ASCENSION DAY

Observed With Two Extra Masses at St. Patrick's Church.

Yesterday, the feast of the Ascension of our Lord, the mass at 9 o'clock in St. Patrick's church was read by Rev. Peter J. Cuny, who also said that at 7. The pastor, Rev. J. H. Broderick, sang the high mass at 11, and the gospel, Mark xvi. 14-20, speaking briefly on the lessons of the feast, particularly as narrated in the gospels, and exhorting his congregation to live as if they were to ascend to a heavenly reward, with the second coming of the Redeemer and Divine Judge.

The music of the mass was given with spirit by the choir, Organist Frank L. Farrell directing and Mrs. Farrell singing the solo portions in her customary finished and expressive manner. All the masses were well attended and there were many communicants.

Irish Relief Day June 10th. A general committee headed by Cardinal Gibbons, Farley and O'Connell, and with Dr. Thomas Addie Emmett as active president, has been formed in New York to make a nation-wide campaign to raise funds for the relief of distress now prevailing in Ireland.

This committee has designated Saturday, June 10th, as the day on which all cities and towns will be requested to hold exercises of various kinds to make the appeal for funds.

PHYSICIAN'S PRESCRIPTION FOR RHEUMATISM

Business and professional men of large means who have taken expensive baths at famous resorts and have spent money lavishly to rid themselves of the tormenting agony of rheumatism have turned to Rheuma and got well.

When Rheuma goes in, poisonous secretions go out. No opiates or narcotics are used. Rheuma drives out the cause of rheumatism and speedily brings comfort and health, and most druggists will admit it.

May Have Preparedness Parade

Celebration Committee to Consider Plans Tonight—Elaborate Display of Fireworks at Battlegrounds—Twenty-five Set Pieces and 225 Shells on Programme.

Whether Norwich will have a preparedness parade on the Fourth of July rests largely on the action taken at the meeting of the celebration committee and representatives of the various local organizations to be held tonight in the court of common council chamber in the town hall.

The members have received notification of the meeting from Secretary J. J. Corkey. The matter of having a preparedness parade will be brought before the meeting and if public sentiment is in favor of the project the idea will be carried out in all probability.

The committee has arranged to provide an elaborate fireworks display at the battlegrounds during the evening, and there will also be a band concert.

The committee in charge follows: George Loring, chairman; John J. Corkey, secretary; Mayor Timothy C. Murphy, treasurer; Talley E. Babcock, Walter F. Lester, James L. Case and James C. Macpherson.

Local organizations will be represented as follows: Court Sachem, No. 84, F. of A.—Lewis A. Andrews, Joseph R. Portelance, Frank T. Sylvia.

Division No. 2, A. O. H.—John W. Burke.

Norwich Board of Trade—Frank J. King.

St. Mary's T. A. and B. society—William McGuinness, James Casey and Maurice F. Kelly.

White Cross Council, No. 13, K. of C.—Thomas H. Beckley, Charles O. Murphy and Joseph C. Bland.

Division No. 1, A. O. H.—Michael J. Malone and Daniel O'Connell.

No. 2 will be a pyramid made up of two triangles with a base of colored shells and candles.

Waterfalls with moon effect—This will show full moon shining above. There are many other numbers on the big programme.

In concluding the display there will be used bombs. The fireworks programme will include the batteries in a straight line, they will be placed in sections in order to cover a large territory and allow a greater space in the heavens for the display. In all there will be 25 set pieces and 225 shells in the display.

It requests, also, to know the name and address of the person who in a letter post marked May 35th and signed "A taxpayer, also a contributor to the United Workers' union," gave some information about a certain family the Mission was supposed to be helping. Anonymous notes are hereby fair. The Mission must be able to identify its correspondents in order that the knowledge which each possesses may be compared. It cannot, and does not act on the strength of letters not signed or dated, and in this particular case is unable to make any reply to what seems on the face of it to be an intrusion upon the common good and to tell the Mission things it ought to know. No publicity will attend the knowledge obtained, and the knowledge must be had or nothing can be done. Doubtless the writer of the letter in question will see the point and send the name and address, as should have been done at the first.

