GREENVILLE. Rev. A. W. Burdon Delivers Interesting Sermon on Producing the Goods—Annual Report of St. Mary's Parish—Notes.

Rev. A. W. Burdon delivered a very interesting address before a large attendance Sunday evening at the Federal church. Burdon's address being Producing the Goods and taken from Joshua 10-22, he said in part:

In the vernacular of the day we are asked to produce the goods. To do this we must first possess them. Second, to possess we are to meet certain qualifications.

Five mountain kings had gathered together to fight against the men of Gibeon. They were in danger of destruction by this powerful coalition.

Joshua did not stop for them, but ordered great stones rolled into the mouth of the cave, in this way keeping their prisoners against his return.

And we are asked to meet the demand which says if you have something to sell, you must have it to sell.

An actual possession of something alive, with arms, legs, heart and soul. Arms that point to the roof of God's great heaven, with its walls of encircling seas and that point to John's crown and scepter, moving in the great light which went flashing out into the dark places, bringing out in bold relief sin, with its flaming crown, and setting robe, moving in the midst of men, and leading nation's captive.

There the other vision, a rider on a superb horse, moving in the far up spaces midst the maze and whirl of mist and cloud, and he who sat thereon went forth, conquering and to conquer. This was John's Master, Christ. If perchance He is the Christ of our hearts, prompt will be our response to the demand, for the cure of sin. "Lift up the gates that the King may come in."

Joshua's men were qualified for their battle-scarred. We are to grapple with influences that are bearing men downward. We are to attempt

For Rheumatic Misery. There is no place for rheumatic pains and misery, if you will only follow the advice of an old, experienced physician, Dr. Levi Minard prescribed and used Minard's Liniment for soreness, stiffness, swelling and all rheumatic pains. It has never failed, and is perfectly harmless, economical, agreeable and clean to use, as it is absolutely stainless. Minard's Liniment, obtained from any druggist, is wonderfully soothing, penetrating and effective in all cases of strains, lumbago, sore joints, stiffness, sciatica and rheumatism.

STUBB FOR WAR SUFFERERS. Collected at Mass Meeting Held in Breed Theatre Under the Auspices of the Zionists—Rabbi Berlin and Jacob De Haas Tell of Suffering of the Jewish People in the War Zone.

The sum of \$1,000 was raised Sunday evening at the Breed theatre for the relief of the suffering Hebrews in the war zones of Europe, when an audience of several hundred freely contributed to the worthy cause of a stricken people. The meeting was under the direction of the Zionists of Norwich, they having as their speakers Rabbi Berlin and Jacob DeHaas of New York.

The meeting was opened by Rabbi Joseph M. Rosenberg who made a short address and then introduced Rabbi Berlin who said in part: Every warring nation engaged in the great struggle across the sea is fighting for some gain, but there are those who are non-combatants who are suffering untold misery as a result.

Now is the time for every person of Jewish blood to come forward and aid in the great cause for when peace reigns again the wishes and desires of the Hebrew race to recover Palestine may be realized. The Talmud said when the Jewish Sanhedrin was driven away from Palestine the divine spirit did not go into exile.

Contributors Gave Freely. Following Rabbi Berlin's address Herman Alofsin, 2nd, who acted as announcer, called for contributions. Every man within a short while the sum contributed amounted upwards into the thousands.

their rescue from a fatal swirl. If we succeed it will be because we are spiritually athletic. Weaklings can never grip them. If we have an influence over the world, it is ours only when we come in contact with the Infinite.

Paul caught it, and in his great letter to the Romans, he pauses to shout, "The depth of the riches, both of the wisdom and knowledge of God, how unsearchable are His judgments, and His ways past finding out."

We are called to produce the goods, and the great commission was "Go ye into all the world." The world will receive us with our message, when they know that the stamp of approval is upon our efforts.

That stamp is on us when Christ, the Master of men, reigns in our hearts and our passions are under His day by day, come in touch with Him. Catch His spirit and get His habit of victory.

Y. M. C. A. MEN'S MEETING. Addressed by Rev. George H. Chambers in an Earnest Way.

The men's rally under the Y. M. C. A. auspices Sunday was interesting to the men who attended. The music by Swan's orchestra and the popular hymns were enjoyed, and the address by Rev. George H. Chambers was a practical one; his text was taken from Isaiah 55: 6 and 7th verses, the points emphasized were as follows, God is very near to us many times and when there is a distance between us and God, it is because we wander away from Him. Sin makes the distance between God and us; we are commanded to forsake our evil ways and if we do this the promise is that He will abundantly pardon.

We are urged to forsake our unrighteous thoughts and this is a very important and necessary thing to do, for acts are the fruits of thoughts, and if a man's thoughts are pure and right his life will be faithful. The men were urged to live up to the highest standard and evidently a good impression was made.
