Judge Williams Seeks to Reconcile Wife Who Accuses Husband of Assault—Auto Light Cases Disposed of—Bank Book and Theatre Stock Auctioned For a Song—Elks Plan Flag Day Exercises—Women Who Will Take Military Census.

During the twelve years' experience of Judge Oliver H. Williams, of the Third District court, he was required for the first time Friday to decide a case of wife beating, or assault and battery, where the parties concerned were both Jews. The case was so unusual that immediately after court adjourned the judge invited the parties to his private office, inquired into the facts, gave them good advice and, it is believed, effected complete reconciliation.

The defendant was Samuel Livingstone, and there had been several continuances. Attorney John Ferguson, for defendant, said this was an unfortunate case, a family difference originating over a trivial matter. He said blows were struck by both the husband and wife, and in a heat of passion the wife had the husband arrested. Now she regrets the charge and would be glad to withdraw it. The defendant had borne a good record up to this action, and Mr. Ferguson expressed opinion that justice would be best served by judicial advice, rather than punishment. He asked that the greatest leniency to the defendant be granted by the court. Harry B. Agard, for the prosecution, said that Livingstone had not been before the court on any such charge heretofore, that there had been apparent reconciliation between wife and husband, and he did not object to giving them a chance to behave, and reserve a chance for the state to prosecute under the complaint if they did not behave. Sentence was suspended upon payment of costs of \$13.50.

The case against Loren Wadde, charged with violating the automobile law by not having the tail lamp lighted at night, was dismissed upon payment of costs. George Laid was before the court on a like charge and pleaded guilty. He paid costs of \$2.80 and was discharged.

The registration for selective draft in Rhode Island, totaled 53,458, according to the official statement of Colonel George H. Webb, director of registration. Of that total, white and negro combined, are registered as not connected with the legislative, judicial or executive branch, and have no dependants and are not totally disabled. This class is unofficially figured as fully eligible for service. There are 236 of this class in Westerly, out of a total of 230 registered.

The total number of white persons in legislative, judicial or executive positions, persons totally disabled, and persons indicating dependent relatives, is 2,715, of this number 374 are in Westerly.

Total number of white citizens registered, 37,422, of which 602 are residents of Westerly.

Total colored persons in legislative, judicial or executive positions, persons totally disabled, and persons indicating dependent relatives 424 and in Westerly 2.

Total number of colored citizens who registered 867, and in Westerly 18.

Total aliens registered, 15,943 and in Westerly 199.

Total alien "members" registered 126, and in Westerly 4.

In order to close the estate of Harriet N. Denison, who died five years ago, widow of Edwin N. Denison, who died twenty years previous, Auctioneer Eugene B. Pendleton sold at public auction Friday, by order of Mrs. Mary Noves Rogers administratrix, a bank book showing a balance of \$171.05 on the Mechanics Saving bank, and ten shares of the Elven Opera House company, that were originally purchased for \$25 a share. The bank book and all that belongs thereto was purchased for \$55 by Richard J. Butler. The ten shares, however, were purchased by Louis A. Barbour at \$1.10 a share.

Peter A. De Rocco, of Westerly, puts pertinent query and his own conclusions in a letter printed in a New York newspaper, as follows: "Why should not it be a good idea for congress to pass legislation permitting all aliens who have taken out first papers to obtain final naturalization six months hence? This would make a large number who could be drafted and who would be willing to serve the United States rather than to serve some other country or none at all."

MYSTIC Oral School to Hold Exhibition of Pupils' Work—Donovan-Welke Marriage—Machinists at Standard Plant Take Higher Pay Instead of Nine-Hour Day—Roscoe K. Burrows Made Battalion Adjutant.

Prior to the summer vacation of Mystic Oral school there will be an usual public exhibition of school work, Wednesday, June 10, from 10 to 11.30 a. m. Visitors will be given an opportunity at this time to see the pupils at their classes and the advance in progress being made in sewing, basketry, carpenter work, weaving, etc. Prof. Tobias Brill, principal of the school for several years, will attend the national convention of the teachers of the deaf at Hartford commencing June 25.

Donovan—Welke. The marriage of Mrs. Louise Paine Wolfe and James Donovan, both of this village, took place Monday evening at St. Patrick's rectory, by M. E. Hart officiating. Mr. and Mrs. Donovan will reside on New London road. Mrs. Donovan has been bookkeeper at the My Co-operative store. Mr. Donovan conducts a parcel post business in the town.

Take Higher Pay—Time Unchanged. An agreement has been reached between the employees of the Standard Machinery company and Charles E. Wheeler, the business manager and proprietor of the concern, whereby the machinists have taken an increase in wages in preference to a nine-hour day. Several weeks ago the machinists asked for nine hours a day with the same pay. Mr. Wheeler, sold them at that time that if new contracts could be arranged on the basis of extra costs of production involved he would grant their request for an increase in pay. He stated that he would much prefer allowing them the wage advance to granting a reduction in the hours from nine to eight and a new business could be secured at a profit to the concern that would enable them to continue. The machinists have sensibly taken the offer and will continue to work 55 hours a week as heretofore.

Connecticut Company Explains Project of End Trolley Freight Trouble—Funeral of Mrs. Mary Moore. Stafford Chautauquus will be held from June 25 to 30, inclusive. It is a new thing for this town and the general committee is working hard to make it a success. Representatives of the Connecticut company were in town this week and gave Warden Leach assurance that the nuisance of loading and unloading freight at the corner of East Main street and Furnace avenue would be discontinued. The plan is to extend the track further north on Furnace avenue as far as the Gary property. The track will then swing to the extreme east of the street adjoining the Gary lot and the teams can drive into this when taking goods to or from the cars. A freight station will be built a little later. FUNERAL. Mrs. Mary Moore.