R. and they will attend in a body. The committee in charge is planning a very appropriate programme and every effort to be secured. It is earnestly hoped that a large number will attend to pay tribute to the stars and stripes, today more beautiful than ever.

APPEALS ORDER OF PUBLIC UTILITIES

William C. Jones Claims Railroad Did Not Prove Seizure of Land Necessary.

William C. Jones of Groton has filed an appeal from an order of the public utilities commission dated April 7, 1916. The complaint alleges that on Feb. 25, 1915, the New York, New Haven and Hartford Railroad company seized public utilities commission a petition asking the commission to approve the taking of a certain piece of land located in Groton and owned by the public utilities commission.

The complaint alleges that the commission refused to grant because no evidence was offered or given before the commission showing that the land was necessary for any of the purposes set forth in the petition, and that the land is not needed by the railroad for any of the purposes set forth in the petition.

AUTO VICTIMS IN CRITICAL CONDITION

Miss Grace Shea and Daniel Levine Show No Improvement.

The condition of Miss Grace Shea of Norwich and Daniel Levine of Willimantic, victims of the automobile accident in New London Tuesday night in which Henry Silverman of Willimantic lost his life, remains unchanged at the Memorial hospital. Although they are no worse, neither has shown any improvements and they both remain in a critical condition.

Miss Emma Wedgewood of Norwich, the other girl occupant of the auto, and Max Rothblatt, who was also in the automobile, are recovering. The Wedgewood girl suffered internal injuries but they have been found not to be of a dangerous character. She shows marked improvement and her injuries are not expected to prove fatal.

Rothblatt, who received a fracture of the jaw and contusions and lacerations about the head, is also reported as recovering. His injuries were severe but they have at no time been considered fatal and his recovery is merely a matter of time.

SETTLEMENT REACHED IN LEWIS WILL CASE

Will of Lucy Abby Lewis of Griswold is Sustained.

Thursday the case of A. Walter Lewis vs. the estate of Lucy Abby Lewis, late of Griswold, appeal from probate, which was to have been tried in the superior court, was settled, the will being sustained. In his complaint Mr. Lewis alleged that he was the grandson and an heir at law of the deceased and that on Feb. 12, 1916, the probate court allowed the will of the deceased to be admitted to probate.

Mr. Lewis stated that his reasons for appeal were that at the time of the execution of the will Lucy Abby Lewis was of unsound mind and did not have sufficient mental capacity to make a will and that she was induced to make a will through coercion and undue influence of Francis A. Main.

TAFTVILLE

Mr. and Mrs. Henry Erbebeck Celebrate Silver Wedding—Banquet for Joseph L'Esperance—Trolley Service in Taftville Thursday—Personals and Notes.

Mr. and Mrs. Henry Erbebeck celebrated their 25th wedding anniversary Tuesday evening at their home on Norwich street. Many guests were present from out of town. The evening was spent with games, music and dancing. A beautiful supper was served by the host and hostess. Mr. and Mrs. Erbebeck received many beautiful gifts, among which was a set of silverware from the Ladies' Rifle club, of which Mr. and Mrs. Erbebeck are members.

Trolley Car a Novelty in Taftville Thursday. The strike of the local trolley lines inconvenienced many people here on Thursday, but as a general thing there were not many complaints. Jitneys running to and from Norwich did a flourishing business, some of the drivers charging as high as 50 cents a head to go downtown. The cars did not get as far as here until about 6 o'clock in the afternoon, when one car ran as far as the postoffice to accommodate those working in the mills. At about 7:30 another car made a trip but carried few passengers. The J. B. Martin company furnished auto-trucks for transporting their help to and from the city. The Penomah company also furnished trucks for their employees. Some of the people wishing to get to the city walked to the Taftville station and took the steam trains to Norwich. In all probability conditions will be somewhat improved today, as it is reported that the company intends to run trolleys through to Ballis.

Banquet at French Club. A banquet was given at the French club Wednesday evening in honor of Joseph Lagare, who has been teaching the members of the club in the use of the English language. Mr. Lagare was presented \$25 in gold pieces by the members of the club in appreciation of the work done by him. After the spread a social hour of whist and music was spent.
