

For All Farm Buildings

the matter of roofing is first importance. It does not pay to skimp when you are building for permanence. We have a roofing that is permanently watertight—a roofing that will not crack, rot, warp or rot. This repair-proof roofing is

RU-BER-OID

PROOFING
COSTS MORE YEARS LONGER.

Every roll of RU-BER-OID that we have sold has given perfect satisfaction. We know that RU-BER-OID is made of better materials than any other roofing that we could buy. It contains no paper, wood fiber, tar, asphalt or other shoddy materials such as are found in cheaper roofings. RU-BER-OID roofs put on more than 20 years ago are still watertight and look as good as new.

FILES SUIT AGAINST SHORE LINE

Agnes Floyd Asks \$10,000 Damages for Injuries Received in Accident Last August—Was Thrown From Car Which Started as She Was Alighting—Twenty Thousand Dollar Suit Brought for Automobile Accident Near Golden Spur.

On Thursday Agnes Floyd of New London filed a ten thousand dollar damage suit against the Shore Line Electric company, in the office of the superior court in this city. She alleges that on August 11 she was riding on a trolley car between Ocean Beach and State street, via Montauk avenue. The car was going in a northerly direction. At a station on Montauk avenue at the head of Denison avenue, the car stopped for the purpose of receiving and discharging passengers. While the plaintiff was about to leave the car it started suddenly and she was thrown off. She struck violently on her head on the pavement and received serious injuries to her stomach, back and head. By reason of the injuries she has paid and will be obliged to pay large sums for medical care and attention and asks damages of \$10,000. The papers are returnable on the first Tuesday in December.

Leroy Smith of Durham has brought suit against the town of Waterford, town of East Lyme, East Lyme Electric Railway Co. and the Shore Line Electric Railway Co. for \$20,000 for personal injuries and damage to an automobile as the result of an automobile accident last September in which the plaintiff ran into the abutment of Straits bridge near the Golden Spur. Papers in the suit were served Thursday by Deputy Sheriff J. H. Tubbs.

Smith alleges that about 9.30 in the evening of Sept. 28 he was driving an automobile westward from New London and was going down Keeney Hill approaching Straits bridge when he was blinded by the cluster of five lights located in front of the Golden Spur Inn causing him to run into the abutment of the bridge.

He was thrown out and rendered unconscious, receiving cuts and bruises of the face and body and injuries which resulted in the loss of the sight of his right eye. The tires on the two front wheels of the machine were blown out, the lights were broken and the machine damaged to the extent of \$200.

ONLY FINDING TO BE MADE PUBLIC

Testimony in the Deutschland's Case Will Not Be Given Out by Department.

It was stated at the office of the United States steamboat inspectors in the Plant building at New London on Thursday that, in accordance with the ruling of the department in such cases, the testimony given by Capt. Paul Koenig, Capt. Frederick Hirsch and other German officers and the collision between the Deutschland and the tug T. A. Scott Jr., will not be made public. The only thing which will ultimately be given out will be the finding of the inspectors in reference to the responsibility of the disaster.

If the hearing had been a trial of a navigator for alleged neglect or incompetence, it was said at the inspectors' office, the testimony would be public. But in this case there was no one on trial. Captain Koenig of the ill-fated tug being beyond the reach of human examination and the inspectors having no jurisdiction over the license of Captain Koenig.

In other words, the hearing was in the nature of an investigation, having no bearing either on civil or criminal action in the future. The findings of the inspectors will not be reached for several days but when it is reported they will be at liberty to publish it.

STRAWBOARD COMPANY'S DOCK IN PROGRESS

Expected That Work Will Be Completed By First of the Year.

The work on the new dock which the American Strawboard company is erecting is progressing as rapidly as can be expected. The piles for the dock which is 108 feet in length have been driven and it is expected that all the work will be finished by the first of the year.

Within a day or so dredging will be started along the entire length and to the depth of 14 feet. With the dock complete the company will have the facilities for water transportation, will receive raw material by water and will ship the finished product also by water.

William Kearney who was employed in the office of the company has been promoted and his duties now are confined in the stock department.

GROTON HAD FIRE EARLY THURSDAY MORNING

Barn and Meat Market Caught From Some Unknown Cause.

In about three minutes after an alarm for fire in the vicinity of the Ship and Engine Co. was turned in at Groton Thursday morning the borough fire company with all the equipment at hand was on its way to the scene. A. F. Hodgdon, happening to be near at hand, hitched on to the truck with the borough machine and it was soon spouting water on the blaze which was in the meat market and barn of Mr. Perkins, near Granite street. The fire started in the barn and the manner is still unknown as there was no way of entering the building at hand as on its way to open after the men arrived. It is supposed that children were at play in close proximity to the building and used matches carelessly. There was no insurance and while the buildings were practically of little value the fact that all the meat owned by Mr. Perkins was stored in one of them brought the financial amount involved into several hundreds of dollars, probably \$500.

A subscription was started Thursday morning for the purpose of purchasing an automobile, chemical fire engine for the borough. It will meet

If Too Fat Get More Fresh Air

BE MODERATE IN YOUR DIET AND REDUCE YOUR WEIGHT—TAKE OIL OF KOREIN.

Lack of fresh air, it is said, weakens the oxygen carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs is hampered thereby. The heart action becomes weak, work is an effort and indoor life is unhealthy and if nature is not assisted in throwing it off a serious case of obesity may result.

When you feel that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Spending as much time as you possibly can in the open air, breathe deeply, and get from any drug store a box of oil of korein capsules, take one after each meal and one before retiring at night. Weigh yourself every few days and keep up the treatment until you are down to normal. Oil of korein is absolutely harmless, is pleasant to take, helps the digestion and even a few fat cells are dissolved. It is guaranteed to show a noticeable reduction in weight. Lee & Osgood can supply you.

