NEW CHINESE PRESIDENT

Generally Supported But Southern Provinces Are Slow in Endorsing His Administration.

Peking, July 17.—Generals Feng Kao-chang, Ni Shih-chung and Hsiao Hsiao and many other southern military leaders have telegraphed to President Li Yuan-hung, assuring him of their support. He is very generally supported by the Chinese press in all parts of the country and there are indications that the southern provinces will officially endorse his administration, although they are somewhat slow in doing so and have made demand for the removal of certain cabinet members and advisers before they fall in line.

SCHOOLS OF SHARKS

Off Carolina Coast Missing Men of Steamer Ramos May Have Been Their Prey.

Philadelphia, July 17.—Survivors of the broken steamer Ramos, who were brought to this port last night, said today that one of the two men lost while the steamer was being wrecked last Wednesday in the waters of the North Carolina coast was drawn under the water by a shark, schools of which they said were sighted by the crew. Captain McDougall and other members of the crew, who were in one of the three lifeboats, have not yet been found. It is feared that they may have fallen victims of sharks. The fourteen men who last night told of their rescue by the fruit steamer June after drifting in open boats from Wednesday Friday, today gave additional details of the wreck of the Ramos and their rescue.
