CHILD RAN IN FRONT OF MOTORCYCLE

Daughter of Mr. and Mrs. William N. Allard Knocked Down by Machine, but Not Injured.

While passing through this city on his motorcycle about 7 o'clock Saturday evening, Clayton Whalen of Hartford, ran into the four-year-old daughter of Mr. and Mrs. William N. Allard of this city. The child, who was playing on the sidewalk near the Y. M. C. A., ran out into the street directly in front of the motorcycle which knocked her to the pavement and threw the machine over on its side. Fortunately the rider was going slowly at the time and neither he nor the child, who picked herself up after she was struck and ran away, was injured by the accident. Mr. Whalen went to the police station immediately after the accident and reported it to the police who took his name and allowed him to depart. The father of the child, who was following the motorcycle up the street on a bicycle, came to the station house some time afterward and said that the driver was in no way to blame as the child had run deliberately in front of the machine and there was no possible way in which the accident could have been avoided.

Paralysis Situation Unchanged.

Health Officer Dr. C. A. Jenkins stated Sunday evening that the paralysis situation remained about the same as it has for the last two or three days. There has been no new cases reported to him and the child on Lebanon street that is suffering from paralysis is reported to be in the same condition as she has been for the last day or two.

Hebren Child Breaks Leg.

On Sunday afternoon a five-year-old child was brought to the local hospital suffering from a fractured leg. The child, whose home is in Hebron, was playing about the yard when a gate fell upon him, breaking his leg. Dr. O'Neil reduced the fracture.

PLAINFIELD

Strong Men Feature in Spectacular Tug of War—Foul Ball Passes Through Only Hole in Netting to Hit Mrs. Ruth B. Devolve Over the Heart.

Field Day at Douglass Park. The Plainfield baseball club and the Plainfield military band held their field day and sports at the Douglass ball park Saturday afternoon.

While witnessing the ball game from the grandstand Saturday afternoon, Mrs. Ruth B. Devolve was struck by a foul ball and seriously injured. A foul ball from the bat of a player of the Newton Marshall team went through a small hole in the wire netting around the grandstand and struck Mrs. Devolve over the heart. It was not believed at first that she was hurt, but a few seconds later she fell from the stand as a result of the blow. She was immediately assisted by bystanders and was taken in an automobile to a doctor's office and later to her home.

A strange fact is that the hole in the wire was the only one that could be seen and that it was only large enough to afford a ball to go through and the foul tip which struck Mrs. Devolve passed through this opening without touching the wire at all.
