Mission Fathers at St. Joseph's Church. The two weeks' mission being held at St. Joseph's church, Cliff street by Fathers of St. Vincent from Erie, Pa., is being largely attended by large congregations at 8 and 10 o'clock each morning and at 7:30 in the evening. The missionary priests are Father Tysyinski and Father Slupinski. The week for women closed Saturday night and the men's mission began Sunday and will close next Sunday afternoon. During the week the mission fathers are giving instruction to the children during each afternoon. Rev. I. V. Macielewski, the pastor of St. Joseph's church, is much pleased at the devout manner in which parishioners are attending the exercises.

Jeremiah Downey of Hartford spent the week end with his parents. Walter McNeely was a Sunday visitor with friends in Jewett City.

SCHOOL TEACHER Anemic, Run-down, Nervous—How She Recovered.

There are so many cases like this right here in Norwich that we are publishing this interesting letter with the hope that some of our customers will try Vinol and get the same happy result that Miss Baes did.

Key West, Fla.—"I am a teacher and became anemic, nervous, run-down, no energy or desire to do anything. I could not sleep and had that languid, nervous feeling that made me a burden to myself. I had taken various tonics without benefit. I heard of Vinol and tried it. Soon I had a good appetite, could sleep all night and I built me up so I have the ambition to do any kind of work." Mary L. Baes, Key West.

The reason Vinol was so successful in this case is because it is a constitutional remedy that goes to the seat of trouble. The portions of iron contained in Vinol enriches and revitalizes the blood, while the strengthening, tissue-building properties of the extractives of cod liver oil and beef peptone aid in building up the tired, overworked, run-down system.
