FLAG RAISING AT NORWICH GOLF CLUB Opening Address Made by President Horatio Bigelow at Sundown on Memorial Day—Present Form of Stars and Stripes Suggested by Norwich Man.

A very interesting incident in the history of the Norwich Golf club took place in the flag raising on Memorial Day in the presence of a large number of the club members and their guests. At the highest point of the beautiful knoll on which the clubhouse stands the towering flag staff had been erected and placed in an unusually attractive setting. Promptly at 6 o'clock a bugle call summoned the people together and to the strains of the Star Spangled Banner sung by all, the beautiful flag was raised aloft by Master Golf Briggs.

BANS DRINKS FOR MEN IN UNIFORM Law Applies to Every Member of the National Guard.

Believing that the law putting a ban on drinks for men in uniform applied to soldiers only, some New London saloonkeepers have been serving sailors, though refusing to serve anyone but soft drinks. The majority of the saloonkeepers have made a fast rule to serve none but civilians so as to be on the safe side, but some of the proprietors who have taken a chance on serving jacks, believing the law did not affect them.

Report saloonkeepers this week sought official interpretation of the law and found that it included any man in uniform, whatever branch of the service he represents, so they have made a rule to serve no men in uniform. It has made a great difference in the business there, where there were often jammed with soldiers, sailors and marines. There have been a few arrests in Newport for violation of the federal prohibition law.

Acting under such interpretation, therefore, Attorney General Gregory has sent instructions to United States attorneys and other officers to cause the arrest of any one who shall sell to any soldier, sailor, marine or National Guardsman, an intoxicating drink; if the latter appears in any saloon, hotel or other place in uniform.

How Long Shall I Live? A friend of the local Young Men's Christian Association made a liberal contribution to the building fund in the campaign and with the pledge sent the following lines: "For giving is living," the angels said, "Go break to the needy sweet charity's bread." "And making it give again and again!" My peevish and pithless answer ran, "Oh, no, said the angel, piercing me through, 'Just give till the Master stops giving to you.'"