EVERY MAN

who enjoys a good smoke ought to be a customer of our Cigar Department. Whether your preference is for a Domestic, Key West or an all Havana Imported Cigar you'll find it in our assortment.

DUNN'S PHARMACY

50 Main Street.

with hearty approval from all property owners and residents in general and it is anticipated that the raising of the necessary amount will be very quickly accomplished. It is thought that the largest contributors will be the several localities to be covered and they are far apart. So far as men go the borough has a goodly number of men, the machinery at their command is sadly inefficient. The paper will be circulated as rapidly as possible so the machine may be secured before any larger fire breaks out.

CONNECTICUT COLLEGE NEWS.

Miss Ruth Barber Historian of the Class of 1920—Miss Josephine Emerson of Jewett City Hostess at House Party—Plant House Girls to Give Informal Reception for New House Fellow.

At a meeting of the class of 1920, held on Friday afternoon, the constitutionally organized group of the secretary and accepted by the class.

Miss Ruth Barber of Norwich was elected class leader and Miss Helen Hankemeyer of Hartford was elected class historian of the class.

It was voted to have class rings and also to have the rings by Christmas. Miss Alice of Easton, N. J., and Miss Margaret Greenbaum of Chicago, Ill., and Miss Leah Peck of Chicago, Ill., and Miss Mary Jacobson of Brooklyn, N. Y., were elected to the committee to select rings.

Miss Margaret Davies of Easton, Pa., was elected captain of the freshman hockey team at a meeting held Tuesday, Nov. 21. It was decided to play the holiday game between the sophomore and freshman classes on the Saturday after the Thanksgiving recess.

Entertaining College Girls.

Miss Josephine Emerson of Jewett City, a member of the class of 1919, is acting as hostess at the house party at a house party over the week end: Miss Alice Horrax of Montclair, N. J., Miss Marguerite Hills of Montclair, N. J., and Miss Dorothy Siale of New Haven.

Offers Prizes for French.

Mrs. Anna Carey, mother of Dr. Esther Carey of the college, has offered two prizes, \$10 and \$15, to be given in June to the two girls who make the best progress in French courses and take an active part in Le Club Francaise. With the exception of the Greek prize offered by Professor of New London, these prizes are the only ones offered for excellence in languages.

Will Give Informal Reception.

On Saturday evening the girls living in Plant house are to give an informal reception in honor of Miss Ernest, the newly appointed house fellow. Miss Ernest is a native of Belgium in romance languages, coming from Belgium this year to teach at the Connecticut college.

Miss Woodhull, who was appointed house fellow at Winthrop last June, and was temporary fellow at Plant, has moved to the new dormitory and Miss Ernest has been appointed to Plant house.

In Sunbonnets and Aprons.

On Friday evening the sophomore class is to entertain the freshmen at a farmers' dance. The freshmen are planning to attire as farmer girls, in sunbonnets and aprons.

Miss Winona Young, president of the student council, and Miss Esther Batcher, secretary of the executive committee, have returned from the student conference at Mt. Holyoke college. Although the Connecticut college is still in its charter year, it is a member of the intercollegiate student organization and is already holding an important position in the association.

On convocation Tuesday, Nov. 21, Professor Huntington of Yale gave an interesting talk on his explorations in Teulsey and Armenia, illustrating his lecture by a series of stereopticon slides.

Thanksgiving Vacation.

The Thanksgiving vacation will begin Wednesday, Nov. 23, at noon, and will end Monday, Dec. 4, at noon. The college will not be closed during this recess because of the fact that it is impossible for many of the girls to reach home in so short a time.

Invited to Tea.

The faculty and students of the college have been invited to a tea to be held Friday afternoon at 4 o'clock in New London hall. Mrs. Sykes will present a book review at this time, and an open discussion will follow. This tea is the first of a series to be given by the faculty to the students, the object being to unite the faculty and students more closely for educational and social purposes.

Surprise Party.

A surprise dinner party was given on Wednesday evening for Miss Helen Gough of Brooklyn, N. Y., and Miss Dorcas Gallup of Danielson, the event being their birthday. The dinner tables were decorated very attractively with flowers and souvenirs, and an attractive as well as appetizing menu

was enjoyed by the girls. After dinner speeches and toasts were part of the entertainment and dancing was enjoyed after the dinner. A large cake, decorated with lighted candles, was one of the features. Among the girls were Miss Sadie Coit of Norwich and Miss Evelyn Ritwood of Danielson.

SALOON KEEPER IS FOUND NOT GUILTY

Was Accused of Allowing Claire Rivers to Linger in His Establishment.

Michael Schwartz, proprietor of a liquor saloon at 23 Bradley street, New London, was found not guilty and discharged this morning by Associate Judge Lewis Crandall in the New London police court when he appeared on a charge of allowing women to loiter in his saloon, while a nolle was entered in the cases of Georgianna Kett-

ARE WOMEN ROUGING TO HOLD THEIR JOBS?

Miss Holloway, Industrial Investigator, Receives Peculiar Complainants.

Miss Charlotte Molynieux Holloway of New London, industrial investigator of labor received a number of complaints last week from self-styled sociologists who allege that some of the women employed in stores are being roughed by their employers to wear rouge to "attract male trade." In an investigation some time ago Miss Holloway found that some of the specialty shops employed a large number of rouged women. All of them were apparently wearing the same artistic style of make-up. Whether the stores are employing the alleged method is a question Miss Holloway says she is too busy to investigate at the present time.
