OUR SPRING OPENING

A Man's Right Arm

The Symbol of human strength is a man's right arm. When physical and mental forces are in harmony it REACHES OUT and POUNDS ITS WAY toward greater good. It is a potent human means of giving expression to the great FORCE and SPIRIT of progress.

Our business of furnishing homes is LIKE a man. The right arm of our business is now giving expression to a live store. We are REACHING OUT—at present, POUNDING INTO SHAPE a new home on Main Street where you can see us busy every day in NEW ideas. WATCH US.

Burns Coal Burns Wood
The MODEL ACORN on account of its smooth finish and nice design is one of the most attractive ranges. It has a large square oven and by accurate proportions of flues and firebox, the best results in baking are obtained.
The grate is the standard ACORN, double draft pattern, strong and very effective, allowing plenty of air to reach the fire. In common with all the ACORN line, it is an excellent baker, a most important consideration.
