the sinning bodies
 of the heavens for something to serve
 as a model and of all His products
 He was unable to find anything beau-
 tiful enough to satisfy. So He cre-
 ated man after His own image and
 likeness, bearing the imprint of His
 own soul. Consider what you would put
 on one faculty of the soul. What
 would you ask for your reasoning
 power? God gave the power of pen-
 etrating the secrets of nature and
 there is nothing we fear more than mental
 power. It is the greatest power in
 the world. It is the power that makes
 of such value what about our soul? It
 is immortal it never dies; it does not
 depend upon the body for its existence.
 The body will return to dust but the
 soul will return to God, it's maker.
 The finger of death cannot touch it.
 Your soul will live forever. It can-
 not die, cannot decay, cannot be de-
 stroyed and only God can annihilate it.
 Tell me what is your soul? Do you
 know what your children's children are
 sleeping in the tombs. After generations,
 after generations the soul will remain.
 Empires and nations will rise and fall,

BE CONSCIOUS THAT
YOU ARE RIGHT.
 F. H. Merrill's Opinion of the Best
 Preparation for Peace.

At the Y. M. C. A. men's meeting
 conducted in the Thayer building Sun-
 day afternoon, F. H. Merrill of New
 York, former secretary of the local
 association, was the speaker. He and
 Harry Brown Allen, the talented young
 musician, delighted the large gather-
 ing with their vocal solos and celli-
 solos. Swann's orchestra furnished
 music and Herbert W. Gallup led the
 prayer. The meeting was held in the
 Y. M. C. A. introduced the speaker.
 Mr. Merrill said in part:
 "Which are you, prepared or efficient?
 The best preparation for peace is to
 be conscious that you are right. Mr.
 Merrill told the story of Gideon and
 how he put his trust in God. It is a
 great thing to be loyal to some cause, said
 Mr. Merrill, but it is a greater thing
 to be loyal to God. He looks at our
 masterpieces, His best loved work. God
 loves it as an earthly artist. It re-
 flects beauty and power and is per-
 mitted to man. Worked man has dis-
 figured it and sold it to the devil. God
 so loves the human soul He came to
 redeem it.

QUICK RELIEF FROM
CONSTIPATION
 Get Dr. Edwards'
 Olive Tablets

That is the joyful cry of thousands
 since Dr. Edwards produced Olive Ta-
 blets, the substitute for cathartics.
 Dr. Edwards, a practicing physician
 for 15 years and a former student of
 the University of Michigan, dis-
 covered the formula for Olive
 Tablets while treating patients for
 chronic constipation and torpid liv-
 ers. Dr. Edwards' Olive Tablets do not
 contain any of the irritating, sooth-
 ing, vegetable laxative.
 gripping is the "keynote" of these
 little, sugar-coated, non-coloring
 pills. They cause the bowels and liver
 to move naturally. They never force
 them to unnatural action.
 If you have a "dark brown mouth"
 now and then, a delicate, nervous
 tired feeling—sick, headache, torpid
 bowels, constipation and torpid liv-
 er, quick, sure and only pleasant re-
 sults from one or two little Dr. Edwards'
 Olive Tablets. They are sold in
 10c and 25c per box. All druggists,
 and The Olive Tablet Company, Colum-
 bus, O.

OVER \$1,000 FOR JEWISH RELIEF
Mass Meeting Held at Davis Theatre Sunday Evening—Ad-
resses by Prominent Speakers—Collection Amounted to
\$724.50. Which Brings Total Over the Thousand
Mark.

As a result of the benefit concert
 and lecture held in the Davis theatre
 on Sunday evening under the auspices
 of the Federated Jewish relief com-
 mittee of this city, over \$1,000 has
 been raised for the relief of the non-
 combatant Jewish refugees from Rus-
 sia.

The generous and ready response of
 the local Jewish people is another in-
 dication of the spirit characteristic of
 the Jews of this city. The members of
 the committee hope that the people of
 Norwich will continue their support
 of the cause, which is a worthy one in
 every way.

Concert Program by Theatre Or-
chestra.
 From 7.30 to 8 o'clock there was a
 concert program by the theatre or-
 chestra. A few minutes after 8 o'clock
 the meeting was called to order by
 A. Cramer, chairman of the Federated
 Jewish Relief Committee, who in-
 troduced R. C. Plaut as chairman of
 the meeting.

Mr. Plaut introduced as the first
 speaker His Honor, Mayor Timothy C.
 Murphy, who said it gave him great
 pleasure to preside at the interests
 of such a worthy cause and he ex-
 pressed the hope that the people would
 respond generously.

There are no words of mine that can
 tell you of the sufferings of the Jew-
 ish people in Europe at the present
 time, said Mayor Murphy. The day
 is not far distant when this agony
 will be over.

The next address was made by Hon.
 Francis P. Guilfoile, city attorney of
 Waterbury. Mr. Guilfoile told of how
 he became a convert to the cause and
 how he came here to show the people
 of Norwich that he is in sympathy
 with the cause.

Millions Driven Like Dumb Cattle.
 This is the time when every man
 and woman should contribute cer-
 tain share of their earnings and give
 that share until the war is over, until
 Israel has freed. Everyone ought
 to live and work for the benefit of
 his fellow man. I have done what I
 could to make the world better. I have
 done what I could to make man-
 kind happier.

I ask you in the collection to be as
 generous as you know how.

The next speaker was Rev. H. Mas-
 tain of New York city. Rev. Mr.
 Mastain spoke in Jewish for the
 benefit of the Jewish people. He
 could understand their own language
 better than they could the English lan-
 guage.

All the speakers were given rousing
 votes of thanks at the conclusion of
 their addresses.

Over \$700 Collected.
 Just before the meeting was
 closed the secretary, Mr. Davidson, re-
 ported that the sum total over
 \$724.50 with the door receipts and
 the proceeds of the concert, which
 will probably bring the sum total
 over \$1,000.

Each of the attending was presented
 with an attractive souvenir program.

The following organizations consti-
 tute the Federated Jewish relief com-
 mittee: The Hebrew Benevolent So-
 ciety, No. 399, I. O. B. W.; Workmen's Cir-
 cle, Branch No. 184; Young Men's He-
 brew Association, No. 184; Hebrew
