1500 DEER KILLED SINCE LAST AUGUST Last Report Shows Marked Decrease in Number Slaughtered.

THE REPORT OF DEER KILLING received at the office of the superintendent of fisheries and game Tuesday, brought the number of deer killed in the state since the first of August to 1500. It was the opinion of Superintendent Crampton that the number reported represented only one-third of the actual number killed.

The Bulletin Norwich, Wednesday, May 24, 1916. THE WEATHER. Conditions. Conditions are very much unsettled throughout the country. General, and in many places, heavy rains attend a moderate disturbance over the South Atlantic states, the rain area extending westward into Alabama and north-eastward through New England.

With the exception of showers Wednesday in the South Atlantic states fair weather will prevail Wednesday and Thursday east of the Mississippi river with somewhat higher temperatures over northeast districts. The winds along the North Atlantic coast will be moderate south; Middle Atlantic coast moderate mostly south.

Forecast. New England and Eastern New York: Cloudy Wednesday; Thursday fair. Observations in Norwich. The following records, reported from Seville's pharmacy, show the changes in temperature and the barometric changes Tuesday:

Table with 4 columns: Time (7 a. m., 12 m., 6 p., Highest 54), Bar. (50, 51.20, 52.20), Wind (S.W., S.W., S.W.), Clouds (50, 50, 50)

Greenville Grammar School Wins Again—Notes. The Greenville Grammar School baseball team defeated the fast team from the West Chelsea school by the score of 4 to 3. The game was a close and hard fought one, and it was only the superior pitching ability of Shahan that won for the local boys.

Game at Cranberry. The Greenville Wonders will play the Cranberry team at Cranberry Sunday afternoon and a fast game is expected. Manager Cary has signed a number of new players which will greatly strengthen the team.

Notes. A pink dogwood tree on Central avenue is in full bloom and is attracting much attention by its beauty. The recent rains have laid the dust on North Main street and Central avenue making riding through these streets more agreeable. The dust was so bad that some of the trolleys passing through North Main street have to close their doors to keep it out.

THE REASON FOR IT In driving out the impurities by strengthening each organ of the body to do its work properly is the reason why Father John's Medicine is the best remedy ever prescribed for building up the system if you are run down. FARM HELP PROBLEM SERIOUS Big Wages Paid by Manufacturing Plants Causing Help to Leave the Country and Work in the Cities—Crops are Three Weeks Behind Time.

That a serious shortage of farm help in facing the farmers of New London county today was the statement made on Tuesday evening by County Agent P. C. Warner of the New London County Improvement League. The shortage of help has assumed such proportions that in several instances farmers are sowing crops that they can handle with one man and a horse and instead of seeding fields over they are seeking emplacements as they will not have men enough to do the husking. The farmers are not only facing a shortage of help, but are also confronted with the fact that the crops are already two or three weeks behind owing to the unusually cold and cloudy weather.

KNIGHTS OF COLUMBUS MAY PURCHASE BUILDING. Birthplace of Father McGivney, Founder of the Order, May Be Acquired.

B. H. Bristol of Platts Mills, who owns the building in which Rev. M. J. McGivney, founder of the order of the Knights of Columbus, was born, stated Monday that no negotiations had been made with him relative to the purchase of the structure, says the Waterbury American. The house now stands near Platts Mills, and is a rather small structure, but has been added to slightly since it was moved to its present location by the late Silas Terrell a number of years ago.

MACHINISTS TO MEET IN EAGLES HALL. Decided on Change at Tuesday Evening's Business Session.

At the regular meeting of the Machinists Union No. 744, Tuesday evening in Eagles hall, 125 Thames street, candidates were initiated and 12 applications for membership were received. President E. Smith was in the chair and the attendance was good.

TAFTVILLE Large Increase in Postal Savings Deposits—Denny Murphy Receives Injury—Pinocle Club Meets—Personal and Notes.

Postmaster D. C. Murphy reports a large increase in the deposits of the Postal savings branch of the office and has received the following bulletin from Washington: Larger postal savings deposits will now be accepted at the post office. It is made possible by an important amendment to the postal savings act just approved by President Wilson. Five hundred savings deposited in a month now have an account amounting to \$1000 upon which interest will be paid. Formerly \$500 was the maximum amount he could have to his credit. This enlargement of postal savings facilities will be very gratifying to thousands of depositors who have already reached the old \$500 limit and are anxious to entrust more of their savings to Uncle Sam. Another feature of the amendment that will avoid further embarrassment to the public and to postal officials is the doing away with the limit on the amount that could be accepted from a depositor monthly. Under the old law only \$100 could be deposited in a calendar month. The amendment abolishes this restriction. While the latter provision is already in effect, it proved a signal success as is shown by the fact that more than half a million deposits have over eighty thousand dollars standing to their credit. It has fallen short of meeting the full demands of the public because of their savings to Uncle Sam. Postmaster General Burleson and Third Assistant Postmaster General Denny have been tireless in their efforts to secure a modification of the limitations and the new liberalizing legislation is particularly gratifying to them.

ITCHY SALT RHEUM Sometimes Called Eczema—Removed by Hood's Sarsaparilla.

Salt rheum is one of the worst and unfortunately one of the most common of all diseases. How it reddens the skin, itches, causes dries and scales, and then does this all over again! Sometimes it covers the whole body with inflamed, burning patches and causes intense suffering, which is commonly worse at night. Local applications may do some good, but they cannot permanently relieve. The disease will continue to annoy, pain and perhaps agonize, until the blood has been purified and the general health improved. Ask your druggist for Hood's Sarsaparilla, the good old reliable family remedy. It has given perfect satisfaction in thousands of cases. Insist on having Hood's Sarsaparilla, for no substitute acts like it. Get it today.

William Chamberlain in the chair. The regular routine of business was transacted. It was voted to adjourn until the second Tuesday in June.

Personal and Notes. The Brierly-Bushnell bowling match which took place at the Aetna alleys resulted in victory for Brierly. Brierly won two out of three strings.
