

RECOVERY OF NEW JERSEY WOMAN

Due To Lydia E. Pinkham's Vegetable Compound.

Bridgeton, N. J.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound for inflammation and other weaknesses. I was very irregular and would have terrible pains so that I could hardly take a step. Sometimes I would be so miserable that I could not sweep a room. I doctored part of the time but felt no change. I later took Lydia E. Pinkham's Vegetable Compound and felt a change for the better after the second day. I took it until I was in a good healthy condition. I recommend the Pinkham remedies to all women as I have used them with good results."

Mrs. MILFORD T. CUMINGS, 24 New Street, Bridgeton, N. J.

Such testimony should be accepted by all women as convincing evidence of the excellence of Lydia E. Pinkham's Vegetable Compound as a remedy for the distressing ills of women such as displacements, inflammation, ulceration, backache, painful periods, nervousness and kindred ailments.
