MACHINISTS' UNION HELD SUCCESSFUL NOVELTY DANCE. Moonlight Dance Proved Feature of the Evening's Program.

A very pretty and successful novelty dance was given by the recently organized Machinists Union No. 744, in Olympic hall, Friday evening, with about 75 couples attending. Dancing was enjoyed until 12 o'clock, the music being furnished by Heinrich's five-piece orchestra.

During intermission the novelty affair took place and several received favors. Refreshments were served and the committee in charge comprised the following: John Gamage, W. F. Henderson, Joseph Kurecher, Frank Nichols, Arthur Brooks and James John. John Lamborn, collector, and Edwin Colt collected at the door.

All the latest dances were on the well arranged dance program, including the fox trot, one-step and others. A feature dance of the event was the moonlight effect.

TWO WILD GEESE HAVE STRAYED AWAY. Sup't John Duff Anxious to Get Tidings of Their Whereabouts.

Word has been received from Superintendent Duff of Mohegan park that two of the wild geese which were purchased from Mr. Althaus about six years ago have either strayed away or have been stolen. Superintendent Duff will be grateful to anyone who can give him any information concerning the geese.

The deer family at the park is growing and only last week three additions were made to the ducks are in a flourishing condition.

OBITUARY. Thomas W. Fitzmaurice.

Thomas W. Fitzmaurice passed away at his home, 11 Johnson street, Waterbury, Thursday afternoon after a few weeks' illness, a complication of diseases. Funeral arrangements will be announced later. Friends are requested to omit flowers.

Thomas W. Fitzmaurice was born in New London, Aug. 9, 1860. He spent his boyhood in New London and went to Waterbury in 1888. He was employed by John J. Garrity who conducted a shoe store on South Main street, Waterbury.

In 1890 Mr. Fitzmaurice formed a partnership with the late John Ryan and opened a shoe store in the Lathrop building on Bank street. The business of the firm grew rapidly and the larger quarters were needed and they moved across the street into the O'Connor building. This building was destroyed by fire in the early part of 1902, and when it was rebuilt, Mr. Ryan withdrew from the partnership and Mr. Fitzmaurice assumed full control of the business.

From this time on, Mr. Fitzmaurice was prominently identified with the business interests of Waterbury. He was an active and energetic member of the Chamber of Commerce and interested in all that pertained to the business life and progress of the city.

Fraternally, Mr. Fitzmaurice was a member of the Knights of Columbus and the B. P. O. E. He was one of the charter members of Corcolton council, K. of C. but later transferred his membership to Sheridan council of which he was a member at the time of his death.

A lover of all sorts of sports, Mr. Fitzmaurice was an expert billiardist and bowler and also enjoyed every kind of out-door sports. He was married about midnight at his home in Colchester Thursday. He went to live in Colchester from this city about 35 years ago. He served in the commissary department, 13th Conn. Volts, was taken prisoner by the confederates at Winchester and was confined for a long period in Libby prison. He leaves a wife and daughter.

FUNERAL. Frank Jewett.

Funeral services were held for Frank Jewett at his late home, No. 143 McKim street, Thursday evening, with Rev. Edward S. Worcester, pastor of the Broadway Congregational church, officiating. Friday morning Undertakers Church and Allen set the body away on the 8:30 o'clock train. It was buried in the cemetery at 10 o'clock. Relatives accompanied the body.

ORGANIZATION OF COMMON COUNCIL

Mayor Allyn L. Brown Administers Oath to New Members of Council Aubrey W. Jarvis Continued as Superintendent of Cemeteries—Howard L. Stanton Relected Fire Chief—Amos A. Browning Chosen Corporation Counsel.

The new court of common council organized at a special meeting called by Mayor Allyn L. Brown on Friday evening in the council chamber, when members present. Upon motion of Alderman Casper K. Bailey the reading of the minutes of the last meeting was dispensed with and they were accepted.

The oath of office was then administered to the new members of the council by Mayor Brown, aldermen first and councilmen last. The members are Aldermen Guy B. Dolbear and William H. Allen and Councilmen Frank L. Arnold, Edward Crooks, John H. Vaughn and Joseph C. Wort.

Mayor Brown's Address. After administering the oath of office to the new members, Mayor Brown made his opening address to the council.

While it seems to be the custom for the mayor to address the court of common council at its first meeting of the year, it remains at this time to be briefly indeed, for I do not feel sufficiently conversant with the affairs and conditions of the city government to discuss them profitably with you at this time, said the mayor. Under the provision of the charter, however, I hope an occasion may arise during my administration to return to me at some time of the oath which each of us has taken upon assuming the duties of the offices to which we have been respectively elected by the voters of the city. We have sworn that we will, each of us, "faithfully discharge the duties of our office according to our best skill and judgment. It remains to me of the utmost importance that we bear this in mind at all times in passing upon

the various questions which may come before us in conducting the government of the city. I hope that by adhering strictly to the oath which we have each taken we may be able to give to the taxpayers of the city the greatest value possible for the money expended. While it is for the city to order making the appropriations and thus to limit the amount which are to be spent by the council, it is of the greatest importance that the various committees of the council keep within these appropriations which are made and see to it that the money which is entrusted to them is spent with the least possible waste.

I sincerely trust that we may all cooperate to this end throughout our administration.

Alderman Allen then presented the following resolution in regard to the council rules: That the rules of order that governed the court of common council last year be amended as follows: by adding after the words "reported upon," in section 13, the words "not later than," so that the section amended shall read: "All matters referred to a committee of the council at a special meeting shall be reported upon not later than at the next regular meeting, unless in the vote, resolution or order making the reference a different time is designated; but the time may for a sufficient cause be extended by the court of common council;" and by adding a section to come after section 20, as follows: "All reports by any committee to the court of common council shall be submitted in writing, and in the said order, as so amended, be adopted as the rules and regulations governing this court of common council."

The resolution was seconded by Alderman Bailey and was adopted.

A resolution was the introduced by Alderman Bailey in regard to the power of borrowing money for the city expenses. This resolution was to the effect that the mayor and treasurer be authorized to issue notes or certificates

Auditor Martin E. Jensen's cash account summary for the year was as follows:

Table with columns: Receipts, Disbursements, Deficit, Excess. Rows include Gas & Elec. Dept., Water Department, Department Public Works, Fire Department, Police Department, Mohegan Park, Finance Department, Salaries, Court House, City Court, etc.
