An Effective Laxative For Growing Children

Dr. Caldwell's Syrup Pepsin Highly Recommended as a Family Remedy

In children the slightest irregularity of the bowels has a tendency to disturb the entire digestive system, and unless promptly remedied invites serious complications. The experienced mother knows that by training her children to regularity in this respect, and when occasionally absent, serving a mild laxative, she will have little need for the doctor's services.

Dr. Caldwell's Syrup Pepsin can be obtained at any drug store for 25c per bottle, and should have a place in every home. It will save many times its cost in needless doctor bills and maintain the health of the entire family. To avoid imitations and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. It is a family medicine. Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. Look for the name of Dr. Caldwell on the wrapper. Free of charge can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
